Susan S. Wadley

Struggling With Destiny In Karimpur 1925 1984

Diane P. Mines, Sarah Lamb

Struggling With Destiny In Karimpur 1925 1984:

Struggling with Destiny in Karimpur, 1925-1984 Susan Snow Wadley, 1994 Susan Wadley first visited Karimpur the village behind mud walls made famous by William and Charlotte Wiser as a graduate student in 1967 She returned often adding hears of changes in agriculture labor relations education and the family But Karimpur s residents do not speak with one voice in describing the ways their lives have changed viewpoints vary considerably depending on the speaker s gender economic status and caste Using cultural documents such as songs and stories as well as data on household budgets and farming practices Wadley examines what it means to be poor or rich female or male She demonstrates that the forms of subordination prescribed for women are paralleled by those prescribed for lower castes

Struggling with Destiny in Karimpur, 1925-1984 Susan S. Wadley, 2023-07-28 Susan Wadley first visited Karimpur the village behind mud walls made famous by William and Charlotte Wiser as a graduate student in 1967 She returned often adding her observations and experiences to the Wisers field notes from the 1920s and 1930s In this long awaited book Wadley gives us a work of unprecedented scope a portrait of an Indian village as it has changed over a sixty year period She hears of changes in agriculture labor relations education and the family But Karimpur s residents do not speak with one voice in describing the ways their lives have changed viewpoints vary considerably depending on the speaker s gender economic status and caste Using cultural documents such as songs and stories as well as data on household budgets and farming practices Wadley examines what it means to be poor or rich female or male She demonstrates that the forms of subordination prescribed for women are paralleled by those prescribed for lower castes Villagers also speak of political struggles in India and of the importance of religion when confronting change Their stories songs and life histories reveal the rich fabric of Karimpur and show how much can be learned from listening to its people Susan Wadley first visited Karimpur the village behind mud walls made famous by William and Charlotte Wiser as a graduate student in 1967 She returned often adding her observations and experiences to the Wisers field notes from the 1920s and 1930s I

Everyday Life in South Asia Diane P. Mines, Sarah Lamb, 2021-12-22 Now updated An eminently readable highly engaging anthology about the lives of ordinary citizens in India Pakistan Bangladesh Nepal and Sri Lanka Margaret Mills Ohio State University For the second edition of this popular textbook readings have been updated and new essays added The result is a timely collection that explores key themes in understanding the region including gender caste class religion globalization economic liberalization nationalism and emerging modernities New readings focus attention on the experiences of the middle classes migrant workers and IT professionals and on media consumerism and youth culture Clear and engaging writing makes this text particularly valuable for general and student readers while the range of new and classic scholarship provides a useful resource for specialists

Storytime in India Helen Priscilla Myers, Umesh Chandra Pandey, 2019-06-14 An American ethnomusicologist and her Indian collaborator recount their experiences researching Bhojpuri wedding songs in India Stories are the backbone of

ethnographic research During fieldwork subjects describe their lives through stories Afterward ethnographers come home from their journeys with stories of their own about their experiences in the field Storytime in India is an exploration of the stories that come out of ethnographic fieldwork Helen Priscilla Myers and Umesh Chandra Pandey examine the ways in which their research collecting Bhojpuri wedding songs became interwoven with the stories of their lives their work together and their shared experience reading *The Eustace Diamonds* by Anthony Trollope Moving through these intertwined stories the reader learns about the complete Bhojpuri wedding tradition through songs sung by Gangajali and access to the original song recordings and their translations In the interludes Pandey reads and interprets *The Eustace Diamonds* confronting the reader with the ever present influence of colonialism both in India and in ethnographic fieldwork Interwoven throughout are stories of the everyday highlighting the ups and downs of the ethnographic experience Storytime in India combines the style of the Victorian novel with the structure of traditional Indian village tales in which stories are told within stories This book questions how we can and should present ethnography as well as what we really learn in the field As Myers and Pandey ultimately conclude writers of scholarly books are storytellers themselves and scholarly books are a form of art just like the traditions they study *The Oxford Handbook of Caste*, 2023-10-31 Beginning with the 1990s the subject of caste has seen a profound increase in interest among scholars What was until then approached as a fossilized tradition of the ritual obsessed Hindus refusing to see the progressive spirits of the emerging world and studied as a branch of anthropology suddenly began to be seen as a complex reality deeply embedded in a range of institutions and social practices attracting scholars from a wide range of disciplines sociology political science history literature and even economics Underlying this opening of the subject of caste were many factors epistemic empirical and political Caste is no longer approached through the classical binaries of traditional and modern the East and the West or the closed and open systems of stratification With the growing consolidation of caste based identities among those ranked lower down in the hierarchy since the 1990s raising questions of citizenship and dignity the subject has acquired a new salience As the emerging research shows the realities of caste on the ground have always been diverse across regions often contested and ever changing This Handbook presents a wide range of essays written by authors representing diverse academic disciplines and perspectives bringing together the emerging trends in the research imaginations and lived realities of caste **Ethnography** Anthony Kwame Harrison, 2018-04-16 Ethnography familiarizes readers with ethnographic research and writing traditions through detailed discussions of ethnography's history exploratory design representational conventions and standards of evaluation Responding to the proliferation of ethnography both within and outside of academia in this book Anthony Kwame Harrison grounds ethnographic practices within the anthropological principles of cultural awareness thick description and embodied understanding At the same time the book introduces new frameworks for grasping ethnography's simultaneous strategic and improvisational imperatives as well as for appreciating its experimental conventions of social science and humanistic

