Soloing Realizing Your Lifes Ambition:

Soloing Harriet Rubin, 2024-05-21 Soloing has two meanings going it alone and being complete in yourself But you don't just leave a company a career a paycheck and cross over to a more satisfying life There's more to it There is a mysterious passage to be negotiated a delicate transition required to go from alone in the desert to complete in yourself Harriet Rubin bestselling author of *The Princessa Machiavelli for Women* returns with inspiring advice for professionals dreaming of crossing over from a corporate world of prescribed boundaries to the limitless opportunities of soloing She describes how people can do great things things they would never be able to accomplish inside the corporate structure when they manage or lead no one As one successfully navigates the passage toward a truer sense of self that Rubin describes four invaluable freedoms await The first freedom is regaining your sense of identity Walk out of any big company and who are you stripped of that mighty identity Potentially bigger and better than before Who were you before the corporate you To get back one's sense of self is why people go solo The second freedom is independence Why is working alone so important in doing great work given that it's also the scariest part Imagine having complete command and control over your time and the work you do This is how soloists realize their great strengths They are reduced to themselves The third freedom is income You can earn in one year what you earned in two before Do you work harder to do this Yes Do you enjoy it more Yes Solo money is alive Unlike a salary doled out like an allowance from parents the money earned by soloing is a true emblem of a person's worth The fourth freedom is illumination A professional builds a career but a soloist builds a portfolio and a life free of boredom full of challenge Direct contact with work itself is direct contact with life With insights as diverse as Henry David Thoreau's I want to be sure the world doesn't change and Michael Jordan's response to the statement There's no I in team That's right but there is an I in win Rubin gives readers the chance to bring their dreams into alignment with reality **Professional**

Practice for Interior Designers Christine M. that no interior designer can afford to be without **On Spiritual Strivings** Cynthia B. Dillard, 2012-02-01 Winner of the 2008 Critics Choice Awards presented by the American Educational Studies Association This engaging book offers a personal look at how centering spirituality in an academic life transforms its very foundations its epistemology paradigm and methods and becomes the site for spiritual healing and service to the world Focusing primarily on her work in Ghana West Africa Cynthia B Dillard presents a unique perspective on Africa as a site for transformative possibilities for African American academics scholars and explores the deeper spiritual meanings of being African Through poetry personal narrative meditations and journal entries Dillard shares her experiences as an African American scholar and in the process provides a concrete example of what W E B Du Bois called spiritual strivings **Goal Sisters** Ann Leach, Michelle Beaulieu Pillen, 2004 This exciting book explains how to find and work with a goal sister or a group of them to set and achieve goals from changing careers to losing weight to starting a relationship *The Perfect Fit* Lynne Henderson Marks, Dominique Isbecque, 2002-10 Image Consulting has been identified as one of the top home based professions for the new millennium This is the first book that outlines in detail how to design an image consulting business the training you will need and how to market and promote your services Also included is a section on resources sample documents media lists and consulting tools and training This is a MUST HAVE if you want to start a successful image business The Entrepreneurial Self Ulrich Bröckling, 2015-11-09 This is a book about who we are today and how we have become who we are It is about the engineers of the modern soul the entrepreneurial self It is essential reading for all those who care about the incessant demands placed on us to become more than we are to become entrepreneurs of our selves to maximise and optimise our capacities in ways that align personal identity and political responsibility Professor Peter Miller London School of Economics Political Science Ulrich Bröckling claims that the imperative to act like an entrepreneur has turned ubiquitous In Western society there is a drive to orient your thinking and behaviour on the objective of market success which dictates the private and professional spheres Life is now ruled by competition for power money fitness and youth The self is driven to constantly improve change and adapt to a society only capable of producing winners and losers The Entrepreneurial Self explores the series of juxtapositions within the self created by this call for entrepreneurship Whereas it can expose unknown potential it also leads to over challenging It may strengthen self confidence but it also exacerbates the feeling of powerlessness It may set free creativity but it also generates unbounded anger Competition is driven by the promise that only the capable will reap success but no amount of effort can remove the risk of failure The individual has no choice but to balance out the contradiction between the hope of rising and the fear of decline Ulrich Bröckling is Professor of Cultural Sociology at the Albert Ludwigs University Freiburg Germany **Working Identity** Herminia Ibarra, 2004-01-05 How Successful Career Changers Turn Fantasy into Reality Whether as a daydream or a spoken desire nearly all of us have entertained the notion of reinventing ourselves Feeling unfulfilled burned out or just plain unhappy with what we're doing we long to make that leap into the unknown But

we also hold on white knuckled to the years of time and effort we've invested in our current profession In this powerful book Herminia Ibarra presents a new model for career reinvention that flies in the face of everything we've learned from career experts While common wisdom holds that we must first know what we want to do before we can act Ibarra argues that this advice is backward Knowing she says is the result of doing and experimenting Career transition is not a straight path toward some predetermined identity but a crooked journey along which we try on a host of possible selves we might become Based on her in depth research on professionals and managers in transition Ibarra outlines an active process of career reinvention that leverages three ways of working identity experimenting with new professional activities interacting in new networks of people and making sense of what is happening to us in light of emerging possibilities Through engrossing stories from a literature professor turned stockbroker to an investment banker turned novelist Ibarra reveals a set of guidelines that all successful reinventions share She explores specific ways that hopeful career changers of any background can Explore possible selves Craft and execute identity experiments Create small wins that keep momentum going Survive the rocky period between career identities Connect with role models and mentors who can ease the transition Make time for reflection without missing out on windows of opportunity Decide when to abandon the old path in order to follow the new Arrange new events into a coherent story of who we are becoming A call to the dreamer in each of us Working Identity explores the process for crafting a more fulfilling future Where we end up may surprise us *Orange Coast Magazine*, 2000-05 Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region bringing together Orange County's most affluent coastal communities through smart fun and timely editorial content as well as compelling photographs and design Each issue features an award winning blend of celebrity and newsmaker profiles service journalism and authoritative articles on dining fashion home design and travel As Orange County's only paid subscription lifestyle magazine with circulation figures guaranteed by the Audit Bureau of Circulation Orange Coast is the definitive guidebook into the county's luxe lifestyle
