

The background of the entire slide is a deep space photograph. It features a dense field of stars of various magnitudes against a dark, velvety blue background. In the upper right quadrant, there is a prominent, glowing blue nebula with wispy, ethereal structures. The stars are scattered throughout, with some appearing as sharp points of light and others as soft, out-of-focus discs. The overall color palette is dominated by deep blues and purples, with the bright white and yellow of the stars providing high contrast.
