Situation Of Poetry:

The Situation of Poetry Robert Pinsky, 2020-10-06 In this book Robert Pinsky writes about contemporary poetry as it reflects its modernist and Romantic past He isolates certain persistent ideas about poetry's situation relative to life and focuses on the conflict the poet faces between the nature of words and poetic forms on one side and the nature of experience on the other The author ranges for his often surprising examples from Keats to the great modernists such as Stevens and Williams to the contents of recent magazines He considers work by Ammons Ashbery Bogan Ginsberg Lowell Merwin O'Hara and younger writers offering judgments and enthusiasms from a viewpoint that is consistent but unstereotyped Like his poetry Robert Pinsky's criticism joins the traditional and the innovative in ways that are thoughtful and unmistakably his own His book is a bold essay on the contemporary situation in poetry on the dazzling achievements of modernism and on the nature or situation of poetry itself

The Situation of Poetry; Four Essays on the Relations Between Poetry, Mysticism, Magic, and Knowledge [by] Jacques and Ra0issa Maritain [Translated from the Original French by Marshall Suther]. Jacques Maritain, Alfred Schutz's

Sociological Aspect of Literature Lester Embree, 2013-03-14 The maintext in the present volume has been constructed out of passages found scattered about in thirty five years of Alfred Schutz's writings and it has been constructed by following a page of notes for a lecture that he gave in 1955 under the title Sociological Aspect of Literature The result can be considered

the substance of Schutz's contribution to the theory of literature. More detail about how this construction has been performed is offered in the Editor's Introduction. The complementary essays are by scholars from Germany, Japan, and the United States from several generations and from the disciplines of anthropology, philosophy, and sociology. These researchers were invited to reflect in their own perspectives on the main text and in relation to matters referred to within and beyond it. Draft versions of most of these complementary essays were presented for critical discussion in a research symposium held at the Graduate Faculty of Political and Social Science of the New School for Social Research on April 28-29, 1995, under the sponsorship of The Center for Advanced Research in Phenomenology, Inc., Florida Atlantic University. The Department of Philosophy of The Graduate Faculty of the New School, Richard I. Bernstein Chair, and Evelyn and George Schutz, the philosopher's children, Revised versions of these presentations and also several essays subsequently recruited are offered to begin yet another stage in the history of scholarship on Schutz and the phenomenological research inspired by him. Northwestern University Press is thanked for permission to quote extensively from Alfred Schutz, *The Phenomenology of the Social World*, trans.
