Frehling* Zack Green, 2007-01-01 This book has no plot It does have a deep surrealistic narrative filled with carefully planned story twists complex symbolism political intrigue and self referential satire but that implies nothing about a plot Rangsey Aaronson just out of grad school with a useless art history Ph D is moving into a new house and needs

to get some of his papers signed by the landlord William T Frehling However entering his landlord s office transports him into a strange alternate universe contained in the confines of one enormous mansion And what s worse Frehling is nowhere to be found Rangsey befriends a resident of the house named Tara and with her he sets off on a quest to find Frehling within this enormous acid trip finding themselves in a series of completely inconsequential situations along the way while constantly being hunted by a man with three eyes under his nose named well the man with three eyes under his nose The Rise of the Three-Eyed King Leah Z.
