The Man In The Attic:

Barefoot and Naked on the Banks of the Altamaha River Maggie Hill, 2010-02 Barefoot Naked on the Banks of the Altamaha River a fictional anthology with the main character based on the author's and other women's life in the deep south. The anthology rises and falls with joy and sorrow, pleasure and pain, hope and despair. At times it is governed by a smidgen of faith, other times mustard seed faith. The stage is set in the deep south in the era of black and white TVs, rotary phones, party lines, unlocked doors and windows. Small bottle cokes cost five cents, large ones six cents. There were Dime Stores instead of Dollar Stores. The scene is set in motion with a young girl living in an unspoiled world of love, laughter and friendships. The scene scape moves and changes rapidly. As years pass, this perfect world is blemished by bitterness, anger and hate, as death, adultery and sickness erode the spirit and cripple the soul. Amid the years were trials and tribulations, flights and fights and storms that brewed and there were some deep shit bipolar times. This was the era of growing up, of love and laughter, the era of innocence. It was life at the highest and life at the lowest ebbs. From southern girl who is nurtured to southern matriarch who nurtures, it is a tale spawning from first light to midnight. It is the eve of a new dawn. *Chariton Review 36.1* Truman State University Press, 2013-04-30 *Chariton Review* Spring 2013

The Man in the Brown Suit Agatha

Christie, 2023-12-17 The Man in the Brown Suit is a work of detective fiction by British writer Agatha Christie, first published in the UK. The character Colonel Race is introduced in this novel. Anne Beddingfeld is on her own and ready for adventures when one comes her way. She sees a man die in a tube station and picks up a piece of paper dropped nearby. The message on the paper leads her to South Africa as she fits more pieces of the puzzle together about the death she witnessed. There is a murder in England the next day and the murderer attempts to kill her on the ship en route to Cape Town. Nadina, a dancer in Paris, receives a visit from Count Sergius Paulovitch. Both are in the service of the Colonel, an international agent, provocateur and criminal. The Colonel is retiring, leaving his agents high and dry. Nadina has a plan to blackmail the Colonel. Anne Beddingfeld is an orphan after the sudden death of her archaeologist father. Longing for adventure, she jumps at the chance to live in London. Returning from an unsuccessful job interview, Anne is at Hyde Park Corner tube station when a man falls onto the live track, dying instantly. A doctor examines the man, pronounces him dead, and leaves. Anne picks up the note he dropped, which reads: 17 1 22 Kilmorden Castle. The inquest of L B Carton brings a verdict of accidental death. Carton carried a house agent's order to view Mill House in Marlow, and the next day the newspapers report that a dead woman has been found there, strangled. The house belongs to Sir Eustace Pedler, MP. A young man in a brown suit is identified as a suspect having entered the house soon after the dead woman. Anne realises the examination of the dead man was oddly done and becomes suspicious. At Mill House, she finds a canister of undeveloped film and she learns that Kilmorden Castle is the name of a sailing ship. She books passage on it. On board the ship, Anne meets Suzanne Blair, Colonel Race, and Sir Eustace Pedler. In addition to his secretary Guy Pagett, Pedler employs Harry Rayburn. **Louisiana Wildlife Agents** Jerald Horst, 2011-10-03 Wildlife agents

people and found himself being hunted along the interstate from rest stop to truck stop trying to escape a group of drug cartel members who wanted the money and drugs Charlie Benz found had and was carrying Charlie Benz was escaping to a place the voices had told him it was where he needed to go

The Man of Iron Richard Dehan, When Patrick Carolan Breagh attained the age of six years the boy being tall enough to view his own topknot of scarlet curls and freckled snub nose in the big shining mirror of his stepmother's toilet table without standing on the tin bonnet box that was kept under the chintz cover or climbing on a chair he was fated to acquire during one brief half hour's concealment under a Pembroke table more knowledge of Life Death and the value of Money than would otherwise have come to him in the course of half a dozen more years Upon this unforgettable third of January his plaid frock had been taken off and to his infinite delight replaced by a little pair of blue cloth breeches and a roundabout jacket Amateurish as to cut the nether garments displaying so little difference fore and aft that it did not matter in the least which way you faced when you stepped into them they were yet splendid not only in Carolan's eyes Alan his junior by three years bellowed with envy on beholding them and four year old Monica sucked her finger and stared with all her might It was plain to Carolan that having once assumed the manly garments no boy could be expected to put on those hateful petticoats again In vain Nurse Povah who had been Carolan's foster mother and Miss Josey the governess explained to him that the breeches were not completed and directed his eyes to the mute evidence of pins chalk marks and yellow basting threads Their arguments were vain their entreaties addressed to deaf ears An attempt to remove the cause of contention by force resulted in Nurse's being butted though not hard and Miss Josey kicked with viciousness In the confusion that ensued the rebel effected an escape from the scene of combat And the door of the sitting room being open Carolan trotted across the Government cocoanut matting of the landing with the intention of confessing his own misdeeds since Miss Josey was quite certain to report him at headquarters had not this often tested method of blunting the edge of retributory justice failed through his own fault For upon entering the large shabbily furnished room situated on the second floor of a gaunt gray stone building known as Block D Married Officers Quarters the room that served Captain Breagh and his second wife as sitting room dining room smoking room and boudoir Carolan became aware that his stepmother quite unconscious of his intrusion was dusting the china vases on the mantel shelf and was instantly possessed by the conviction that it would be huge fun to hide under the large round table that occupied the middle of the worn Brussels carpet and bounce out upon the poor lady when she turned making her say Ow! So the boy noiselessly dived under the deep hanging silk fringed border of the Indian shawl that covered the circular Pembroke table upon which were ranged about a central basket of wax fruit and flowers gilt frames with spotty daguerrotypes albums of scraps Books of Beauty containing the loveliest specimens of Early Victorian female aristocracy and Garlands of Poetry reeking with the sentimental effusions of Eliza Cook and L E L interspersed with certain card cases and paper knives of Indian carved ivory and sandal wood and other trifles of brass and filigree ware The big shabbily furnished second floor room had three windows

looking out upon the graveled expanse of the Parade ground and commanding a view of the flower bedded patch of sacred green turf inclosed by posts and chains that graced the front of the pillared pedimented and porticoed building that housed the Officers Mess And when the regiment got the route for another garrison town nearly everything the room contained from the Pembroke center table and chintz covered sofa to the secretaire at which Captain Breagh penned his letters the big leather covered arm chair in which he sat and the Bengal tiger skin hearthrug would be packed with the picture of the Duke of Wellington at the Battle of Vimiera and the chimney glass over which it always hung into wooden cases with the before mentioned chimney glass curtains and carpets beds baths uniform cases and a great number of other things and then after a period of rumbling confusion there would be a new sitting room looking on another barrack square other bedrooms and a fresh nursery and Carolan would forget the old ones in something under a week As a matter of fact the regiment had been shifted four times since its return from India when Carolan was little more than a baby and Monica and Alan and Baba were nowhere at all Now either Mrs Breagh occupied an unconscionable time in dusting the vases and making up the fire for her Captain who by reason of long service with the regiment in the East was susceptible to chill or Carolan with the mental instability shared by the child and the savage lost interest in his new project and abandoned it He was squatting silently in his hiding place when Miss Josey entered he heard her complaint noted down two spiteful exaggerations and one malicious falsehood and witnessed the exhibition of a bulgy ankle in a badly gartered white cotton stocking surmounting an elastic sided cloth boot When the governess withdrew consoled by Mrs Breagh s sympathy Nurse Povah was summoned from the other side of the landing by a tinkle of the hand bell and bore stout witness on the culprit s side
