Bible Study Jon Nielson, 2013 A new version of Kathleen Nielson's acclaimed book that addresses high school students with the aim of encouraging and equipping them to engage in effective study of the Bible. The most crucial way we can prepare young people for the challenges that lie ahead is to arm them well with the sword of the Spirit which is the Word of God. This book lays the foundation; it explains what the Bible is and what that means for how we should study it. Five fundamental truths are clearly presented: the Bible is God speaking; powerful, understandable literary; one whole story. From each of these truths come practical implications for why and how we study the Bible along with concrete examples and study questions that lead students in personal application. The goal is for high school students to grow not just in a particular method but in a whole understanding of God's Word and how to let that Word speak effectively into our lives. *Student Bible Handbook; a Guide to the Best Book in the World* Walter A. Elwell, 1995 *The Youth Worker's Guide to Creative Bible Study* Karen Dockrey, 1999-04-01 With Jesus as a guide, *The Youth Worker's Guide to Creative Bible Study* demonstrates tried and true methods for guiding youth to read their Bibles, discover Bible facts, understand Bible meaning, and then live Bible truth. **The Student Bible Guide** Tim Dowley, 1996-04-01 Discusses the people, places, and events mentioned in the Bible and life in Biblical times. *The HCSB Student Bible*, 2007-07 A visually driven product for a visually driven culture, the HCSB Student Bible has a full color page design throughout and contains more than 500 photos, 200 maps, and many biblical reconstruction illustrations. The cover artwork was even chosen by the 18 to 29 year old target audience. Study is enhanced by an introduction to each book of the Bible, explanatory sidebars, and questions for individual and group study. Topical quotes, factoids, and quick commentary on key Bible people, places, and objects aid in ease of use. Other helpful sections include a comparison chart of world religions, worldview features, and tools for identifying spiritual gifts. The Holman Student Bible features the HCSB translation, the fastest growing Bible translation on the market today. There is nothing that so convinces the mind of the inspiration of the Bible as does the reading of the Bible itself. As guide, the Bible is without a rival. It gives a calm peace in believing and a firm hope of the future. It solves the great problems of life and destiny and inspires to a life of purity, patience, and well-doing. It fills the heart with love for God and a desire to do good to others and thus prepares one for usefulness here and for the home in heaven. It teaches the value of the soul by revealing the price that has been paid to redeem it. It makes known the
