The Marionette Master:

The Marionette Master Randolph H. Deer, 1994 *Chinese Theatre and the Actor in Performance* Jo Riley, 1997-06-13

This work gives an inside view of Chinese theatre and the actor in performance for the first time It challenges western theatre artists such as Brecht Grotowski Barba and Schechner who have extracted from Chinese theatre elements which might enrich their own theatres It is based on personal observations of and dialogue with Chinese actors experiences which were impossible before 1980 Riley s study is well illustrated with photographs and diagrams and is accessible to anyone interested in theatre even those with no knowledge of Chinese or Chinese theatre Puppet Master Joanne

Owen, 2011-06-02 From riches to rags Milena is growing up in the city of Prague at the turn of the twentieth century Her parents once prosperous theatre lies in disrepair and her life seems to be in ruins and has been since that fateful night her father died in a tragic accident and Milena s beautiful talented Mother went missing No trace of her has been found But Milena has never lost hope that she will come back The day she meets the flamboyant Puppet Master and his menacing protégés the twins Zdenko and Zdenka under the shadow of Prague s famous Astronomical Clock in the Old Town square is coincidentally the date of her mother s birthday And it s the day Milena s grandmother chooses to reveal to her the story of her ancestors and of her legacy Or perhaps it s not such a coincidence Joanne Owen s debut novel skilfully mingles the legends of Bohemia in a story rich in the traditions of circus theatre and magic all set in a city waiting to lay bare a myriad of secrets Longlisted for the Branford Boase Award 2009 and the Carnegie Medal **Technologies of Life and Death** Kelly

Oliver, 2013-06-05 The central aim of this book is to approach contemporary problems raised by technologies of life and death as ethical issues that call for a more nuanced approach than mainstream philosophy can provide To do so it draws on the recently published seminars of Jacques Derrida to analyze the extremes of birth and dying insofar as they are mediated by technologies of life and death With an eye to reproductive technologies it shows how a deconstructive approach can change the very terms of contemporary debates over technologies of life and death from cloning to surrogate motherhood to capital punishment particularly insofar as most current discussions assume some notion of a liberal individual The ethical stakes in these debates are never far from political concerns such as enfranchisement citizenship oppression racism sexism and the public policies that normalize them *Technologies of Life and Death* thus provides pointers for rethinking dominant philosophical and popular assumptions about nature and nurture chance and necessity masculine and feminine human and animal and what it means to be a mother or a father In part the book seeks to disarticulate a tension between ethics and politics that runs through these issues in order to suggest a more ethical politics by turning the force of sovereign violence back against itself In the end it proposes that deconstructive ethics with a psychoanalytic supplement can provide a corrective for moral codes and political clichés that turn us into mere answering machines **Mister Jack -- For Better Or**

for Worse Marvin Kaye, Edmond Rostand, 2010-04-01 This volume collects two Don Juan plays *Mister Jack* by Marvin Kaye

and Don Juan's Final Night by Edmond Rostand freely revised and adapted from *La Dernière Nuit de Don Juan* by Marvin Kaye Also included are an introduction with historical and staging notes plus an Afterword Mister Jack's Technique for Looking at Women

D. T. Suzuki on the Unconscious in Zen Art, Meditation, and Enlightenment Steve Odin, 2025-07-01 A comprehensive study of D T Suzuki's Zen philosophy and philosophical psychology in relation to his Buddhist understanding of the cosmic Unconscious This book explores how the Japanese philosopher D T Suzuki 1870-1966 developed an integral synthesis of Eastern and Western sources to establish a modern philosophical psychology of the cosmic Unconscious which he in turn used as the basis to interpret every aspect of Zen art meditation and enlightenment Beyond Freud's personal unconscious and Jung's collective unconscious according to Suzuki is the cosmic Unconscious of Zen which as absolute nothingness is the fountain of inexhaustible creative potentialities and the source of all Zen inspired arts The book demonstrates that like the Kyoto School of modern Japanese philosophy Suzuki's Zen endeavors to overcome the existential problem of nihilism or relative nothingness by shifting to the openness of absolute nothingness wherein emptiness is fullness and all things are disclosed in the evanescent beauty of their suchness Suzuki however formulates his scheme in terms of a depth psychology where the cosmic Unconscious is the encompassing locus of absolute nothingness Ultimately the book argues that by integrating both Eastern and Western views of the unconscious psyche including the different schools of Zen and Mahayana Buddhism as well as American French and German theories of the unconscious Suzuki's Zen concept of the cosmic Unconscious constitutes a significant original contribution to philosophical psychology

Of Starfish Tides and Other Tales Suzanne J. Willis, 2022-05-06 The seventeen stories in *Of Starfish Tides and Other Tales* take place at the edges of this world some veering more deeply into it others towards worlds on the other side With elements of fairy tales and folklore and occasional forays into dystopian futures its constant theme is a search for home and belonging and the darkness at the heart of that search Women stalk through these pages looking for the keeper of human hearts and a cruel map that will answer only to its true owner Faeries are more likely to seek revenge or a human soul than they are to grant wishes A man washes up on a pebbled beach his only means of communication being the haunting songs he plays on an old piano Elsewhere music is the language of love and sorrow and sometimes a weapon Stay awhile here and learn the secrets of a city built for a long gone lover and how to find the land of the dead Learn what it means to chart stories on human skin But remember that between these covers getting what one needs is often different from what one wants Suzanne J Willis is a chronicler of note a documenter of the glorious strange a creator of such wonders and horrors as might make a heart sing or the blood curdle from the introduction by Angela Slatter

Midnight Cowboy James Leo Herlihy, 2021-09-15 The basis for the Oscar winning buddy film There is no questioning the rampant power achieved through shriveling shattering scenes Kirkus Reviews *Midnight Cowboy* is considered by many to be one of the best American novels published since World War II The main story

centers around Joe Buck a naive but eager and ambitious young Texan who decides to leave his dead end job in search of a grand and glamorous life he believes he will find in New York City But the city turns out to be a much more difficult place to negotiate than Joe could ever have imagined He soon finds himself and his dreams compromised Buck s fall from innocence and his relationship with the crippled street hustler Ratso Rizzo form the novel s emotional nucleus This unlikely pairing of Ratso and Joe Buck is perhaps one of the most complex portraits of friendship in contemporary literature The focus on male friendship follows a strong path cut by Twain s Huck and Jim Melville s Ishmael and Queequeg Fitzgerald s Nick Carraway and Jay Gatsby and Kerouac s Sal Paradise and Dean Moriarty Midnight Cowboy takes a well deserved place among a group of distinguished American novels that write often with unnerving candor about those who live on the fringe of society Leaves the world of innocence that is muddied by sex for a world that is innocent in the midst of sex with a protagonist who is a sexual entrepreneur The New York Review of Books
