PHILOSOPHY FOR TRUE HUMAN FLOURISHING Each person without exception is desperate for flourishing Every individual hungers and aches to live an expression of the good life This compulsion inside is as automatic as it is intuitive This general human longing reflects a common drive for meaning and not just for the Christian Still most intimately know they can't entirely do life their way Whilst the majority readily confess they haven't the sufficient means or even the necessary power After all look at what happens when a global pandemic shuts down life The fact we rarely arrive at contented satisfaction becomes life's own rolling stone Do you have a present vision Are you confident of the process What about any worthwhile or ultimate goal This living challenge becomes even more practically specific for the Christian What if someone asked you for the content of a faithful and fruitful life for Christ What would you say Now factor in these challenging and confronting cultural times How would you reply After all you sincerely love Jesus and passionately want to live for Him which means you're entirely motivated to offer something not only realistic but true But can you The good news is that in your hands contain the opening lines where RELOVUTIONARY intends to be your own personal guide Volume One introduces this idea setting the coordinates for the reader's unfolding navigation The context is huge only increasing any anticipation on this series comprehensive value This Is Your Life has been genuinely engineered for any curious reader wanting an answer to the absurdity of existence and for every genuine follower of Jesus Christ determined to live a life worthy of His calling There is no greater promise or purpose than living for Jesus no matter age stage time or place which means there should be no further reading delay WELCOME TO THE LIFE RELOVUXIONARY

### **Our Sufficiency in Christ** John

MacArthur, 1998-07-10 Christ's divine power has granted to us everything pertaining to life and godliness 2 Peter 1:3 Pure Christianity needs no embellishment whatsoever We find complete sufficiency in Christ and His provision for our needs But too many Christians have bought in to the notion that all the spiritual resources we gain at the moment of salvation are not adequate to meet the real needs in today's complex world So they look for something more an emotionally exciting and self edifying experience not found in God's Word This failure to understand the sufficiency of Christ has opened the door to all kinds of worldly influences causing many modern believers to mix biblical truths with seemingly helpful man made methods such as mysticism and psychology As a result they wallow in a watered down pseudo Christianity that has been drained of its vitality effectiveness and security In this book John MacArthur exposes the main ways Christians have displaced their spiritual resources and explains how to avoid making the same error It will make you newly aware of how completely God provides and give you a renewed understanding of what it means to be complete in Christ
