Sociology With Powerweb:

Sociology with PowerWeb Richard T. Schaefer, 2004 Like its predecessors the ninth edition of this text reflects Rick Schaefer's mission to bring readers a comprehensive up to date presentation that teaches them how to think critically about society and their own lives from a wide range of classical and contemporary perspectives Combining balanced coverage of theory with current research findings distinctive social policy sections examples of interest to students and abundant learning aids and exercises this text will help students develop a sociological imagination An optional package ISBN 0 07 321521 X combines the Schaefer Ninth Edition with both PowerWeb and Reel Society Interactive Movie 2 0 CD ROM The introductory sociology class provides the ideal laboratory in which to study our own society and those of our global neighbors The distinctive emphasis on social policy found in this text shows students how to use the sociological imagination in examining such public policy issues as sexual harassment the AIDS crisis welfare reform the death penalty and privacy and censorship in an electronic age Richard T Schaefer

Sociology Richard T. Schaefer, 2006 Like its predecessors the tenth edition of this text reflects Schaefer's mission to bring readers a comprehensive up to date presentation that teaches students how to think critically about society and their own lives from a wide range of classical and contemporary perspectives

Sociology Schaefer, 2005-03

Sociology Matters with PowerWeb Richard T. Schaefer, 2005-03 This is a low cost paperback condensed version of *Sociology A Brief Introduction Sixth Edition* The conciseness readability and highly focused coverage of *Sociology Matters* are designed to appeal to instructors who rely on several texts rather than on a single comprehensive textbook Its design and pedagogy are both straightforward and streamlined *Sociology Matters* features newly written chapter introductions and a unifying theme answering the question How does sociology matter After more than 30 years of teaching sociology to students in colleges adult education programs nursing programs an overseas program based in London and even a maximum security prison I am firmly convinced that the discipline can play a valuable role in teaching critical thinking skills Sociology can help students to better understand the workings of their own lives as well as of their society and other cultures Richard T Schaefer

Sociology Kenneth J. Neubeck, Davita Silfen Glasberg, 2004-05 This text offers students a lively provocative introduction to the principles of sociology It encourages students to develop what C Wright Mills called a sociological imagination enabling them to see how their position in society and in history shapes their personal lives Using a critical approach the authors raise analytical questions and explore the social forces that affect each individual's life and life chances While focusing on the influence of power and privilege on society's haves and have nots the authors suggest the need for social change

Sociology Richard T. Schaefer, 2003-01-01

Sociology Richard T. Schaefer, 2004 Three basic premises guide this highly successful introductory text first that theory and research must be both comprehensive and clear second that the text must show how sociology is relevant both to the study of society and to students' lives and third that sociology can play a valuable role in teaching critical thinking skills To that end this solid well

respected text combines a balanced three perspective approach with excellent student oriented examples and distinctive social policy sections in a concise presentation that offers an alternative to full length books **Sociology** Richard T.

Schaefer,2001-08 Three basic premises guide this highly successful introductory text first that theory and research must be both comprehensive and clear second that the text must show how sociology is relevant both to the study of society and to students lives and third that sociology can play a valuable role in teaching critical thinking skills To that end this solid well respected text combines a balanced three perspective approach with excellent student oriented examples and distinctive social policy sections in a concise presentation that offers an alternative to full length books **Sociology** Richard T.

Schaefer,2003 Like its predecessors the fifth edition of this concise text reflects Rick Schaefer s mission to bring readers a comprehensive up to date presentation that teaches them how to think critically about society and their own lives from a wide range of classical and contemporary perspectives Combining balanced coverage of theory with current research findings distinctive social policy sections examples and issues of interest to students and abundant learning aids and exercises this text will help students develop a sociological imagination In the aftermath of September 11 2001 sociology has been called on to explain the social consequences of the attacks The introductory sociology class provides the ideal laboratory in which to study our own society and those of our global neighbors Sociology can help students to better understand the workings of their own lives as well as of their society and other cultures Richard T Schaefer **Ri Im**
