## **The Majesty Of God Meditative Poetry:**

**The Majesty of God** Raymond S. Nelson, 2001-10-01 The Majesty of God traces the Creator's hand in nature and the cosmos but avoids traditional doctrine and dogma. In addition to broad views and wide ranging ideas the poet looks at elements like fire water wind earth cycles and the heavens as well as evidence of disasters that occurred on earth long ago and that will occur again. Yet with so clear an intention the poet wanders hither and yon to related ideas and images. As the subtitle Meditative Poetry suggests the reader is invited to linger over the words and images and ideas in short is invited to think about the wonder of our world. The author's son Stan Nelson Museum Specialist at the National Museum of American History Smithsonian in Washington D C has done twelve full page line drawings that enhance the text. The book sells for \$9.95 plus \$2.00 S and H and \$9 sales tax to Kansas residents. Raymond S Nelson 7301 Galoway Wichita KS 67212 and email rskmnels@aol.com

*God and Other Poems*, 1912      Doctrine and Devotion in Seventeenth-century Poetry R. V. Young, 2000 English devotional poets of 17c set in a wider European and Catholic context      Meditations on the Glory of God Samuel Whittamore Fowler, 2010-05 In these Meditations on the Glory of God Dr Fowler stimulates our sanctified imaginations to picture our Savior the One who shed His blood on Calvary for our sins in His thronal glory providentially governing passionately seeking the lost and programming our future. He helps us visualize in anthropomorphic splendiferous images the glory of God and enthusiastically describes the New Jerusalem. He brings to our sanctified imaginations the descriptions of the city and what it will be like to live there. He says: Imagine how it will be to live for God continually seeing His face continually finding new opportunities to serve Him within the splendorous and multicolored activity of that New Jerusalem. Dr Fowler also shares with his readers God's infinite fullness. All He is all He has done and is doing. Life is only life when life's meaning is to be filled with the knowledge of the glory of the Lord. Habakkuk 2:14. Samuel W Fowler was born November 30 1934 in Washington DC. He trusted Christ as his Savior October 12 1954. He received his Th.D. from Dallas Theological Seminary and was professor of Bible and Theology for 43 years. His unique teaching and preaching style reached many students who are now serving the Lord around the world. He also served as interim pastor and full time pastor in churches in Indiana Virginia and Maryland. His expertise in Bible and Theology and other fields of interest led to a rich inner life and a deep relationship with the Lord which has culminated in these Meditations on the Glory of God. Dr Fowler was ushered into the presence of His Glory on July 11 2008.      The Poems of Edward Taylor Edward Taylor, 2014-12-01 Now considered America's foremost colonial poet Edward Taylor was virtually unknown until some of his poems were discovered in the Yale library and published in 1937. The intellectual brilliance and the emotional intensity of his poetical meditations have led critics to compare him to John Donne and George Herbert. These poems are now recognized as one of the great achievements in American devotional literature.

Select Contemplations and Meditations. To which are added Divine poems ... Written by a young lady in her retirement, etc. [Signed, A. R.] A. R.,1739      **Poetic Meditations on Selected Scripture** John P. Davis,2021-05-07 This devotional of poetic meditations grew out of forty five years of expository preaching and self reflection The author s intermittent attempts at poetry reveal both his best and worst parts These poems reflect experience as a follower of Jesus an inward battle with sin shame sadness defeats yet always the word of God leads to the gospel of Jesus Christ and his victory his forgiveness his power his love and his hope Never without the realization of sinfulness and the sufficiency of the work of Jesus Christ many live daily on a continuum between these two poles of striving by faith to rest in Christ and agonizing over the heart s inclination to wander By God s grace and through his Spirit that movement may be more toward victory than defeat      *The Variorum Edition of the Poetry of John Donne, Volume 7, Part 2* John Donne,2021-01-05 Based on an exhaustive study of the manuscripts and printed editions in which these poems have appeared the eighth in the series of The Variorum Edition of the Poetry of John Donne presents newly edited critical texts of thirteen Divine Poems and details the genealogical history of each poem accompanied by a thorough prose discussion Arranged chronologically within sections the material is organized under the following headings Dates and Circumstances General Commentary Genre Language Versification and Style the Poet Persona and Themes The volume also offers a comprehensive digest of general and topical commentary on the Divine Poems from Donne s time through 2012      *Show Me Your Glory* Rebecca G. S. Idestrom,2023-02-10 What does Scripture mean when it speaks of the glory of God The answer to this question is not as straightforward as we might think In *Show Me Your Glory* Rebecca Idestrom invites the reader on a journey to discover what the Old Testament teaches us about God s glory While exploring this biblical theme she examines various scriptural passages about the glory of the LORD within their larger narrative context in each biblical book She also considers the different key words used for glory as well as the many diverse images and themes connected to God s glory This thematic investigation demonstrates that the Old Testament Scriptures present a deeply profound and multifaceted portrait of the glory of God Although it is impossible to fully capture what the Bible says about God s majestic glory *Show Me Your Glory* yields many wonderful insights into its depiction meaning and significance resulting in a deep and rich biblical theology of divine glory      *The Glory of the Lord* Hans Urs Von Balthasar,2013-05-30 In this second volume on the metaphysical traditions of the West von Balthasar presents a series of studies of representative mystics theologians philosophers and poets and explores the three main streams of metaphysics which have developed since the catastrophe of Nominalism The way of self abandonment to the divine glory is traced through figures like Eckhart Julian of Norwich Ignatius de Sales the attempt to relocate theology in a recovery of antiquity s sense of being and beauty through figures like Nicholas of Cusa Holderlin Goethe Heidegger the metaphysics of spirit through Descartes Leibniz Spinoza and the Idealists The strengths and weaknesses of these ways are relentlessly exposed The volume ends with the search for the Christian contribution to metaphysics      *Meditations in America, and Other Poems* William
