contribution to global arts and culture Horne assembles a galvanic story depicting what may have been the era's most virulent economic and racist exploitation as jazz musicians battled organized crime the Ku Klux Klan and other variously malignant forces dominating the nightclub scene where jazz became known Horne pays particular attention to women artists such as pianist Mary Lou Williams and trombonist Melba Liston and limns the contributions of musicians with Native American roots This is the story of a beautiful lotus growing from the filth of the crassest form of human immiseration
