## **The Man Who Loved War:**

*The Man Who Started the Civil War* Anna Koivusalo, 2022-06-20 A fresh biography of a neglected figure in Southern history who played a pivotal role in the Civil War In the predawn hours of April 12 1861 James Chesnut Jr piloted a small skiff across the Charleston Harbor and delivered the fateful order to open fire on Fort Sumter the first shots of the Civil War In *The Man Who Started the Civil War* Anna Koivusalo offers the first comprehensive biography of Chesnut and through him a history of honor and emotion in elite white southern culture Koivusalo reveals the dynamic and at times fragile nature of these concepts as they were tested and transformed from the era of slavery through Reconstruction Best remembered as the husband of Mary Boykin Chesnut author of *A Diary from Dixie* James Chesnut served in the South Carolina legislature and as a US senator before becoming a leading figure in the South's secession from the Union Koivusalo recounts how honor and emotion shaped Chesnut's life events and the decisions that culminated in the cataclysm of civil war Challenging the traditional view of honor as a code Koivusalo illuminates honor's vital but fickle role as a source for summoning channeling and expressing emotion in the nineteenth century South

**Love, War, and Betrayal** Margaret McCulloch, 2014-07-02 Ernie Tennyson a southern Georgia farm boy is on the verge of becoming a man a dangerous time for a teenager in 1967 Before he knows it he has been drafted and is on his way to serve his country in Vietnam On his first mission he is brutally stabbed by the Viet Cong and left to die in the jungle where a young woman named Anna Ming finds him and rescues him Despite her best efforts to conceal his presence and their growing love from her father Ernie is captured by the North Vietnamese and imprisoned His time in the camp is so traumatic that he returns home to the United States a profoundly wounded man Stripped of his memory the soldier fights to readjust to civilian life Promised to another man Anna Ming must now conceal another secret the baby she carries Her enraged father sends her to China where she gives birth to a stillborn baby girl When Anna finally reaches Ernie by phone he doesn't know who she is Ernie is further confused when a Vietnamese woman named Laquan shows up and claims she is his wife forming an unwelcome presence in his life After a tragic accident brings his memory back he sends the romantic imposter back to Vietnam and tries to find Anna Shortly after Anna's father tells Ernie that she is dead the old man is murdered With the help of Anna's grandmother can Ernie solve the murder and finally marry the woman he loves

*War and Conflict Quotations* Michael C. Thomsett, Jean Freestone Thomsett, 2015-09-02 History is replete with pronouncements on war Some reflect on man's warlike nature We are quick to flare up we races of men on the earth Homer others deal with the practical strategies of the combatants If Hitler invaded hell I would make at least a favorable reference to the devil in the House of Commons Winston Churchill and still others offer advice for avoiding conflict The most disadvantageous peace is better than the most just war Desiderius Erasmus More than 2 700 quotations on war and conflict are presented in this reference work The quotations are arranged by more than 100 broad categories from action to winning For each the quotation is first given followed by its author the work in which it appeared when appropriate

and the date The book includes numerous cross references and keyword in context and author indexes are provided for further utility

Love, War and Curling Irons Leni Schick-Grehl, 2008-12 Journey with Leni through some most memorable stories of her parent s lives before she was born playful moments during her childhood and becoming of age during Nazi Germany and World War II This historical memoir will leave readers empowered and intrigued as they embark through the uncertainty and panic of the air raids and the destruction and poverty left by the war With nowhere to live Leni finds temporary haven in the basement of Werner Ihnen s barber shop where she works After months of uncertainty Germany surrenders and the allies assume power sparking a glimmer of hope and renewal Yearning for a fresh start in life Leni ventures to find her esteemed grandparents in Bremen Aumund Germany only to discover that an American sergeant has befriended her grandparents Spellbound by their first encounter the story ignites as two lives are changed by the circumstances of war that brought them together Cover