research reporting Central to this process Ethnography introduces the concept of ethnographic comportment defined as an historically informed politics of position that impacts ethnographers conduct and disposition which serves as a standard for gauging and engaging ethnography throughout the text Part research primer writing guide and assessment handbook Ethnography provides readers with a comprehensive introduction to one of the richest and most expansive traditions of qualitative research

Sociology and Social Anthropology in India Yogesh Atal, 2009 The Indian Council of Social Science Research the premier organization for social science research in India conducts periodic surveys in the major disciplines of the social sciences to assess disciplinary developments as well as to identify gaps in research in these disciplines

Political Economy of Class, Caste and Gender Ishita Mehrotra, 2022-03-17 This book examines the structures of power and hierarchies within the agrarian political economy in India with a focus on gender It analyses various forms of inequalities within rural structures while situating the position of women and Dalit agriculture labourers within these discriminate networks of social exclusion political marginalisation and poverty The book maps the impacts of neoliberal capitalist globalisation on agrarian relations to identify who labourers are and how rural diversification is shaped by class caste and gender hierarchies specifically in the villages of eastern Uttar Pradesh It looks at occupational patterns of women workers labour relations and reconceptualisation of labour The book documents the experiences of exploitation as well as forms of resistance and collective action of rural women labourers In doing this the book deals with processes witnessed across the global South rural distress depeasantisation migration feminisation of agriculture as well as identity based inequalities in rural labour markets Rich in empirical data the book will be useful for scholars and researchers of labour studies women s studies political economy agrarian economy agrarian sociology rural sociology sociology development studies and political studies

Essays on North Indian Folk Traditions Susan Snow Wadley, 2005 The Study Of Folk Traditions Provides A Critical Look At The Accepted Largely High Caste Male Authored Views Of Hinduism And Society In India

GLOBALIZATION IN INDIA RAMANUJ GANGULY, 2010-02-15 Since the last decade of twentieth century India has strived for an experienced and unprecedented economic turn around The country has witnessed a structural shift in GDP growth propelled largely by new investments and the growth of the value enhancing services sector Globally these efforts are not only source of appreciation but also of assumption for many that India increasingly being seen as part of new axis of influence in the world Long established three headed social problem poverty illiteracy unemployment remains the biggest stumbling block for a post colonial country like India New sets of problems have taken shape in the last quarter of twentieth century when policy makers and market participants have prioritized economic activities for short term gains In context of the above Center of Associates for Sociological Studies and Action undertook to bring out to the fore oft neglected inter disciplinary discussions and analysis in fifteen articles to examine the process of globalization in India taking insights from economics political science and international relations sociology cultural anthropology social ecology management and

cultural studies It discusses the impact of the process of globalization on social institutions like marriage family economy politics education and religion The book is intended for postgraduate students and research scholars It provides readers with a clear perspective about creating economics environmental and social capital that can produce multiplier effect for making national progress more inclusive and sustainable
