**Thomas Streissguth**

## **Soviet Leaders From Lenin To Gorbachev:**

**The Rise and Fall of the Soviet Empire** Dmitrii Antonovich Volkogonov, 1998 Following his great trilogy of biographies of the giants who dominated the history of the Soviet Union Stalin 1991 Lenin 1994 and Trotsky 1996 Dmitri Volkogonov delves deeper into the Soviet archives to produce new character evaluations and political assessments of the seven leaders who ruled the Soviet Union from 1917 to 1991 A former general in the Soviet Army s propaganda department Director of the Institute for Military History and Defence Adviser to President Yeltsin from 1991 to his death from cancer in December 1995 Dmitri Volkogonov had unrivalled access to Soviet military archives Communist Party documents and secret presidential files Basing his new book on these inside sources he has continued his pioneering work of revealing the truth behind the activities of the world s most secretive political leaders He throws new light on Lenin s paranoia about foreigners in Russia his creation of a privileged system for top Party members Stalin s repression of the nationalities and his singular conduct of foreign policy the origins and conduct of the Korean War Khrushchev s relationship with the odious secret service chief Beria Brezhnev s vanity and stupidity the Afghan War Poland and Solidarity Soviet bureaucracy Gorbachev s Leninism and role in history

The Roots of Perestroika Sidney Ploss, 2014-01-10 With new information from Russian archives this work examines the historical roots of Gorbachev s perestroika and the reforms that would eventually lead to the dissolution of the Soviet Union The controversies among Soviet leaders from Lenin to Gorbachev over party role economic management resource allocation ethnic policies legality and foreign relations are discussed An appendix reads between the lines in historic Soviet texts and a helpful list of Soviet leaders with brief identifications is included Instructors considering this book for use in a course may request an examination copy here Soviet Leaders from Lenin to Gorbachev Thomas Streissguth, 1992 Surveys the history of the Soviet Union through the exploits and achievements of the seven men who were its leaders from 1917 to 1991 Vladimir Lenin Joseph Stalin Nikita Khrushchev Leonid Brezhnev Yuri Andropov Konstantin Chernenko and Mikhail Gorbachev

Autopsy For An Empire Dmitri Volkogonov, 1999-05-01 The late Dmitri Volkogonov emerged in the last decade of his life as the preeminent Russian historian of this century His crowning achievement is the account of the seven General Secretaries of the Soviet Empire in *Autopsy for an Empire* a book that tells the entire history of the Soviet failure Having utilized his still unequalled access to the Soviet military archives Communist Party documents and secret Presidential Archive Volkogonov sheds new light on some of the major events of twentieth century history and the men who shaped them We witness Lenin s paranoia about foreigners in Russia and his creation of a privileged system for top Party members Stalin s repression of the nationalities and his singular conduct of foreign policy the origins and conduct of the Korean War Khrushchev s relationship with the odious secret service chief Beria and his handling of the Cuban Missile Crisis Brezhnev s vanity and stupidity a new view of Poland and Solidarity the ossification of Soviet bureaucracy and the cynicism of the Politburo and Mikhail Gorbachev s Leninism and his role in history By profiling the seven successive Soviet leaders from Lenin to