**The Reel Civil War** Bruce Chadwick,2009-08-19 During the late nineteenth century magazines newspapers novelists and even historians presented a revised version of the Civil War that intending to reconcile the former foes downplayed the issues of slavery and racial injustice and often promoted and reinforced the worst racial stereotypes The Reel Civil War tells the history of how these misrepresentations of history made their way into movies More than 800 films have been made about the Civil War Citing such classics as Birth of a Nation and Gone With the Wind as well as many other films Bruce Chadwick shows how most of them have until recently projected an image of gallant soldiers beautiful belles sprawling plantations and docile or dangerous slaves He demonstrates how the movies aided and abetted racism and an inaccurate view of American history providing a revealing and important account of the power of cinema to shape our understanding of historical truth

Women and Evil Nel Noddings,1991-05-08 Human beings love to fictionalize evil to terrorize each other with stories of defilement horror excruciating pain and divine retribution Beneath the surface of bewitchment and half sick amusement however lies the realization that evil is real and that people must find a way to face and overcome it What we require Carl Jung suggested is a morality of evil a carefully thought out plan by which to manage the evil in ourselves in others and in whatever deities we posit This book is not written from a Jungian perspective but it is nonetheless an attempt to describe a morality of evil One suspects that descriptions of evil and the so called problem of evil have been thoroughly suffused with male interests and conditioned by masculine experience This result could hardly have been avoided in a sexist culture and recognizing the truth of such a claim does not commit us to condemn every male philosopher and theologian who has written on the problem It suggests rather that we may get a clearer view of evil if we take a different standpoint The standpoint I take here will be that of women that is I will attempt to describe evil from the perspective of women s experience

**Humorous Wit** Djamel Ouis,2020-01-17 Humorous Wit is a new compilation of quotations in their most humoristic form There are over 15 000 of these taken from various parts of the world with over 1 200 of them translated into English for the first time This book

features 5 000 authors from every corner of the globe covering a period starting before classical antiquity when man first started to record his thoughts to modern times enriching the cultural heritage This does not in any way mean that the caveman was less humorous but the richness of the environment we live in today and the variety of subject matter contribute considerably to a refined sense of humour Moreover considering that chimps and other primates also possess the ability to laugh humour may have been around longer than the human race      *Frog One The War with God* Clyde

Washington,2021-07-15 This is a story of love and evil This is how evil will always try to control good How a boy has to be a man and how cruel people can be in today s time This is the story of falling in love with someone and never being able to share that love How that feeling led that boy to stay in the mental state that he felt robbed of everything he held dear The war he had was directed at God He had nothing to live for If he could see this God then he could have his revenge for making his life so strange But he would live through many trials and tribulations and learn that God had another plan for him It would be a mission impossible To live by faith and not by sight      *The Vietnam Reader* Walter Capps,2013-10-15 First

Published in 1990 Routledge is an imprint of Taylor Francis an informa company      **THE DIGGERS - The Australians in France** Patrick MacGill,2018-09-27 In this small ebook are but nine chapters which give an Australian perspective of their time spent on the Western Front in France The imperishable deeds of the Commonwealth s glorious soldiers least of all the Australians or Diggers have carved for themselves a deep niche in the topmost towers of the Temple of the Immortals The story of the valour of the Diggers will live throughout the ages and future generations of Australians will speak of them as we do of all the heroic figures of antiquity Their valour has covered Australia with a lustre that shines throughout the world so that her name which in 1914 was little known by 1918 had become a household word in the mouths of all the peoples of the earth The Great War made Australia a young community without traditions a nation acutely and proudly conscious of its nationality Upon that day some hundred years gone when in the grey of early dawn the first Australian soldier leapt upon an unknown shore and in the face of a murderous fire scaled the heights of Gaba Tepe a feat of arms almost unparalleled in the history of war the young Australian Community put on the toga of nationhood and in one stride entered on a footing equal to any other nation in the family of free nations of the earth Gallipoli scene of that most glorious attempt which though falling short of the promised success lost nothing of its greatness thy name is and forever will be held sacred to all When Gallipoli had been given up as a forlorn hope the soldiers of the Commonwealth were relocated to Europe s Western Front when in the Spring of 1918 the great German offensive pressed back and by force of numbers broke through the sorely tried British line the Australian divisions were hurried down from the North and rushed up to stem the German armies The story of the battles fought by the Australians before Amiens is amongst the most thrilling in the history of this great world conflict Here the fate of civilization was decided The great German army marching along the road in column of route like the armies of Napoleon a hundred years before reached the crest of high land overlooking Amiens and with but a few miles between them and the key

