**Illuminati Bible of Divine Light: Part one** Sorin Cerin,2021-07-10 With the appearance of my first philosophical studies but also of aphorisms I initially published the book entitled Bible of the Light and then a more complete form of the book Bible of the Light was the book entitled The Illuminati Bible so that in present to publish the full form of the Bible which I felt that it will be perfected with the help of God and which I decided to call the Illuminati Bible of Divine Light Some will wonder why I chose this name of The Illuminati Bible starting with that book published in 2014 the content of which is also in this book called the Illuminati Bible of Divine Light which in turn contains many other parts Simple Firstly because I wanted to help in Good the Karma of this World because Illuminati and Enlightenment are spoken of in negative terms and secondly because

Illuminati comes from Enlightenment and true Enlightenment cannot bring the Evil nor can it be the Evil vile True Enlightenment must be based only on Good and never on bringing the Evil as the supreme Wickedness Therefore in order to improve the Karma of Mankind I show that Enlightenment does not consist in Wickedness but in combating Wickedness The enlightened ones cannot be a hidden group of people who lead humanity out of the shadows committing all sorts of evils and abuses to maintain power These people are by no means Enlightened but Dark If there really are some in such a situation then they use the term Illuminati or Enlightened falsely How just as Dark are those who dirtyly attack on the true Illuminati or Enlightened only out of obscure interests of a religious nature for fear that the Enlightened ones might open the souls of the People and show them the Way to the Truth from which some high prelates that are at the head of certain churches flee who are afraid that if the Truth would be found they will lose both their financial and their decision making power I believe that the future will belong to those truly Enlightened the true Illuminati A thing is to use Evil to bring through it Good and another is to use Evil to bring through it the Wickedness The true Enlightened and not Dark are those who understand that the Evil can only be used for Good when he can do it and the Good only for the Evil less Evil when the Good itself can lead to destruction disaster or pain The real Bad People the Dark Ones are the ones who use both Good and Evil to do as much as possible Evil and not Good Mankind must understand that the Evil and Good the God and the Devil are an Entity with two distinct characteristics an Entity that defines our True God that is our Creator Factor and Unique Incidentally Therefore in order to improve the Karma of this World we will have to pray to the Universal Consciousness formed by the Universal Pure Language That is to pray to the Divine Light of all the Worlds the Supreme God of Intelligence which to inspire our thoughts so that to use in moderation both Good and Evil for the ultimate purpose of doing and bringing through us as much as possible Good Why didn't I let in continuation the name of the Illuminati Bible and to this new much deeper work of the Bible and call it the Illuminati Bible of Divine Light Because compared to the other book called the Illuminati Bible the Illuminati Bible of Divine Light contains in addition to the content of that book many other new chapters that appeared with the new Wisdom Collections or with the final form of the Coaxialism Sorin Cerin

**Self-Discovery and Identity** Chris Christian, 2022-01-11 This book has both revelation and expository knowledge of how a man can discover himself The book is like a loaded gun which points at darkness so as to bring people to light It spent its virtues on revealing the principles of self discovery and identity The revelation is so desperate in alleviating the pains and ordinariness of men by telling them who they are When a man discovers himself he becomes a supernatural man The clothing of men with the jacket of revelation and accomplishment of great exploit is an opportunity that is reserved for men who have discovered themselves It is only men who have discovered themselves that can take their place in God

*The Glitter Man* Suzie Leigh, 2010-04 Hannah Matthew's smooth olive skin turned pasty white and flat It pulled tightly over her frame leaving behind a flawless but unnatural finish that closely resembled a mannequin's She reached up to touch her face but her arm locked at the elbow freezing her limb

away from her side at a ninety degree angle It lodged squarely refusing to move any further She tried to speak but no words would form A cheesy smile had welded itself onto her lips one that would lead any passer by to believe she was quite content She could still speak but she couldn't wipe the grin off her face Her eyes remained frightened and frustrated despite the story her face told She had become trapped in the body of a mannequin Others had been destroyed in this building as well Nick Pearson had come here not long ago and his entire body had become covered in thick scars It happens to all of us Every day we live we die a little more Something makes us scarred and lethargic stealing our vivacity and our quality of life Is it circumstances or is it our choices History proves we can't prevent our own demise But what if there was someone who could

**Meet the Glitter Man** *The Man in the Iron Mask* Alexandre Dumas, 2001 In their final adventure the four Musketeers plot to replace King Louis XIV of France with the mysterious masked prisoner in the Bastille believed to be Louis falsely imprisoned twin brother and the true king

*Understanding the Strength of Focus* Chris Christian, 2022-11-04 This is a practical book that teaches about discovering reasons for living and focusing on them When men discover reasons for living and focus on them they share in the omnipotence of God Steps that lead to a place of honor must be followed in focus A snail that is moving unwaveringly in a given direction will arrive faster than a deer running helter skelter *Understanding the Strength of Focus* is a book that concentrates its attention on the following Energies and virtues are saved when they are channeled toward a given purpose The ability to be focused is the first principle of dominion Whatsoever men look at steadily they will see clearer Focus is an antidote against frustration and confusion Focused men can't be separated from the ruling power of God It is only vision that can guarantee focus Those who put their hands on kingdom plough are not expected to turn
