The Student's Journal ,1904 Help! My Students Write Like They Text Jennifer French,2018-08-16 IMHO LOL OIC
OMG If you ve recently graded middle school or high school writing chances are you ve read terms like these or my favorite
wtf idk which also happened to be an answer on a student s quiz As a middle school English teacher I became more and more
perplexed to see students using texting talk on their homework and classroom writing assignments not to mention answers
on the writing portion of the state standardized test My students were not differentiating appropriate writing contexts The
answers written on the unit test were written the same way that they invited their friends to hang Starbucks How do we as
educators and parents allow students to creatively express themselves support them academically and prepare them for a
professional world built on written and verbal communication Herein lies this text Hopefully it will alleviate the concerns of
those who are worried about the disintegration of the English language and help those ISO in search of strategies to support
