Solidarity And Survival A Vision For Europe:

Solidarity and Survival John Lambert, 1994 Provides a background to understanding the make or break time that lies ahead for the European Union This text evaluates the Union's ability to respond to the challenges it faces the rise of unemployment the planet wide threat to the environment and local conflicts within Europe Globalization, Self-Determination and Violent Conflict V. FitzGerald, F. Stewart, R. Venugopal, 2006-05-05 The authors show that with violent conflict in the developing world as the critical issue for the twenty first century and conflict prevention a central security problem for the developed and developing world self determination movements can only be understood and conflict prevented in the context of global economic and cultural forces **A Vision for Europe 2020** Rosemary Bechler, David Adler, 2020-01-05 An international all star cast of thinkers artists and policy makers joins forces for a transparent united democratic Europe This 2020 Edition features contributions by Kate Aronoff Bill McKibben Evgeny Morozov Jerome Roos and more The European Union was an exceptional achievement It brought together and in peace peoples speaking different languages and submersed in different cultures proving that it was possible to create a shared framework of human rights across a continent that was not long ago tormented by murderous chauvinism racism and barbarity It could have been the proverbial Beacon on the Hill showing the world how peace and solidarity may be snatched from the jaws of age old conflict and bigotry But things turned out differently Today a common bureaucracy and a common currency divide Europeans who were beginning to unite despite their different languages and cultures A confederacy of myopic politicians economically naive officials and financially incompetent experts submit slavishly to the edicts of financial and industrial conglomerates alienating people and stirring up a dangerous anti European backlash Proud peoples are being turned against each other Nationalism extremism and racism are being re awakened With contributions from some of the world's foremost thinkers artists and politicians covering the full spectrum of concerns for the future of the Union this volume presents realistic and viable alternatives to the mainstream barrage of dreadful prospects a true vision for Europe New Europe, New Germany, Old Foreign Policy? Douglas Webber, 2001 The contributions to this volume analyze how and the extent to which German foreign and European policy has changed since German unification **The Routledge Handbook of Gender in Central-Eastern Europe and Eurasia** Katalin Fábián, Janet Elise Johnson, Mara Lazda, 2021-07-25 This Handbook is the key reference for contemporary historical and political approaches to gender in Central Eastern Europe and Eurasia Leading scholars examine the region's highly diverse politics histories cultures ethnicities and religions and how these structures intersect with gender alongside class sexuality coloniality and racism Comprising 51 chapters the Handbook is divided into six thematic parts Part I Conceptual debates and methodological differences Part II Feminist and women's movements cooperating and colliding Part III Constructions of gender in different ideologies Part IV Lived experiences of individuals in different regimes Part V The ambiguous postcommunist transitions Part VI Postcommunist policy issues With a focus on

defining debates the collection considers how the shared experiences especially communism affect political forces organization of gender through a broad variety of topics including feminisms ideology violence independence regime transition and public policy It is a foundational collection that will become invaluable to scholars and students across a range of disciplines including Women s Gender and Sexuality Studies and Central Eastern European and Eurasian Studies

Social Quality:A Vision for Europe Laurent Van der Maesen,2001-01-31 This volume represents the outcome of two years of intensive debate about the future of Europe It aims to provide the European Union with a vision one that will unite all of its citizens and help to create the democratic legitimacy that the EU currently lacks It builds on the first book on social quality The Social Quality of Europe which introduced the concept and which has been enthusiastically received by both the scientific and policy communities The book develops three crucial elements of social quality the theoretical validity of the concept its practical application and its identity or genetic code It establishes an independent identity for social quality with a unique focus on the quality of the social which enables it to act as the rationale for economic social and cultural policies and therefore an escape route from the dominance of narrow economic thinking in policy making *Emmanuel Macron The Centrist Strategist* Sebastian Hale, Elected in a political upheaval Macron s technocratic vision aimed to bridge France s political divide The book explores his rise reforms and challenges in a polarized Europe Place, Space and the New Labour Internationalisms Peter Waterman,Jane Wills,2002-01-21 New interest in labour and union internationalism has developed over the last 10 15 years This collection co edited by scholars from an older and younger generation is a very original attempt to grapple with the challenges of globalisation for labor The collection includes contributions from academics and activists based in the North and South Evangelicalism in Europe Pieter J. Lalleman,Frank Hinkelmann,2025-08-31 What does the evangelical movement stand for In the twenty first century the term has become highly contested In August 2024 the Fellowship of European Evangelical Theologians met for its biennial conference in cooperation with the European Evangelical Alliance to explore evangelical identity in Europe with particular emphasis on unity in diversity This collection of essays and invited additional chapters was presented by national leaders and experts from across Europe Addressing pertinent issues for the movement in their diverse contexts the authors develop an evangelical theology outline the movement s history and current circumstances and provide sociological analyses of evangelicals This timely and important book shapes the future of evangelicalism reminding its readers that what lies at the heart of it no matter the location is faithfulness to the gospel of Jesus Christ and rejoicing in the good news that it brings to humanity **On Society** Anthony Elliott,Bryan S. Turner,2012-04-23 An erudite and original book that gets to grips with a central bone of contention in the social sciences and beyond what do we mean by society
