Soldier's Heart Elizabeth D. Samet, 2004-08-01 Elizabeth D Samet and her students learned to romanticize the army from the stories of their fathers and from the movies For Samet it was the old World War II movies she used to watch on TV while her students grew up on *Braveheart* and *Saving Private Ryan* Unlike their teacher however these students cadets at the United States Military Academy at West Point have decided to turn make believe into real life West Point is a world away from Yale where Samet attended graduate school and where nothing sufficiently prepared her for teaching literature to young men and women who were training to fight a war Intimate and poignant *Soldier's Heart* chronicles the various tensions inherent in that life as well as the ways in which war has transformed Samet's relationship to literature Fighting in Iraq Samet's former students share what books and movies mean to them the poetry of Wallace Stevens the fiction of Virginia Woolf and J M Coetzee the epics of Homer or the films of James Cagney Their letters in turn prompt Samet to wonder exactly what she owes to cadets in the classroom Samet arrived at West Point before September 11 2001 and has seen the academy change dramatically In *Soldier's Heart* she reads this transformation through her own experiences and those of her students Forcefully examining what it means to be a civilian teaching literature at a military academy Samet also considers the role of women in the army the dangerous tides of religious and political zeal roiling the country the uses of the call to patriotism and the cult of sacrifice she believes is currently paralyzing national debate Ultimately Samet offers an honest and original reflection on the relationship between art and life

A Soldier's Heart Raynold A. Gauvin, 2022-08-17 *A Soldier's Heart* is a moving and expansive memoir by Vietnam Veteran Ray Gauvin The story takes us from the French Ghetto of Presque Isle Maine and the descendants of the Acadians to military bases all over the country and to Vietnam and back Gauvin takes an unflinching look at life on the ground in Saigon and the horrors of the unusual and classified military posting of WDMET The ingenuity and work ethic he built to help support his family as a kid got him through both the loss of his father and the war But afterwards pushing himself to the edge with striving and responsibility became a compulsion that staved off the nightmare Silent about the classified mission of WDMET even to his family Gauvin wrestled on his own with the effects of Agent Orange and Post Traumatic Stress Disorder He became an entrepreneur a businessman and a philanthropist but PTSD kept him embroiled in an internal battle between his obsession to work his drive for success a search for peace of mind and thoughts of suicide But after fifty years of running from the past he turned about face and began the journey of remembering and healing This book is a must read for anyone seeking an inside look at one man's road to Vietnam and WDMET It also gives incredible insight into the history of francophone communities in Northern Maine
