like to experience one for yourself Emily replied with a heartfelt nod and Lily gave her a beautiful lollipops Emily took a bite and then could not stop laughing It was a happy joyful laughter she had never felt before Lily looked at Emily s contagious laughter with a playful twinkle in her eye and said My lollipops have an uncanny way of digging up the deepest sources of happiness Emily s eyes lit up with wonder as Lily asked What brings you to my humble shop today Emily I ve always had a strong affection for sweets and the rumors that your pastries are the best in the whole village brought me here In addition I ve heard that you can teach people how to make magical candies Emily said with a grin Lily gave Emily a warm smile for her hard work and energy That is accurate dearie I can certainly initiate you into the craft of candy making though it is no simple undertaking It requires patience unwavering commitment and above all a kind heart Emily kept saying how excited she was to learn and how determined she was to do so Lily chose Emily to be her assistant and so began a lovely journey Emily replied I m ready to go on this journey with you Lily and I promise that my heart is full of kindness Lily taught Emily how to make candy She showed them the right way to mix the ingredients add magic to the treats and make tastes that were delicious As the days turned into weeks Emily got better at making sweets which let her make her own magical treats She imagined jellybeans resisting gravity and shooting one into the sky and she also imagined candy canes turning plain snow into designs made of many colors The locals were amazed by her innovative ideas and every day there were longer lines at the Magical Candy Shop Emily on the other hand wanted to do more than just make delicious candy She wanted to use her talent to help people who were sad One day she went up to Lily and made a proposal Emily asked Lily What if we used the magic of our candies to help people in need We could make candies that make people feel better when it is cold outside or make people laugh when they are sad Lily was moved by Emily s kindness and she agreed with Emily s idea right away That s a wonderful thought honey Let us begin by making sweets for the orphanage kids over here They deserve all the happiness in the world Ever since Emily and Lily have been making one of a kind sweets for the orphanage kids They made candy that grew all year and sugar butterflies that flew around the kids and made them smile The orphaned kids laughter filled the building as they were thrilled with what they had found Everyone in the town quickly heard about Emily and Lily s kind deeds They became famous not only for their magical candies but also for their kind hearts They continued to give their sweets to make other people happy whether it was an elderly friend or a stranger walking by Emily and Lily s friendship grew stronger over time and went beyond just being friends They felt like family because they had been through so much together It was Lily who suggested that Emily should run the Magical Candy Shop on her own and continue her parents work Emily my dear the time has come for you to take over as owner of the Magical Candy Shop You have learned everything I have to teach you and I have no doubt that you will make me proud Lily told Emily as they sat down together in the shop on a sunny afternoon Thank you for everything Lily I shall strive to preserve your legacy and continue to make this world a sweeter place Lily gave Emily the keys to the shop with a mix of sadness and joy in her heart The people of Hamlet marked the passing of the baton

with a beautiful ceremony that went on all night and was full of sweets and laughter Emily ran the Magical Candy Shop so well that it did very well As Lily had told her to she used her magic to make people happy who were sad and to create new magical sweets that amazed and pleased everyone Lily was like an old oak tree that stood in the town square and was a part of the neighborhood For many years she was always there for the peasants giving them support in a world that moved too quickly Before she was born her family owned the candy shop and took great care to keep the sweet traditions that had been passed down from generation to generation Each generation had been given these valuable trade secrets and tried and true recipes for making sweets They were like a river of candy knowledge But Lily had a unique attitude that set her apart from her ancestors and from everyone else in town She had been given a special skill that no one else had Lily s parents were good at making sweets but she was the best She was able to give her candies special powers that made everyone who tried them happy and spellbound As Lily got better she learned that each candy could have its own magic added to it which turned ordinary treats into amazing wonders Her candy will make you laugh until you cannot hold back tears her chocolate bars will melt your heart and her gummy bears will make you jump higher than you ever thought possible The village kids were enchanted by her works of art and waited in long lines outside her cute candy shop for her newest most delicious treats Over time her charming personality became known and people from nearby towns and cities came to her business They were amazed by how much happiness her magical candies brought them and they were truly happy Lily had turned her tiny candy shop into a beautiful heaven where every delicious bite took regular things to a whole new level People who came to her house were drawn in by more than just the sweet smell of her candy The person was Lily who was kind and caring and had a natural way of making everyone feel special Every customer had a name a favorite candy and a story about themselves Her warm smile and deep talks had a remarkable way of making even the worst days better
