Balserak,2024-09-17 This study examines the ethical character of John Calvin and his Genevan colleagues evangelizing of
France It reveals that Calvin s plans for proselytizing his homeland involved lying deception and obfuscation which were
employed as a means of evading detection by the French authorities Balserak considers important questions about the
relationship between godliness and cunning about Calvin s manufacturing of his image and about the lengths to which he and
his colleagues went to spread their gospel **The History and Character of Calvinism** J.T. McNeill,1967-12-31 A

Calvin, A Biography Bernard Cottret,2003-05-22 A major new authoritative and comprehensive biography shedding
new light on the life and personality of the great Reformer and the milieu in which he lived and worked Cottret s Calvin is not
the static theologian of earlier biographies but a man of enormous vigour constantly on the move in his thinking as well as in
his life Professor Cottret introduces the reader to the world into which Calvin was born and follows him from childhood to
humanistic and literary pursuits in Basel to ministry in Geneva to the halcyon Strasbourg years and finally back to Geneva
The vital issues of the day are encountered as it were through Calvin s eyes as the author leads the reader through the
dramatic upheavals of sixteenth century Europe A classic biography which will be an indispensable resource for students and
scholars for years to come Praise for Calvin A tour de force Cottret has avoided the trap of painting a character who would
have had from the beginning all of the traits of his later years and endeavours to show how Calvin became Calvin Brilliant Le
Monde This excellent book regards the French Reformer with new eyes Cottret mixes seriousness and welcome humour For
the public interested in a history of Protestantism this book is full of reflections of the spirit of the Reformation Les Livres du
Mois Bernard Cottret is an accomplished and successful writer He has an idiosyncratic style that mixes narrative and
professional bon mots of a cold philosophical nature Cottret is also the first of recent biographers to make extensive use of
Calvin s sermons many of which languished unpublished until recently Calvin had grave doubts about the publication of such
works and thought them fit only for a local and transitory audience but it is here in this less guarded medium that Calvin s
skill as a teacher and expositor shines forth with greatest clarity English Historical Review **Catalogue of the Printed**

West,1920 **The Genevan Reformation and the American Founding** David W. Hall,2005-01-01 In this provocative study David W Hall argues that the American founders were more greatly influenced by Calvinism than contemporary scholars and perhaps even the founders themselves have understood Calvinism s insistence on human rulers tendency to err played a significant role in the founders prescription of limited government and fed the distinctly American philosophy in which political freedom for citizens is held as the highest value Hall s timely work countervails many scholars doubt in the intellectual efficacy of religion by showing that religious teachings have led to such progressive ideals as American democracy and freedom **The Complete Idiot's Guide to European History, 2nd Edition** Nathan Barber,2011-10-04 Fascinating fact filled writing that delivers hundreds of years in the life of the European continent Terrific supplementary reading for AP History students **The Story of Modern Progress** Willis Mason West,1923 **The American Review of Reviews** Albert Shaw,1909 **The Everything Christianity Book** Michael F Russell,Amy Wall,2004-02-10 A complete and easy to follow guide to Protestant origins beliefs practices and traditions Christians make up about one third of the world s population Among those two billion followers over 185 million are of the Protestant faith What are the differences between Protestant and Catholic Both are of the Christian faith right These questions and more are answered in The Everything Christianity Book an easy to read inclusive treatment to one of the world s oldest religions Among the many questions answered Who was Martin Luther When did the Protestantism split from the Catholic Church What are the differences between the different branches of Protestantism Presbyterian Methodist Baptist et al Do Protestant churches have a hierarchy similar to that of the Catholic Church How are Christian holidays observed from the Protestant perspective Christians and non Christians alike no matter what their denomination will gain a new understanding of the rich diversity and complexities of Protestant practices and traditions Full of facts and figures names dates and places The Everything Christianity Book is a stimulating thought provoking book on the Protestant faith Calvin's Political Theology and the Public Engagement of the Church Matthew J. Tuininga,2017-04-06 In Calvin s Political Theology and the Public Engagement of the Church Matthew J Tuininga explores a little appreciated dimension of John Calvin s political thought his two kingdoms theology as a model for constructive Christian participation in liberal society Widely misunderstood as a proto political culture warrior due in part to his often misinterpreted role in controversies over predestination and the heretic Servetus Calvin articulated a thoughtful approach to public life rooted in his understanding of the gospel and its teaching concerning the kingdom of God He staked his ministry in Geneva on his commitment to keeping the church distinct from the state abandoning simplistic approaches that placed one above the other while rejecting the temptations of sectarianism or separatism This revealing analysis of Calvin s vision offers timely guidance for Christians seeking a mode of faithful respectful public engagement in democratic pluralistic communities today **The Biography Book** Daniel S.
