trickery to save themselves and others to find new directions for their lives and to declare their individual autonomies especially in societies that diminish and oppress women Through creative strategies depending on verbal facility psychological acuity and diplomatic know how these women tricksters better named trickstars uncover the absurdity hypocrisy and corruption in the larger patriarchal society Through the trickstar s efforts the system is circumvented or foiled often enlightened and usually improved This multicultural comparative study reveals universal human traits as well as gender differences between female and male tricksters and realizes the values and attitudes which shape the trickstar s character and behavior Trickstars also appear outside of the oral folktale tradition the author discusses their roles in contemporary feminist revisionist tales as well as in mythology biblical narratives Shakespearean comedy novels plays and opera How the female trickster differs from her male counterpart is for the first time in folklore studies illustrated through a comparison of their functions in the narrative scheme of the tale These functions include the diverting or amusing role the morally ambiguous or reprehensible role the role of the manipulator or strategist and the role of the transformer or culture bringer who reforms and improves the nature of her society Jurich delineates the specific types of tricksters who perform these functions suggests how trickstar tales variously affect listeners and readers and shows how particular types of trickstar characters contribute to the intent of the tale Feminist views of the protagonists are analyzed as well as contemporary revisionist tales which seek to reverse negative female images and to present independent women characters who can and do make positive contributions to society For the first time in folklore studies both female and male tricksters are defined and differentiated their functions are illustrated through analyzing narrative schemes and the term trickstar invented by the author is used to define and describe a female trickster *In the Forbidden land, an account of a journey in Tibet* Arnold Henry Savage Landor,1898 *A Journey with the Sun Around the World* William McMahon,1900 **Goal Sisters** Ann Leach,Michelle Beaulieu Pillen,2004 This exciting book explains how to find and work with a goal sister or a group of them to set and achieve goals from changing careers to losing weight to starting a relationship **Life of Sister St. Rita of Cascia of the Order of St. Augustine** José Sicardo,1916 *Connected Places* A. Feldhaus,2003-12-18 This book examines the words and actions of people who live in regions in the state of Maharashtra in Western India to illustrate the idea that regions are not only created by humans but given meaning through religious practices By exploring the people living in the area of Maharashtra Feldhaus draws some very interesting conclusions about how people differentiate one region from others and how we use stories rituals and ceremonies to recreate their importance Feldhaus discovers that religious meanings attached to regions do not necessarily have a political teleology According to Feldhaus There is also a chance even now that religious imagery can enrich the lives of individuals and small communities without engendering bloodshed and hatred *Her Journey's End* Frances Cooke,1911
