Ph.D., Kevin L. Brooks**

The Magic Of Black Poetry:

Understanding the New Black Poetry Stephen Evangelist Henderson, 1973 Stephen Henderson has edited an anthology of the best of black poetry with an emphasis on the poetry of the 60 s But this anthology differs from others in significant ways First the introduction is extensive giving tentative answers to such questions as What makes a poem black Who decides What criteria does one use The author s thesis is that the new black poetry s main referents are black speech and black music Second the author explores the many forms that black poets use commenting on what is black technically in the poetry Third the poems anthologized include examples from the oral folk sermon spirituals blues ballad rap as well as the literary tradition

From publisher s description **Black Girl Magic** Mahogany L. Browne, 2018-01-02 Celebrates the strength and magic found in black girls challenging the conditioning of society by offering a tribute to black women and girls everywhere

The Black Arts Enterprise and the Production of African American Poetry Howard Ramsby, 2018-05-09 A closer look at the poets and publishers who made the Black Arts Movement such an enduring cultural enterprise **Dudley Randall, Broadside Press, and the Black Arts Movement in Detroit, 1960-1995** Julius E. Thompson, 2005-02-15 In 1965 Dudley F Randall founded the Broadside Press a company devoted to publishing distributing and promoting the works of black poets and writers In so doing he became a major player in the civil rights movement Hundreds of black writers were given an outlet for their work and for their calls for equality and black identity Though Broadside was established on a minimal budget Randall s unique skills made the press successful He was trained as a librarian and had spent decades studying and writing poetry most importantly Randall was totally committed to the advancement of black literature The famous and relatively unknown sought out Broadside including such writers as Gwendolyn Brooks Margaret Walker Mae Jackson Lance Jeffers Etheridge Knight Sonia Sanchez Nikki Giovanni Audre Lorde and Sterling D Plumpp His story is one of battling to promote black identity and equality through literature and thus lifting the cultural lives of all Americans **The Magic of Black Poetry** Raoul Abdul, 1972 Contains poems written by black people throughout the world about the beauty of love and life **The Heritage Series of Black Poetry, 1962-1975** Lauri Ramey, 2016-03-03 In 1962 the Heritage Series of Black Poetry founded and edited by Paul Breman published Robert Hayden s A Ballad of Remembrance By 1975 the Series had published 27 volumes by some of the twentieth century s most important and influential poets As elaborated in Lauri Ramey s extensive scholarly introduction this innovative volume has dual purposes To provide primary sources that recover the history and legacy of this groundbreaking publishing venture and to serve as a research companion for scholars working on the Series and on twentieth century black poetry Never before published primary materials include Paul Breman s memoir retrospectives by several of the poets published in the Series a photo documentary of W E B Du Bois s 1958 visit to The Netherlands poems by poets represented in the Series and scholarly essays Also included are bibliographies of the Heritage poets and of the Heritage Press Archives at the Chicago Public Library This reference work is an essential resource for

Contemporary African American Female Playwrights Dana A. Williams, 1998-06-30 Lorraine Hansberry's *A Raisin in the Sun* 1959 was a major dramatic success and brought to the world's attention the potential talent of African American women playwrights. But in spite of Hansberry's landmark contribution both the theater and the literary world have often failed to include contemporary African American female playwrights within the circle of production, publication and criticism. In African American drama anthologies female playwrights are seldom given the degree of attention that is accorded their male counterparts. And because of space constraints anthologies of works by women playwrights are forced to exclude numerous female dramatists including African Americans. Meanwhile some scholars have argued that the works of African American female playwrights are seldom produced in the mainstream theater because these plays frequently challenge the views of white America. But as *A Raisin in the Sun* demonstrates plays by African American women dramatists can have a powerful message and are worthy of attention. A comprehensive research tool this annotated bibliography sheds light on the often neglected works of contemporary African American female playwrights. Included within its scope are those dramatists who have had at least one work published since 1959, the year of Hansberry's monumental achievement. The first section provides a listing of anthologies that include one or more plays written by an African American female dramatist. The second gives entries for reference works and for scholarly and critical studies of the dramatists and their plays. The third presents a listing of published plays by individual dramatists along with a summary of each drama, the works of each playwright that are related to drama and secondary sources that treat the dramatists and their plays. Entries are accompanied by concise but informative annotations and the volume closes with a list of periodicals that frequently publish criticism of African American female playwrights, a section of brief biographical sketches of the dramatists and extensive indexes.

The Columbia Granger's Index to African-American Poetry Nicholas Frankovich, David Larzelere, 1999 Responding to the enormous interest in African American literature Columbia University Press is publishing a Granger's Index devoted exclusively to poetry by African Americans. To compile the Index to African American Poetry a team of consultants identified the best most widely available anthologies and volumes of collected and selected works. The result this new index includes more than 11,000 poems by 659 poets.

Encyclopedia of American Poetry: The Twentieth Century Eric L. Haralson, 2014-01-21 The Encyclopedia of American Poetry: The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics, schools or periods of American verse in the century. Entries fall into three main categories: poet entries which provide biographical and cultural contexts for the author's career; entries on individual works which offer closer explication of the most resonant poems in the 20th century canon; and topical entries which offer analyses of a given period of literary production, school, thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States.
