This account is breathtaking in its scope and riveting in its research Sydney Morning Herald The gripping story of a small force of Australian Special Forces commandos that launched relentless hit and run raids on far superior Japanese forces in East Timor for most of 1942 These Australians were the men of the 2nd Australian Independent Company a special commando unit Initially stranded without radio contact to Australia the Japanese declared these bearded warriors outlaws and warned they would be executed immediately if captured The Australians drawn mainly from the bush were chosen for their ability to operate independently and survive in hostile territory As film maker Damien Parer said after visiting in Timor in late 1942 these men are writing an epic of guerrilla warfare Expertly researched by Paul Cleary who is fluent in Tetum the main language of the indigenous group of East Timor it also contains insightful black and white photos A cracker of a read

The Age Paul Cleary has brought to life one of the great success stories of World War II Daily Telegraph The Federal Reporter, 1888 Includes cases argued and determined in the District Courts of the United States and Mar May 1880 Oct Nov 1912 the Circuit Courts of the United States Sept Dec 1891 Sept Nov 1924 the Circuit Courts of Appeals of the United States Aug Oct 1911 Jan Feb 1914 the Commerce Court of the United States Sept Oct 1919 Sept Nov 1924 the Court of Appeals of the District of Columbia The Radical Right and the Murder of John F. Kennedy Harrison E. Livingstone, 2004 The Radical Right and the Murder of John F Kennedy Stunning Evidence in the Assassination of the President Harrison E Livingstone's major new book the fifth of his works on the death of JFK brings together for the first time all of the central evidence demonstrating a domestic Right Wing conspiracy rooted in Texas which assassinated the President on November 22 1963

The book represents forty years of work The book discusses in great detail the actual medical evidence and the forgery of the autopsy photographs and X rays which Mr Livingstone first exposed the alteration of the autopsy report the framing of the designated patsy Lee Harvey Oswald and the substitution and fabrication of every single piece of evidence It discusses the role played in the murder by some of the most powerful men in the country Lyndon Johnson J Edgar Hoover and Richard Nixon as well as the rich oil men and companies who backed them It then describes the cover ups by the media the major investigations over the years the FBI and the mind control cooperation at work in the case to misdirect researchers and the public The book describes in great detail the people and companies in Texas who planned and carried out the assassination It names names One recent investigation in the 90s followed Mr Livingstone s preceeding work and reinvestigated with the witnesses both he and the official investigations had talked to but this time took into consideration their documentation and what they had actually said and in a chapter this is his stunning new evidence from the U S government under President Clinton that is blowing the lid off the case Mr Livingstone first revealed to the Washington press corps in 1998 that there has been such a secret investigation and spoke for fifty minutes when the Assassination Records Review Board gave their final press conference As a result Mr Livingstone was on all major TV networks and on the Today show NBC with Katie Couric the next morning The book also contains the story of Dallas doctor Charles Crenshaw s law suit and the depositions of the editor and writer of the Journal of American Medical Association who libeled him in articles in 1992 Dr Crenshaw s book about trying to save Kennedy at Parkland Hospital shortly after the shooting came out on the same day as Mr Livingstone s major work on the medical evidence High Treason 2 were JAMA s targets and the depositions contain much discussion of Mr Livingstone s major impact on the JFK case This new book is to be followed closely by a sixth book entirely about the Zapruder film called The Hoax of the Century Decoding the Forgery of the Zapruder Film
