Soviet Policy Toward East Germany Reconsidered The Postwar Decade

David R. Marples

Soviet Policy Toward East Germany Reconsidered The Postwar Decade:

Soviet Policy Toward East Germany Reconsidered Ann Phillips, 1986-10-16 This new study analyzes Soviet political and economic policies toward East Germany from 1945 to 1955 focusing on the transition from ambivalence to support. In her introduction Phillips outlines the postwar situation and reviews differing interpretations of Soviet policy. She reviews the issues of postwar settlement relating to East Germany and describes the conflicts within the Soviet leadership over German policy. Discussing Soviet economic exploitation of Germany and the harsh reparations policy, she contrasts these developments with the relatively moderate Soviet policies of socialization implemented in the same period, including improved consumption, economic aid, and toleration of private trade and production. She analyzes the factors that undermined the stability of the Ulbricht regime and culminated in the June 1953 uprising, creating an abrupt change of direction in Soviet policy toward the German Democratic Republic and East European bloc that existed prior to 1953. She argues that Soviet policies during the immediate postwar period were ambivalent, serving a mix of political and economic goals that were often incompatible, and that the Soviet commitment to incorporate East Germany into the Soviet bloc was not evident until after mid 1953.

Reexamining Soviet Policy Towards Germany During the Beria Interregnum James Richter, 1992 This article examines recent disclosures about Soviet decisionmaking towards Germany in the period from Stalin's death in March 1953 until Beria's arrest in late June of that same year. Many historians and political scientists have wondered if there might have been a chance during this short period to reunify Germany more than thirty years before Gorbachev came to power.

Page 1 **Soviet Foreign Policy 1917-1991** Jr. Fleron, 2017-07-05 The purpose of this anthology is to deepen Western understanding of the sources and substance of the foreign policy of the Soviet Union. Authoritative analysts here explore significant issues in Soviet foreign relations from the era of the Bolshevik Revolution and the Civil War to the period of reform that preceded the final collapse of the Soviet system. The volume is designed for courses in Soviet political history, diplomatic history, comparative foreign policy, and the mainstream of international relations. *East German Historians since Reunification* Axel Fair-Schulz, Mario Kessler, 2017-06-29 Surveys how reunification in 1990 impacted historical scholarship in the former East Germany. With German reunification and the demise of the German Democratic Republic in 1990, East German historians and their traditions of historiography were removed from mainstream discourse in Germany and relegated to the periphery. By the mid 1990s, few GDR-trained historians remained in academia. These developments led to a greater degree of intellectual pluralism, yet marginalized many accomplished scholars. *East German Historians since Reunification* assesses what was gained and lost in the process of dissolving and remaking GDR institutions of historical scholarship. The collection combines primary and secondary sources; younger scholars offer analyses of East German historiography, while senior scholars who lived through the dismantling process provide firsthand accounts. Contributors address broad trends in scholarship as well as particular subfields and institutions. What unites them is a willingness to think critically about the

achievements and shortcomings of GDR historiography and its fate after German reunification **Eastern Europe in the Postwar World** NA NA,2016-04-30 **The German Question and the International Order, 1943-48** N.

Lewkowicz,2010-09-30 An analysis of the German Question s influence on the origins of the Cold War arguing that the legal and diplomatic intercourse between the Allies regarding the treatment of the German Question brought forward the elements of intervention and coexistence which formed the basis for a relatively peaceful postwar international order

Contemporary Issues in Soviet Foreign Policy Erik Hoffmann,2017-09-04 This survey of writings on the debates about and events relating to Soviet foreign policy concentrates on the Gorbachev period Changes in Soviet theory and foreign policy decision making are covered in the first section Twelve articles examine Gorbachevs policy towards a number of different geographic regions and several more assess the permanence of Gorbachevs foreign policy changes **The Soviet**

Occupation of Germany Filip Slaveski,2013-10-17 A major account of the Soviet occupation of postwar Germany and the beginning of the Cold War **Harold Macmillan and the Berlin Wall Crisis, 1958-62** J. Gearson,1998-01-12 Drawing on newly released government papers John Gearson assesses the development of Harold Macmillan s foreign policy during the Berlin Wall Crisis Tracing the bitter alliance disputes of the crisis Dr Gearson shows how Macmillan s attempts to chart an independent course crucially undermined his standing with his European partners and revealed his confused approach to European security Berlin is placed at the centre of consideration of British foreign policy making this book an important contribution to the historiography of the period Central Europe Since 1945 Paul G. Lewis,2014-01-14 Central Europe

here Poland the German Democratic Republic Czechoslovakia and Hungary is at the centre of international attention since the Soviet collapse An understanding of its postwar history is critical to an appreciation of the challenges facing its present rulers This is an engrossing account of the installation development operation and eventual downfall of its very different communist regimes and the transition to the freedoms and uncertainties of the post Soviet world The book covers political economic social and cultural change emphasising the crucial relationships with the USSR throughout **Does Conquest**