to Paris were held up by a veritable handful of Australians later reinforced as the rest of the Divisions came to hand It was the turning of the tide the fighting raged around Villers Bretonneux but the car of the German Juggernaut rolled forward no more An impassable barrier had been set up beyond which the enemy could not pass But the young soldiers of Australia not satisfied with arresting his onward march began to force the Hun back at first slowly and then faster and faster until in the great offensive of August 8 when along with four Divisions of Canadians and two British they swept him back in headlong rout nor gave him pause until breaking through the vaunted Hindenburg line they stood victorious at Beaurevoir The deeds of these brave men will remain forever fresh in the minds of the Commonwealth and Allied nations Australia has reason to be proud of her war effort she has done great things but she has paid a great price That a small community of just five million recruited and sent 330 000 men twelve thousand miles across the seas is a great thing The number dead 57 000 with total casualties 289 723 show how great the price Australia paid for Liberty Indeed it was the new colonies of South Africa New Zealand Australia and Canada which paid a heavy price in war dead It would only be another 21 years before they would be asked to pay yet again

**Where War Lives** Paul Watson, 2008-09-16 A Pulitzer Prize winning journalist takes us on a personal and historic journey from Mogadishu through Rwanda to Afghanistan and Iraq With the click of a shutter the world came to know Staff Sgt William David Cleveland Jr as a desecrated corpse In the split second that Paul Watson had to choose between pressing the shutter release or turning away the world went quiet and Watson heard Cleveland whisper If you do this I will own you forever And he has Paul Watson was born a rebel with one hand who grew up thinking it took two to fire an assault rifle or play jazz piano So he became a journalist At first he loved war He fed his lust for the bang bang by spending vacations with guerilla fighters in Angola Eritrea Sudan and Somalia and writing about conflicts on the frontlines of the Cold War Soon he graduated to assignments covering some of the world s most important conflicts including South Africa Rwanda Afghanistan and Iraq Watson reported on Osama bin Laden s first battlefield victory in Somalia Unwittingly Watson s Pulitzer Prize winning photo of Staff Sgt David Cleveland whose Black Hawk was shot down over the streets of Mogadishu helped hand bin Laden one of his earliest propaganda coups one that proved barbarity is a powerful weapon in a modern media war Public outrage over the pictures of Cleveland s corpse forced President Clinton to order the world s most powerful military into retreat With each new beheading announced on the news Watson wonders whether he helped teach the terrorists one of their most valuable lessons Much more than a journalist s memoir *Where War Lives* connects the dots of the historic continuum from Mogadishu through Rwanda to Afghanistan and Iraq

*Men At War: What Fiction Tells us About Conflict, From The Iliad to Catch-22* Christopher Coker, 2014-05-01 Since Achilles first stormed into our imagination literature has introduced its readers to truly unforgettable martial characters In *Men at War* Christopher Coker discusses some of the most famous of these fictional creations and their impact on our understanding of war and masculinity Grouped into five archetypes warriors heroes villains survivors and victims these characters range across 3000 years of history

through epic poems the modern novel and one of the twentieth century's most famous film scripts Great authors like Homer and Tolstoy show us aspects of reality invisible except through a literary lens while fictional characters such as Achilles and Falstaff Robert Jordan and Jack Aubrey are not just larger than life they are life's largeness and this is why we seek them out Although the Greeks knew that the lovers wives and mothers of soldiers are the chief victims of battle for the combatants war is a masculine pursuit Each of Coker's chapters explores what fiction tells us about war's appeal to young men and the way it makes and breaks them The existential appeal of war too is perhaps best conveyed in fictional accounts and these too are scrutinized by the author
