**Lesbian Love Addiction** Lauren D. Costine, 2015-11-05 Everyone makes mistakes in relationships at one time or another Sometimes they learn from those mistakes Other times they return to those behaviors and cycle through failed relationship after failed relationship Sometimes those behaviors become an addiction to love that may leave a person feeling unhappy unfulfilled lonely or worse Lesbian

Love Addiction Understanding the Urge to Merge and How to Heal When Things go Wrong makes visible the elements of love addiction that many lesbians suffer from Love addiction for lesbians comes in many forms Some struggle by sexually acting out and others are serial relationship junkies jumping from one relationship into the next Some are addicted to the high of falling in love and once that wears off don't know how to handle the day to day realities of a committed relationship Some are even addicted to fantasy and intrigue while others are love avoidants and sexual anorexics Love avoidants may be able to get into a relationship but once they are fully committed struggle with feeling smothered Others may avoid intimate or sexual relationships all together becoming sexually anorexic Some may even vacillate between all of these The underlying component and common denominator in all of these scenarios is the Urge to Merge Lesbian Love Addiction is designed to help ameliorate at least part of this problem Lauren D Costine offers insight for lesbians bisexual women in relationships with women queer women and more specifically any woman who loves women as well as their family and friends and health care professionals into the psychology of lesbian love addiction It will give those who struggle with and suffer from love addiction ways to understand cope and heal from this debilitating addiction It will give those who work with this population new tools to use to do this more effectively Mostly it will help lesbians understand their relationship failures and how to heal from problems associated with them so they may grow and cultivate happier more fulfilling connections in the future

**Forthcoming Books** Rose Army,2001-06      **The Codependency Workbook: How Anyone Can Recover from Toxic Relationships and Reclaim Their Self-Worth in 30 Days or Less** ALBAN COLE,2025-05-06 Rewrite your story and break free from the painful cycle of codependency Open a new chapter where you can live as the complete and authentic version of yourself embracing self discovery empowerment and independence Are you constantly seeking approval bending over backward to meet the needs of others even at the expense of your own well being Do you often neglect your own desires and boundaries in the process If your answer is yes then you may be exhibiting codependent behavior in one or more types of relationships in your life The main sign of codependency is consistently elevating the needs of others above your own In reality it presents a spectrum of pains and scars that run deep beneath the surface It can manifest in various relationships whether with a partner family member friend or coworker It thrives in environments where there is an imbalance of power emotional instability or a history of dysfunctional relationship dynamics Codependency is a challenging cycle of give and take and the only way out is through profound emotional healing personal growth and transformative change This book serves as your guiding light through the shadows of codependency offering insights practical strategies for coping and emotional intelligence and empathetic support so you can break free from its grip By exploring the roots of codependent behavior and providing actionable steps toward building healthier relationships this book will help you reclaim your autonomy and foster genuine connections based on mutual respect and trust Here is just a fraction of what you will discover within A step by step guided journey to the complete you rediscovering the love you have for yourself The spectrum of codependency

understanding the different ways it manifests in life and relationships Exercises for self reflection how to rediscover your needs and desires and foster a deeper connection with yourself How to master the art of unconditional self love so you can bring your complete self to relationships The paradox of people pleasing and why external validation is a honey trap here s a secret people pleasing pleases no one How to set and maintain wise and healthy boundaries in all areas of your life at home at work and in various social scenarios The key to healthy relationships how to write a new language of love for yourself and the people in your life And much more This book understands that change isn t easy especially when you ve given too much for too long It addresses breaking unhealthy habits building trust healing from trauma and enhancing mental health It s easy to say Just assert your wants and needs but taking action is an entirely different mountain to climb This book will help you find the inner strength and will you need to take action and combat codependency This is your sign to end the cycle Step out of the shadows of codependency and live your best most authentic life Scroll up and click the Add to Cart button right now
