Kuefler,2015-06-18 Commanding its own museum and over 200 years of examination observation and scholarship the monumental embroidery known popularly as the Bayeux Tapestry and documenting William the Conqueror's invasion of England in October 1066 is perhaps the most important surviving artifact of the Middle Ages This magnificent textile both celebrated and panned is both enigmatic artwork and confounding historical record With over 1780 entries Szabo and Kuefler offer the largest and most heavily annotated bibliography on the Tapestry ever written Notably the Bayeux Tapestry has produced some of the most compelling questions of the medieval period Who commissioned it and for what purpose What was the intended venue for its display Who was the designer and who executed the enormous task of its manufacture How does it inform our understanding of eleventh century life And who was the mysterious Aelfgyva depicted in the Tapestry's main register This book is an effort to capture and describe the scholarship that attempts to answer these questions But the bibliography also reflects the popularity of the Tapestry in literature covering a surprisingly broad array of subjects The inclusion of this material will assist future scholars who may study references to the work in contemporary non fiction and popular works as well as use of the Bayeux Tapestry as a primary and secondary source in the classroom The monographs articles and other works cited in this bibliography reflect dozens of research areas Major themes are the Tapestry as a source of information for eleventh century material culture its role in telling the story of the Battle of Hastings and events leading up to the invasion patronage of the Tapestry biographical detail on known historical figures in the Tapestry arms and armor medieval warfare strategy and techniques opus anglicanum the Anglo Saxon needlework tradition preservation and display of the artifact the Tapestry's place in medieval art the embroidery's depiction of medieval and Romanesque architecture and the life of the Bayeux Tapestry itself      A History of England: The making of England, 55 B.C. to 1399 ,1992-01-01      **The English Way of Life** Henry Cassell Ruschmeyer,2021-04-27 The ethic of a people determines how they act in life situations requiring right and wrong behavior It can be seen in their daily activities by the words they say whether spoken or written and by the things they do both publicly and privately The English are no exception to this means of understanding why a people act the way they do whether at home or abroad in their own company or in the company of strangers A now retired Bishop of London was heard to say rather ironically and exasperatingly during a meeting of area clergy of the Westminster St Margaret Deanery and in response to a query by a young priest from a British Commonwealth country living in England for the past several years Haven't you realized by now that this is England where nothing is clear This response speaks to the many uncomfortable situations in which Englishmen find themselves to which there are no

apparent answers Mercifully the English fog can descend upon these awkward moments providing a temporary way out from the nagging truth Herein an attempt is made to penetrate fog and all trying to lay bare the mysteries of the English way of life by an American outsider who once lived and worked amongst the English people for seven years An inside look into the English legal political social educational commercial athletic international and religious institutions is explored by one who served as a clergyman in a central London parish and simultaneously as a teacher of religious studies at a private Church of England affiliated secondary school in south London

**The Detective as Historian** Ray B. Browne, Lawrence A. Kreiser, Jr, 2013-02 Readers of detective stories are turning more toward historical crime fiction to learn both what everyday life was like in past societies and how society coped with those who broke the laws and restrictions of the times The crime fiction treated here ranges from ancient Egypt through classical Greece and Rome from medieval and renaissance China and Europe through nineteenth century England and America Topics include Ellis Peter's Brother Cadfael Umberto Eco's Name of the Rose Susanna Gregory's Doctor Matthew Bartholomew Peter Heck's Mark Twain as detective Anne Perry and her Victorian era world Caleb Carr's works and Elizabeth Peter's Egyptologist adventurer tales

