Solomon to the Exile John Clement Whitcomb,1977 *Solomon to the Exile* John C. Whitcomb (Jr.),1971 *The Significance of the Ark Narrative* James M. Street,2009 The Significance of the Ark Narrative Literary Formation and Artistry in the Book of Chronicles argues that there is only one author responsible for the second part of the ark narrative 1 Chr 15 16 The lists and unique material that are found within the narrative play an important literary role in the work Other parts of the book of Chronicles such as the genealogies 1 Chr 1 9 and David s organization of the cult and civil servants 1 Chr 23 27 are also open to redaction criticism The findings suggest that they also require a single author This makes the role of the clergy one of the Chronicler s own emphasis which means that David s organization of the clergy portrays Israel as a cultic community It is worship planned by David and carried out under the authority of the Levites and priests that is consistently emphasized throughout the book Therefore the ark narrative should be viewed as the thematic and theological foundation of the book Symbol, Service, and Song J. Nathan Clayton,2021-11-09 In the Old Testament the Levites stand as key ministry leaders for the worship of the people of God from their origins with Moses and the tabernacle to their service at the Jerusalem temple to their roles in the postexilic period This study proposes a multidimensional reading of the texts centered on the Levites in the Davidic narratives of 1 Chronicles 10 29 From a literary point of view the notion that the Levites are closely associated with the symbol of God s presence is explored From a historical perspective the roles of the Levites in expanding the service to God and his people is examined And from a theological perspective the means by which the Levites facilitate the song of God s people is studied Overall this work seeks to defend the idea that these texts contribute significantly to the rhetorical argumentation the historiographic method and the biblical theological meaning of the canonical books of Chronicles generally and of the Davidic narratives of 1 Chronicles 10 29 specifically as they emphasize the central role played by proper Levitical worship leadership at the time of David and during the challenging situation of the Chronicler s Yehudite postexilic audience Daniel- Everyman's Bible Commentary John Whitcomb,1985-09-08 Designed for laypeople these commentaries deal seriously with the biblical text without being overly technical Introductory information doctrinal themes problem passages and practical applications are examined **The Layperson's Library** Robert A. Yost,2020-12-30 In the spirit of Cyril Barber s classic work from the 1970s The Minister s Library and the author s 2017 book The Pastor s Library Robert Yost provides the same expert guidance now for a lay audience Finally laypersons who desire to study the Bible have an invaluable resource for the acquisition of research tools as well as general Christian reading From general reference works such as Bible atlases and concordances commentaries devotional works and theological studies to Christian biography and fiction this book is a trustworthy guide through the multiplicity of books that just seem to keep rolling off the presses Overwhelmed by the proliferation of Christian books on the shelves This handy guide is the book for you Studies in Old Testament Characters Wilbert Webster White,1900 **The Pastor's Library** Robert A.
