The Making Of The Soviet State Apparatus:

The Making of the Soviet State Apparatus Olga A. Narkiewicz, 1970 **Law and the Making of the Soviet World** Scott Newton, 2014-11-20 This book is an unconventional reappraisal of Soviet law a field that is ripe for re evaluation now that it is clear of Cold War cobwebs and as this book shows one that is surprisingly topical and newly compelling Scott Newton argues here that the Soviet order was a work of law Drawing on a wide range of sources including Russian language Soviet statutes and regulations jurisprudence legal theory and English language legal Kremlinology this book analyses the central significance of law in the design and operation of Soviet economic political and social institutions In arguing that it was an exemplary rather than aberrant case of the uses to which law was put in twentieth century industrialised societies **Law and the Making of the Soviet World** The Red Demiurge provides an insightful account of both the significance of modern law in the Soviet case and the significance of the Soviet case for modern law *The Soviet State* Bertram Wayburn Maxwell, 1934 An attempt to describe the structure of the Bolshevik Government and to portray the relationship of the citizen to the state in the Soviet Union Pref p vii **The Making of the GDR, 1945-53** Gareth Pritchard, 2004-09-04 The Making of the GDR 1945 53 is a groundbreaking analysis of the Stalinization of East Germany Whereas most traditional accounts have explained the creation of the GDR in terms of high politics and of Soviet foreign policy this book focuses on the social roots of the emerging dictatorship These were located above all in the traditions of the German labor movement and the history of the anti Nazi resistance The GDR was not imposed on the East German people at the point of Russian bayonets it emerged out of the interaction between Soviet occupation policy and the politics of the East German working class This book also tells a powerful human story in which the aspirations of antifascists and Socialists were manipulated and ultimately betrayed by Stalinism Based on extensive research this book will be of interest to those concerned with the division of Germany the nature of the GDR and the whole trajectory of post war German politics Russia and Eastern Europe, 1789-1985 Raymond Pearson, 1989 **The Origins of the Stalinist Political System** Graeme Gill, Graeme J. Gill, 2002-07-18 New and challenging perspectives on Soviet political development from 1917 to 1941 Stalinism and Soviet Rail Transport, 1928-41 E. A. Rees, 1995-01-12 This work provides an in depth case study of decision making in the Soviet Union in the Stalin era It focuses on the development of rail transport policy upon which the entire economy as well as the country s defence were so crucially dependent It analyses the role of institutional lobbies in shaping policy and sheds new light on the Stakhanovite movement and analyses for the first time the impact of the Great Purges on the railways The work provides a critical examination of the adequacy of existing conceptualisations of the Stalinist state **Bukharin and the Bolshevik Revolution** Stephen F. Cohen, 1980 This classic biography carefully traces Bukharin s rise to and fall from power focusing particularly on the development of his theories and programmatic ideas during the critical period between Lenin s death in 1924 and the ascendancy of Stalin in 1929 **Socialist Construction and Marxist Theory** Philip

Corrigan,1978-06-17 **Marxist Governments** Bogdan Szajkowski,1981-06-18 Stalinist Russia Steve Phillips,2000 A study of Stalinist Russia for AS and A Level History students It is designed to fulfil the AS and A Level specifications in place from September 2000 The AS section deals with narrative and explanation of the topic There are extra notes biography boxes and definitions in the margin and summary boxes to help students assimilate the information The A2 section reflects the different demands of the higher level examination by concentrating on analysis and historians interpretations of the material covered in the AS section There are practice questions and hints and tips on what makes a good answer The Baba and the Comrade Elizabeth A. Wood,1997 How could the baba traditionally the backward Russian woman be mobilized as a comrade in the construction of a new state and society Drawing on newly available archival materials historian Elizabeth Wood explores the Bolshevik government s campaign to draw women into the public sphere and involve them in the world of politics in the early Soviet years **Pluralism in the Soviet Union** Susan Gross Solomon,1983-06-18 *Decision-making in the Stalinist Command Economy, 1932-37* E. A. Rees,1997-04-12 A detailed examination of economic policy making in the USSR during the period of the Second Five Year Plan 1933 1937 The work examines the process by which the plan was formulated and implemented through a series of detailed case studies based on archival material examining the role of the Politburo the Soviet government Gosplan and the main economic commissariats It examines the relationship between the conflicts within the economic commissariats and the unleashing of the Great Purges 1936 38 The work aims towards a new conceptualisation of the Stalinist state Working in the Global Film and Television Industries Andrew Dawson,Sean Holmes,2012-08-02 Like many other cultural commodities films and TV shows tend to work in such a way as to obscure the conditions under which they are produced a process that has been reinforced by dominant trends in the practice of Film and Television Studies This collection places the workplace experiences of industry workers at centre stage It looks at film and television production in a variety of social economic political and cultural contexts The book provides detailed analyses of specific systems of production and their role in shaping the experience of work whilst also engaging with the key theoretical and methodological questions involved in film and television production Drawing together the work of historians film scholars and anthropologists it looks at film and television production not only in Hollywood and Western Europe but also in less familiar settings such as the Soviet Union India Nigeria and the Democratic Republic of Congo Chronologically wide ranging interdisciplinary and international in scope it is a unique introduction critical for all students of the film industries and film production Marxism and the U.S.S.R. Paul Bellis,1979-08-16 **Centre-Local Relations in the Stalinist State, 1928-1941** E. A. Rees,2002-10-22 This book analyzes the development of the Stalinist state of the 1930s from the perspective of the changing nature of centre local relations It examines the trend toward greater central state control over the formation and implementation of economic policy and the shift towards increased state repression through a series of archive based case studies of the centre s interactions with its republican and regional bodies The book provides the basis for

a new conceptualization of the Stalinist state **Departments of State, Justice, and Commerce, the Judiciary, and Related Agencies Appropriations for ...** United States. Congress. House. Committee on Appropriations. Subcommittee on Departments of State, Justice, Commerce, the Judiciary, and Related Agencies Appropriations,1973 Civic Affairs ,1956

Socialist Mode of Production-Socialist Industrialization Erdogan A,2022-07-19 Political economy is one of the social sciences It studies the laws of social production and distribution of material goods at various stages of the development of human society The basis of society is material production In order to live people must have food clothing and other material goods In order to have these goods people must produce them they must work People produce material goods that is they fight against nature not alone but together in groups societies Consequently production is always and under all conditions social production and labor is the activity of social man The process of production of material goods involves the following points 1 human labor 2 the object of labor and 3 means of labor
