*The Man from the Train* Bill James, Rachel McCarthy James, 2017-09-19 An Edgar Award finalist for Best Fact Crime this impressive open eyed investigative inquiry wrapped within a cultural history of rural America The Wall Street Journal shows legendary statistician and baseball writer Bill James applying his analytical acumen to crack an unsolved century old mystery surrounding one of the deadliest serial killers in American history Between 1898 and 1912 families across the country were bludgeoned in their sleep with the blunt side of an axe Jewelry and valuables were left in plain sight bodies were piled together faces covered with cloth Some of these cases like the infamous Villasca Iowa murders received national attention But few people believed the crimes were related And fewer still would realize that all of these families lived within walking distance to a train station When celebrated baseball statistician and true crime expert Bill James first learned about these horrors he began to investigate others that might fit the same pattern Applying the same know how he brings to his legendary baseball analysis he empirically determined which crimes were committed by the same person Then after sifting through thousands of local newspapers court transcripts and public records he and his daughter Rachel made an astonishing discovery they learned the true identity of this monstrous criminal In turn they uncovered one of the deadliest serial killers in America Riveting and immersive with writing as sharp as the cold side of an axe *The Man from the Train* paints a vivid psychologically perceptive portrait of America at the dawn of the twentieth century when crime was regarded as a local problem and opportunistic private detectives exploited a dysfunctional judicial system James shows how these cultural factors enabled such an unspeakable series of crimes to occur and his groundbreaking approach to true crime will convince skeptics amaze aficionados and change the way we view criminal history

Chesterton,Aeterna Press,2014 It is very difficult to classify The Man Who Was Thursday It is possible to say that it is a gripping adventure story of murderous criminals and brilliant policemen but it was to be expected that the author of the Father Brown stories should tell a detective story like no one else On this level therefore The Man Who Was Thursday succeeds superbly if nothing else it is a magnificent tour de force of suspense writing Aeterna Press The Man Who Didn't Fly Margot Bennett,2021-01-05 The British Library presents another captivating example of classic crime fiction written in the Golden Age of Murder Four men were due to fly to Dublin from England But when disaster struck and the plane went down over the Irish sea only three of them were on board With the identities of the flyers scattered to the winds the police turn to the Wade family whose patchy account and memory of their past few days hold the key to this elusive and tense mystery Who was the man who didn't fly And what did he have to gain by staying on the ground Proof in one classic crime novel that Margot Bennett's tight and suspenseful writing is long overdue rediscovery This British Library edition also includes the rare short story No Bath for the Browns **The Man in Blue Pyjamas** Jalal Barzanji,2011-09-30 An

*Thirty Years behind the Scenes with the Man in Black, Johnny Cash* Allen Laton, 2025-02-04

I'll be the first to tell anyone how blessed my life in music has been. How many can honestly say they met and became friends with their music idol? Very rare indeed. I had the blessing of meeting a legend in country music. I met Johnny Cash for the first time in 1973. After the first night I met Johnny Cash in Maryland before his show, I never dreamed. A few weeks later I would get a call from the man in black himself. We quickly became friends, and that friendship lasted until the day Johnny Cash died in 2003. Thirty years of blessed friendship. Johnny Cash introduced me to so many music legends, not only in country music but also in rock and roll and folk music. I am blessed to know the man in black and deeply thankful for his friendship.