Gorbachev Volkogonov also depicts in painstaking detail the progressive self destruction of the Leninist system In his clear eyed character assessments and political evaluations lucidly translated and edited by Harold Shukman Dmitri Volkogonov has once again performed an invaluable service to twentieth century history Russian Leaders Alexander Dragomiroff,2002 Russian Leaders A Bibliography With Indexes **Appearances of Soviet Leaders** ,1982 The Soviet Union Charles River Editors,2019-07-20 Includes pictures Includes a bibliography for further reading For 30 years much of the West looked on with disdain as the Bolsheviks took power in Russia and created and consolidated the Soviet Union As bad as Vladimir Lenin seemed in the early 20th century Joseph Stalin was so much worse that Churchill later remarked of Lenin Their worst misfortune was his birth their next worst his death Before World War II Stalin consolidated his position by frequently purging party leaders most famously Leon Trotsky and Red Army leaders executing hundreds of thousands of people at the least And in one of history s greatest textbook examples of the idea that the enemy of my enemy is my friend Stalin s Soviet Union allied with Britain and the United States to defeat Hitler in Europe during World War II Stalin ruled with an iron fist for nearly 30 years before his death in 1953 which may or may not have been murder just as Stalin was preparing to conduct another purge With his death Soviet strongman and long time Stalinist Nikita Khrushchev 1894 1971 who had managed to stay a step ahead of Stalin s purges if only because he participated in them became the Soviet premier Personal histrionics aside Khrushchev meant business when dealing with the West especially the United States and its young president John F Kennedy After sensing weakness and a lack of fortitude in Kennedy Khrushchev made his most audacious and ultimately costly decision by attempting to place nuclear warheads at advanced offensive bases located in Cuba right off the American mainland As it turned out the Cuban Missile Crisis would show the Kennedy Administration s resolve force Khrushchev to back down and ultimately sow the seeds of Khrushchev s fall from power By the time he died in 1971 he had been declared a non citizen of the nation he had ruled for nearly 20 years Leonid Brezhnev became First Secretary of the Communist Party in the Soviet Union in late 1964 after a plot to oust Khrushchev Little is remembered in the public imagination about Brezhnev in comparison to Mikhail Gorbachev Vladimir Lenin or Joseph Stalin despite the fact Brezhnev ruled the USSR from 1964 1982 longer than any Soviet leader other than Stalin In fact he held power during a tumultuous era that changed the world in remarkable ways and that era has been favorably remembered by many former Soviet citizens It marked a period of relative calm and even prosperity after the destruction of World War II and the tensions brought about by Khrushchev Foremost amongst Brezhnev s achievements would be the détente period in the early 1970s when the Soviets and Americans came to a number of agreements that reduced Cold War pressures and the alarming threat of nuclear war Mikhail Gorbachev was chosen as the new General Secretary at the relatively young age of 54 in March 1985 Gorbachev hoped to build the Soviet economy to relieve the persistent shortages of consumer goods it faced which were caused by enormous military spending of the Soviet Union Gorbachev tried to introduce some economic reforms but they were blocked

by communist hardliners Gorbachev then came to the belief that the Soviet economy could not improved without political reform as well In comparison with other Soviet leaders Gorbachev was leader of the USSR for a relatively short period but the changes that took place under his leadership were monumental including some that were intended and others that were unforeseen Gorbachev oversaw the end of the Cold War and the peaceful transition away from communism in Central and Eastern Europe and he ended the war in Afghanistan and many other proxy conflicts in the developing world Gorbachev improved relations with the West and developed enough trust with President Ronald Reagan and President George H W Bush to decommission thousands of nuclear weapons      *Political Culture and Leadership in Soviet Russia* Robert C. Tucker,1987

*Leaders of Russia and the Soviet Union* John Paxton,2013-08-21 This reference work surveys the leaders of Russia and the Soviet Union from Michael the first Romanov tsar in 1613 through the creation and dissolution of the Soviet Union to the present day President of the Russian Federation Vladimir Putin Chronologically arranged these biographies paint a thorough yet succinct portrait of 30 leaders including discussion about the family and education of each ruler important legislation events and wars under each leader s rule and each leader s achievements and impact on Russia or the Soviet Union

