Volume contains 235 AD 126 *People v Gillette* 236 AD 126 *Reisler v Springer* The War Is Real Vaughn Allen,1994-03
Clever book titles abound often obscuring the real message of the author Not this one This book discusses exactly what its title announces the reality of the spiritual warfare daily facing God's people and the certainty of victory Few Christians grasp the vast implications of this awesome and wonderful truth Most of us have understood correctly that the great controversy between Christ and Satan is a struggle of enormous theological and historical significance Too many are burying their heads in the sand refusing to look at or recognize the enemy's strategies and devices The material contained in this book is Biblical and solidly supported from the voluminous supplemental inspiration graciously given our people in the Spirit of Prophecy Dr George H Akers *United States Government Publications Monthly Catalog* ,1950 Extradition, Politics, and Human Rights Christopher H. Pyle,2001 Three hundred years ago few people cared about the murky past of new arrivals to the United States and the countries they had left made few efforts to pursue them to their new home Today with the growth of bureaucracy telecommunications and air travel extradition has become a full time business But the public's knowledge of and consequent concern about extradition remains minimal aroused from time to time by newspaper headlines only to fade In this readable and compelling history of extradition in America Christopher Pyle remedies that ignorance Using American constitutional law and drawing on a wealth of historical cases he describes the collision of law and politics that occurs when a foreign country demands the surrender of individuals held to be terrorists by some and freedom fighters by others He shows how U S policymakers have attempted to substitute deportation for extradition and turn the surrender of a foreign national or even an American citizen into a political rather than a judicial process Beginning with the New England Puritans

refusal to surrender to the regicides who had signed the death warrant of King Charles I he traces the attitudes and ideologies that have shaped American extradition practice culminating in the efforts by the Reagan and Bush administrations to turn the legal extradition process into an executive tool of state policy Along the way we meet such legal luminaries as James Madison and John Stuart Mill William Rehnquist and Oliver North as well as pirates and fugitive slaves anarchists and refugees drug lords and runaway sailors Woven throughout this story is the author s belief that current developments in extradition law ignore or actually violate the principles of individual liberty due process and humanity on which we claim our country was built As he remarks in the Introduction Extradition involves the surrender of human beings persons under the protection of our Constitution to foreign regimes many of which are unjust This reality was well understood in the eighteenth and nineteenth centuries when the United States was a refuge for the victims of European oppression but it has been disregarded frequently in the twentieth century as we have sought to stem the tide of immigration and develop advantageous economic and political relations with autocratic regimes of every stripe Author note Christopher H Pyle is Professor of Politics at Mount Holyoke College He is the author of several books and Congressional reports and has frequently testified before Congress on the subject of extradition and deportation **Supreme Court** ,1935 *Patterson v. Township of Ravenna*, 229 MICH 133 (1924) ,1924 143 *Reports of Cases at Law and in Chancery Argued and Determined in the Supreme Court of Illinois* Illinois. Supreme Court,1908 *Reports of Cases at Common Law and in Chancery Argued and Determined in the Supreme Court of the State of Illinois* Illinois. Supreme Court,1908
