The Marine Excursion Of The Knights Of Pythias:

The Canadian Short Story Reingard M. Nischik, 2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada's flagship genre It continues to attract the country's most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre's beginnings through the twentieth century A historical survey of the genre introduces the volume and a timeline comparing the genre's development in Canada the US and Great Britain via representative examples completes it The collection is geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story Reingard M Nischik is professor and chair of American Literature at the University of Constance Germany

Stephen Leacock Gerald Lynch, 1988 Gerald Lynch offers new insights into the work of a popular Canadian humourist in Stephen Leacock Humour and Humanity He considers Leacock's satire to be the result of a combination of two traditions Toryism and humanism and examines the relation between Leacock's theory of humour and his view of the world

My Financial Career and Other Follies Stephen Leacock, 2010-12-17 This original NCL collection brings together Leacock's comic masterpieces the many varieties of his remarkable humour In one story a young man is seized by fear as he attempts to open his first bank account In another Lord Ronald the beloved of Gertrude the Governess flung himself upon his horse and rode madly off in all directions In a third the Mariposa Belle sinks in the shallow waters of Lake Wissanotti Completing these timeless comedies are two of Leacock's own essays on humour