**Lenin's Brain and Other Tales from the Secret Soviet Archives** Paul R. Gregory,2013-09-01 An enlightening look into the once secret Soviet state and party archives that Western scholars first gained access to in the early 1990s Paul Gregory breaks down a decades old wall of secrecy to reveal intriguing new information on such subjects as Stalin s Great Terror the day to day life of Gulag guards the Soviet invasion of Afghanistan the scientific study of Lenin s brain and other fascinating tales      **Lenin to Gorbachev** Joan Frances Crowley,Dan Vaillancourt,1989 This brief work examines Marx s ideas and the three generations of Soviet communists that followed him the revolutionaries the social architects and the businessmen In *Lenin to Gorbachev* the authors introduce communism through a focus on the turbulent history of the USSR and its leaders Since the book was first published in 1987 the world has witnessed the end of the Soviet Union and the continuing power struggle between hard liner communists and reformers In a special supplement added in 1994 the authors provide a postmortem of the Gorbachev administration and an introduction to Yeltsin the reformer and the uncertain future of the independent Russian states Provided by Publisher      **Soviet Succession Struggles** Anthony D'Agostino,2024-04-12 *Soviet Succession Struggles* 1988 is a key study of the history nature and development of Soviet politics and politicians from the earliest days of Soviet Russia up to the rise of Gorbachev It examines the power struggles between opposing factions within the Soviet leadership and identifies two main political standpoints that were always vying for ultimate control of the Communist State      **Government Leaders, Military Rulers and Political Activists** David W. Del Testa,2014-01-27 In each volume an introductory essay outlines of history of the disciplines under discussion and describes how changes and innovations in these disciplines have affected our lives The biographies that follow are organized in an A Z format each biography is divided into a life section describing the individual s life and influences and a legacy section summarizing the

impact of that individual's work throughout history. These biographies cover a diverse group of men and women from around the globe and throughout history. Franklin Delano Roosevelt, Mao Tse-tung, and Genghis Khan are among the 200 well-known historical figures included in this volume. Examples of other lesser-known yet important individuals covered in this work are Gustavus Adolphus, Swedish empire creator; Hatshepsut, queen of ancient Egyptian dynasty; and Jean Jaurès, French socialist leader and pacifist. Each synopsis provides information on each individual's enduring impact on the common understanding of fundamental themes of human existence.

**Collective Leadership in Soviet Politics** Graeme Gill, 2018-03-21. This book studies the way in which the top leadership in the Soviet Union changed over time from 1917 until the collapse of the country in 1991. Its principal focus is the tension between individual leadership and collective rule, and it charts how this played out over the life of the regime. The strategies used by the most prominent leader in each period—Lenin, Stalin, Khrushchev, Brezhnev, and Gorbachev—to acquire and retain power are counterposed to the strategies used by the other oligarchs to protect themselves and sustain their positions. This is analyzed against the backdrop of the emergence of norms designed to structure oligarch politics. The book will appeal to students and scholars interested in the fields of political leadership, Soviet politics, and Soviet history.

*Sovietology in Post-Mao China* Jie Li, 2023-02-13. The breakup of the Union of Soviet Socialist Republics (USSR) in 1991 had significant repercussions on Chinese politics, foreign policy, and other aspects. In this book, Jie Li examines the evolution of Chinese intellectual perceptions of the Soviet Union in the 1980s and 1990s, before and after the collapse. Relying on a larger body of updated Chinese sources, Li re-evaluates many key issues in post-Mao Chinese Sovietology, arguing that the Chinese views on the Soviet Union had been influenced and shaped by the ups and downs of Sino-Soviet and later Sino-Russian relations, China's domestic political climate, and the political developments in Moscow. By researching the country of the Soviet Union, Chinese Soviet watchers did not focus on the USSR alone but mostly attempted to confirm and legitimize the Chinese state policies of reform and open door in both decades. By examining the Soviet past, Chinese scholars not only demonstrated concern for the survival of the CCP regime but also attempted to envision the future direction and position of China in the post-communist world.

