A Firm Foundation David Nungester, 2019-12-06 The Church today is full of people who love God but have no idea what they believe about God other than that He loves them The teaching that God loves everyone so much that He sent Jesus to die for us is the beginning of our faith and absolutely necessary to become part of Christ's body on the earth However in order to grow more with God it is also necessary for the believer to begin to align their believing with the Word of God The

writer of Hebrews gives us clear foundational doctrine for the New Testament Church today These six fundamental doctrines are the basis on which the Church has been set Without a good understanding of these elementary principles the growth of the Church will be stagnant because we are trying to build something on a foundation different from what the Word instructs Throughout the reading of this book you will find thorough evidence using scripture after scripture that supports the doctrines that are laid out in Hebrews 6 1 2 As the Church builds on these doctrines and teaches them as the beginning of all good things for the people of God the Church will be positioned to soar to new heights that have yet to be seen in previous ages
