Solitary Rider:

"I Alone" Eduardo Garrigues, 2020-02-28 One of the unsung heroes of the American Revolution was Bernardo de Galvez governor of Spanish Louisiana and leader of armadas against the British in North America He took out one Redcoat fort after another culminating with the defeat of what was thought to be the impenetrable British forts at Pensacola Galvez positioned New Orleans as the port to ship arms and supplies up the Mississippi to the Continental Army His genius and valor in facilitating the independence of the thirteen American colonies from a European power were ironically recognized by another European empire Spain The Spanish crown promoted him to one post after another until he died serving as the viceroy of New Spain in Mexico City After exhaustive research seasoned novelist and diplomat Eduardo Garrigues brings to life Galvez s exploits filling in the previously unknown aspects of his personality psychological conflicts fears and doubts In addition to providing insights into the geo political context of Galvez s life he also sensitively depicts the courtship and loving relationship with his French Creole wife Felicitas de St Maxent who was considered below Bernardo s station in the lower but penniless nobility Garrigues weaves a truly American story of colonial life in early New Orleans detailing commerce and competition on the Mississippi colonist and Native American interaction slavery and women s subservience to men Catholicism in conflict with folk religion and European privilege over colonial merit Marching through these pages are historical figures such as Benjamin Franklin George Washington John Jay British generals Spanish military figures and even King Charles III of Spain The Lone Hand Joseph Bushnell Ames, 1926 **The Night Riders** Matt Laidlaw, 2017-04-01 Jim Gatlin rode into Cedar Creek hunting the man who had framed him for a crime he didn t commit Pinkerton agent Charlie Pine had located the real train robber called Hood but outlaws Hidalgo Wilson and River were also after him for the fortune locked away in a safe at Hood s home Why was Hood s location a dark secret even in Cedar Creek Why were Marshal Jax Silva and the two hard men Green and Mundt determined to keep it that way Against overwhelming odds Gatlin would have to face a bloody showdown and it would take all his skill and courage to unlock a truly shocking secret Abel Massinger; Or, The Aëronaut Thomas Tod Stoddart, 1846 *Paul Revere's Ride* David Hackett Fischer, 1995-04-19 One of the foremost American historians offers the first serious look at the events of the night of April 18 1775 what led up to it what really happened and what followed uncovering a story far more remarkable than the myths of tradition In Paul Revere s Ride David Hackett Fischer fashions an exciting narrative that offers deep insight into the outbreak of revolution and the emergence of the American republic Beginning in the years before the eruption of war Fischer illuminates the figure of Paul Revere a man far more complex than the simple artisan and messenger of legend Indeed this book returns Paul Revere to center stage in the events leading up to the American Revolution Forever Dies Christopher Percy, 2025-09-11 My name is Flendin the Blade and this is the end of my tale I am wounded by the loss of dear friends yet unable to engage with those that stay close to me Bent remains unconscious and Smidgen seems deeply and irrevocably changed since his resurrection The Bag I was

charged to protect now talks sings gurgles spits and curses It is determined like most things to bring me down a constant reminder that my life can never be the same again Esa was taken and I am a man obsessed driven to find my pregnant woman though I am convinced she is lost to a world of pain Desperately I look for signs that she still lives hoping for any hint of her but as the trail goes cold so does my heart and I sink further into hopelessness I feel so alone finding no comfort in a land growing more hostile with every step I take And then there are the two witches I know I lack the skills and the courage to defeat In the face of such dread opposition I cannot foresee my group of disparate Turned and thieves lasting much longer As the world closes in fast to finish me off only one thing seems certain in the end nothing lasts forever and everything dies