**Problems of Communism**, 1989 **Gorbachev's Revolution, 1985-1991** Anthony D'Agostino, 2016-07-27. This detailed and scholarly history, based on contemporary and original sources, explains the fall of Soviet Communism by bringing into focus the process of revolution from above. It finds as its cause Gorbachev's relentless political struggle to raise himself above the collective leadership which brought him to power. Gorbachev's Revolution, 1985-91, examines the impact of the SDI and other US arms programmes of the early 1980s, which provided a stimulus for both Gorbachev's domestic reforms and his arms control initiatives. Perestroika originally intended to show the world that a new Soviet foreign policy was based on real changes in Soviet society; however, Gorbachev launched its most radical measures in order to get an edge on his Politburo critics. Glasnost originally meant to be a strictly controlled process, furnishing an argument for piecemeal economic reforms. This multi-faceted volume provides a wide

ranging and revisionist analysis of this fascinating and influential period in Soviet and international history      **Modern China** Geeta Kochhar, 2019-02-12 This book looks at the transition of modern Chinese society in terms of its culture and literature Since the economic reforms and open door policy in 1978 the Chinese society has undergone a drastic transformation It is headed towards becoming an ultra modern advanced society and a world superpower Among the pillars of great change are the advances in technology and communication that have reshaped Chinese society This volume explores China's march towards modernity in the 21st century as defined by its own terms It discusses China's social structure ageing population gender stratification marriages cultural identity cosmopolitanism its history of communism law economic reforms financial institutions and challenges of the global markets The book sheds light on Chinese literature and media and brings out various facets of social changes across time With its topical debates and issues this volume will be useful to scholars and researchers of Chinese studies East Asian studies geopolitics area studies international relations politics and foreign policy along with think tanks and those in media and journalism      *Inside the Kremlin* Pey-Yi Chu, Gregory Francis, Selena Lai, 2004

**What Happened to the Soviet Union?** Christopher I. Xenakis, 2002-09-30 Xenakis examines the responses of Soviet experts in American academia primarily political scientists but also economists and defense scholars who specialized in the USSR to the unfolding evidence of Soviet reform during the 1970s and 1980s and to its ultimate collapse He concludes that American Sovietologists and other political scientists were more responsive to the Cold War consensus to the needs of the State Department Defense and CIA policy makers and to the official Washington line of the moment than to the changing face of the Soviet Union As Xenakis makes clear many of the Cold War ideas and attitudes shared by Sovietologists the notion that the USSR was an evil empire the idea that Soviet society was irredeemably xenophobic and indolent that the Soviet political and economic system could not be fixed or reformed and the view that the best way for Washington to deal with Moscow's influence was to contain the USSR through arms races global and proxy wars were reminiscent of the policies and arguments of the Truman and Eisenhower administrations not to the facts on the ground in the 1970s and 1980s An important work for scholars students and researchers involved with Soviet and Russian studies international political and military affairs intellectual history and the relationship between academia and the government

### **Soviet Leaders From Lenin To Gorbachev Introduction**

Soviet Leaders From Lenin To Gorbachev Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Soviet Leaders From Lenin To Gorbachev Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Soviet Leaders From Lenin To Gorbachev : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Soviet Leaders From Lenin To Gorbachev : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Soviet Leaders From Lenin To Gorbachev Offers a diverse range of free eBooks across various genres. Soviet Leaders From Lenin To Gorbachev Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Soviet Leaders From Lenin To Gorbachev Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Soviet Leaders From Lenin To Gorbachev, especially related to Soviet Leaders From Lenin To Gorbachev, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Soviet Leaders From Lenin To Gorbachev, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Soviet Leaders From Lenin To Gorbachev books or magazines might include. Look for these in online stores or libraries. Remember that while Soviet Leaders From Lenin To Gorbachev, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Soviet Leaders From Lenin To Gorbachev eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Soviet Leaders From Lenin To Gorbachev full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Soviet Leaders From Lenin To Gorbachev eBooks, including some popular titles.

## FAQs About Soviet Leaders From Lenin To Gorbachev Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Soviet Leaders From Lenin To Gorbachev is one of the best book in our library for free trial. We provide copy of Soviet Leaders From Lenin To Gorbachev in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Soviet Leaders From Lenin To Gorbachev. Where to download Soviet Leaders From Lenin To Gorbachev online for free? Are you looking for Soviet Leaders From Lenin To Gorbachev PDF? This is definitely going to save you time and cash in something you should think about.
