Whispers of a Faded Love Mahammad Sami Shaik,2025-01-01 Whispers of a Faded Love is a collection of poems that tells stories about love heartbreak and the pain we often keep to ourselves Through honest and emotional writing it shows how it feels when someone you love walks away when trust breaks and when words go unsaid These poems speak to anyone who has ever felt the ache of loving someone who didn't love them back or the struggle of trying to move on when their heart isn't ready They capture those quiet moments when we put on a brave face for the world while hurting inside and the times we wish someone could understand our pain without us having to explain it The book explores how we sometimes hold onto love even when it hurts how we wait for people who never return and how we learn to heal even when we think we can't It shows both sides of love the beautiful moments that make our hearts soar and the painful ones that leave us feeling empty and alone Most importantly these poems remind us that it's okay to feel deeply hurt and to take time to heal They tell us that even in our darkest moments when love feels impossible and pain feels endless we're not alone in what we feel The book offers comfort to anyone who has ever loved deeply lost completely or is still waiting for their heart to feel whole again Whether you're going through heartbreak right now or just want to feel understood these poems feel like a warm hug and a gentle reminder that you're not alone in what you're feeling

Whispers of the Mist Andi Sulistiadi,Anthesianz, One day Sarep's child would read that letter somewhere down the road Perhaps when his mother grew old perhaps when Adun had returned to the earth like Sarep But when that moment came he would understand that love does not always come in forms the world can easily accept Sometimes love is the courage to stay even when never asked Sometimes love is guarding what can never be owned And sometimes love is letting go yet loving for a lifetime The rain fell again that night And on the fogged window memories never truly leave