Invented History, Fabricated Power Barry Wood, 2020-11-16 Invented History Fabricated Power begins with an examination of prehistoric beliefs in spirits souls mana orenda that provided personal explanation and power through ritual and shamanism among tribal peoples On this foundation spiritual power evolved into various kinds of divine sanction for kings and emperors Sumerian Egyptian Greek Roman Indian Chinese and Japanese As kingships expanded into empires fictional histories and millennia long genealogies developed that portrayed imperial superiority and greatness Supernatural events and miracles were attached to religious founders Hebrew Hindu Buddhist Christian Islamic A unique variation developed in the Roman Church which fabricated papal power through forgeries in the first millennium CE and the later doctrine of discovery which authorized European domination and conquest around the world during the Age of Exploration Elaborate fabrications continued with epic histories and literary cycles from the Persians Ethiopians Franks British Portuguese and Iroquois Indians Both Marxists and Nazis created doctrinal texts which passed for economic or political explanations but were in fact self aggrandizing narratives that eventually collapsed The book ends with the idealistic goals of the current liberal democratic way of life pointing to its limitations as a sustaining narrative along with numerous problems threatening its viability over the long term

**The Shaping of the Celtic World** Patrick Lavin, 2011-11-08 The Shaping of the Celtic World traces the rise and decline of the great Celtic peoples Ranging from prehistoric to modern times it undertakes an examination of Celtic civilization revealing a proud and independent society with its unique history mythology pantheon of gods literature and artistry The romance of Celtic mythology is unsurpassed It introduces us to many intriguing legends of which the battles between the gods and giants are most alluring Emerging in the 6th century BC the Celts conquered and settled the greater part of Europe laying the foundation for western civilization Their contribution in shaping the modern world cannot be underestimated As Europe

languished in the barbarism of the Dark Ages the great heritage of Western Europe was endangered of being entirely lost but for the Celtic monks of Ireland and Britain who scribed and illuminated Europe's treasury of literature The book is written for the millions who proudly identify with their Celtic roots known today by their ethnic identities as Irish Scottish Welsh Manx Breton and Cornish This concise yet user friendly guide to ancient European history will be enjoyed by a variety of readers including students travelers history enthusiasts and those interested in their Celtic origins *Staging Power in Tudor and Stuart English History Plays* Kristin M.S. Bezio, 2016-03-09 *Staging Power in Tudor and Stuart English History Plays* examines the changing ideological conceptions of sovereignty and their on stage representations in the public theaters during the Elizabethan and early Stuart periods 1580-1642 The study examines the way in which the early modern stage presented a critical dialogue concerning the nature of sovereignty through the lens of specifically English history focusing in particular on the presentation and representation of monarchy It presents the subgenre of the English history play as a specific reaction to the surrounding political context capable of engaging with and influencing popular and elite conceptions of monarchy and government This project is the first of its kind to specifically situate the early modern debate on sovereignty within a popular culture dramatic context its purpose is not only to provide an historical timeline of English political theory pertaining to monarchy but to situate the drama as a significant influence on the production and dissemination thereof during the Tudor and Stuart periods Some of the plays considered here notably those by Shakespeare and Marlowe have been extensively and thoroughly studied But others such as Edmund Ironside Sir Thomas Wyatt and King John and Matilda have not previously been the focus of much critical attention **Feminist Theory, Women's Writing** Laurie A. Finke, 2018-03-15 In this rewarding book Laurie A. Finke challenges assumptions about gender the self and the text which underlie fundamental constructs of contemporary feminist theory She maintains that some of the key concepts structuring feminist literary criticism need to be reexamined within both their historical context and the larger framework of current theory concerning language representation subjectivity and value *The Middle Ages* Barbara A. Hanawalt, 1999-03-04 Beginning with the merger of Roman Christian and Germanic cultures this history of the Middle Ages covers a vast array of subjects including Byzantium and the Islamic world feudalism Church reform architecture the Crusades courtly love the Magna Carta and the Hundred Years War Author Barbara A. Hanawalt uses a lively and anecdotal writing style to bring history alive for young readers She delves into the telling details that young adults find fascinating such as the different kinds of armor and weapons used by knights on horseback and the terrifying spread of the Black Death through Europe in the 14th century Lavishly illustrated with art photographs documents artifacts and maps The Middle Ages also includes an index and suggestions for further reading **The Kregel Pictorial Guide to Christian Heritage in England** Daniel A. Scalberg, 2001-12-14 An illustrated full color guide that reflects important historical facets of England's unique contribution to the Christian faith *THE MAKING OF ENGLAND 55 B.C TO 1399* C.
