Employment and Training Administration,1980
Curriculum and Culture (RLE: Education) Leslie Claydon,Tony Knight,Marta Rado,2012-05-04 This book demonstrates how it is possible to value respect and utilise cultural diversity and yet achieve a good education for all The authors contend that few issues in education can be examined in isolation from the world outside This must surely apply to the question of cultural social and economic differences among children and this book continually emphasises the importance of a healthy social climate as well as mastery of language literacy and numeracy The book examines different teaching procedures and advises on curriculum construction and content especially the relationships between the teaching and learning of language and teaching and learning in a language In short the authors have examined the why the what and the how of schooling to accommodate educational diversity and have suggested an approach that is constructive and stimulating rather than simply therapeutic Hearings on the President's Youth Education and Employment Initiative United States. Congress. House. Committee on Education and Labor. Subcommittee on Elementary, Secondary, and Vocational Education,1980 Hearings United States. Congress. House. Committee on Education, *Hearings* United States. Congress. Senate. Committee on Labor and Public Welfare,1972 Productivity: a Selected Annotated Bibliography ,1980
