Six Days Or Forever? Ray Ginger, 1974-11-14 *Six Days Or Forever?* Ray Ginger, 1958 **3 1-2 Days to Forever B.**
Craig Moore, 2024-08-28 3 1 2 Days to Forever is the book that unlocks the secrets of the identity of Mystery Babylon which are hidden in the name and number 666 of the beast all the while proving the meaning of the rapture The sum total of which is written in a sealed timeline until now Daniel the prophet and John the apostle both saw it and understood it and now it is time for you to know it The Bible the whole Bible is a clock which proves our story This world s days as we know them come to their end It is time for you to drop your religion and believe what God has been saying all this time A story the same story written from the beginning Genesis to the end Revelation All having the same purpose A proving of whose image will still be standing when the smoke clears Remember this is not an allegory this is literal The sixth trump nuclear war comes soon the first of three great end time battles that will end mankind s reign as kings with dominion over this earth Know this the name and the number of the beast are here right now Be warned Noah was a preacher of righteousness who proclaimed the end was coming and no one believed him Read this book and believe what the Bible says because when Jesus the Bible says something it means something that makes sense something that affects the whole world When you understand who s who and who the witnesses are everything becomes clear 3 1 2 Days to Forever proves the Bible s timeline and reveals the final reasons this piece of the master the Bible was given to mankind And that reason is so that we can all know when the Holy One of God will return Not the day and hour but a specific timeline to things past present and future We are the timekeepers

Six days or forever? Ray Ginger, 1969 **The Other Side of the Scopes Monkey Trial** Jerry Bergman, 2023-10-26 The enormous amount of literature on the Scopes Trial focuses on the religious elements of the trial It almost totally ignored the importance of racism as taught in the text that Scopes used to teach biology Bryan was not concerned about evolution in general but specifically human evolution He believed that Darwin s theory as applied to humans encouraged the oppression of certain oppressed groups Taking evolution s philosophy to its logical conclusion meant justifying survival of the fittest in social matters This philosophy he learned from his extensive reading about WWI was a major factor influencing the Germans to fight in the first World War Furthermore Bryan believed the citizens of Tennessee had a right to determine what their children were taught in the public schools Another fact that is rarely mentioned is the main fossil evidence cited in the trial documents and the press in support of human evolution has been discredited by evolutionists including Neanderthal man Piltdown man Java man and Nebraska man Scopes was not a biology teacher but rather taught math His college degree was not in biology but law He was not put on the stand to testify in his trial probably because he never taught evolution and could not honestly answer questions about teaching it This book covers the so called trial of the century telling the real story of a sham brought on by the ACLU to further their political and anti Christian goals *The Wentworth Genealogy* John Wentworth, 1878 *Forever Ours* Janis Amatuzio, MD, 2010-09-24 Forensic pathologist Janis Amatuzio has performed

thousands of autopsies She chose her line of work in part because it allowed her to help unravel the mystery of each person's death She found that by listening and talking to the loved ones of the deceased she could offer them some sense of closure In the course of her work she has heard extraordinary stories from grieving loved ones patients near death police officers clergy members and colleagues stories of spiritual and otherworldly occurrences concerning the transition between life and death From the experience of one of her first patients who on the day of his death told of being visited by a friend who had been dead forty years to incredible coincidences such as two daughters thousands of miles apart experiencing unexplained sensations at the precise moment their father passed away Dr Amatuzio began recording the stories she heard and filing them away *Forever Ours* presents these heartfelt accounts and honors the mystery of life and death exploring the realms of visions synchronicities and communications on death's threshold Told in the voice of a compassionate scientist and medical expert who sees death every day these stories eloquently convey the comfort Dr Amatuzio has found in what she sees and hears