Pay? Peter Liberman,1998-08-03 Can foreign invaders successfully exploit industrial economies Since control over economic resources is a key source of power the answer affects the likelihood of aggression and how strenuously states should counter it The resurgence of nationalism has led many policymakers and scholars to doubt that conquest still pays But until now the cumulativeness of industrial resources has never been subjected to systematic analysis Does Conquest Pay demonstrates that expansion can in fact provide rewards to aggressor nations Peter Liberman argues that invaders can exploit industrial societies for short periods of time and can maintain control and economic performance over the long term This is because modern societies are uniquely vulnerable to coercion and repression Hence by wielding a gun in one hand and offering food with the other determined conquerors can compel collaboration and suppress resistance Liberman s argument is supported by several historical case studies Germany s capture of Belgium and Luxembourg during World War I and of nearly all of

Europe during World War II France's seizure of the Ruhr in 1923-24 the Japanese Empire during 1910-45 and Soviet hegemony over Eastern Europe in 1945-89 Does Conquest Pay suggests that the international system is more war prone than many optimists claim Liberman's findings also contribute to debates about the stability of empires and other authoritarian regimes the effectiveness of national resistance strategies and the sources of rebellious collective action

A Cold War In The Soviet Bloc Sheldon Anderson, 2018-02-23 In *A Cold War in the Soviet Bloc* Sheldon Anderson uses recently declassified documents from Polish and East German communist party and foreign ministry archives to examine the interplay of national interests with the exigencies of communist party relations within the Soviet bloc during the Cold War Anderson explores how Polish East German relations were strained over the permanence of the Oder-Neisse border the correct road to socialism German repatriation from Poland and trade policy he provides an inside account of the heated debates that seriously divided the Polish and East German communists Anderson delves into how and why the rift culminated in the return of the anti-Stalinist Wladyslaw Gomulka in October 1956 and he delineates how the Polish East German conflict undermined the unity of the Soviet bloc on its most strategic flank In doing so he reveals the persistence of nationalism and ethnic prejudice in the former communist countries In this timely text Anderson pinpoints how nationalism has reemerged as a powerful political force following the end of the Cold War With *A Cold War in the Soviet Bloc* Anderson markedly fills the gap in the existing scholarship on postwar relations between the countries of East Europe

Stalin's Drive to the West, 1938-1945 R. C. Raack, 1995-09-01 Exploiting new findings from former East Bloc archives and from long ignored Western sources this book presents a wholly new picture of the coming of World War II Allied wartime diplomacy and the origins of the Cold War The author reveals that the story widely believed by historians and Western wartime leaders alike that Stalin's purposes in European diplomacy from 1938 on were mainly defensive is a fantasy Indeed this is one of the longest enduring products of Stalin's propaganda of long term political control of archival materials and of the gullibility of Western observers The author argues that Stalin had concocted a plan for bringing about a general European war well before Hitler launched his expansionist program for the Third Reich Stalin expected that Hitler's war when it came would lead to the internal collapse of the warring nations and that military revolts and proletarian revolutions like those of World War I would break out in the capitalist countries This scenario foresaw the embattled proletarians calling for the assistance of the Red Army which would sweep across Europe The book further shows that the wartime disputes between Stalin and his Western allies originated over the postwar redistribution of the territories Stalin had gained from his pact with Hitler The situation was complicated by the incautious unrestricted commitment of support to the Soviet Union first by Churchill and then by Roosevelt and wartime circumstances provided cover to obscure these diplomatic failures The early origins of the Cold War described in this book differ dramatically from the usual accounts that see a sudden and surprising upwelling of Cold War antagonisms late in the War or early in the postwar period

The German Question and the Origins of the Cold War Nicolas Lewkowicz, 2008

The book analyses the role of the German Question in the origins of the Cold War. The work evaluates the transformation which occurred in Germany and the post war international order due to the inter Allied work on denazification. The author analyses the Rationalist aspects of superpower interaction with particular emphasis on the legal and diplomatic framework which sustained not only the treatment of the German Question but also the general context of inter Allied relations. The author also tackles the conflictual aspects of the treatment of the German Question by examining superpower interaction in relation to the enforcement of their structural interests. The main argument of the book is that due to the interaction between the elements of intervention and coexistence the German Question constituted the most significant issue in the configuration of the post war international order.

The Russians in Germany Norman M. Naimark, 1995. In 1945 when the Red Army marched in eastern Germany was not occupied but liberated. This until the recent collapse of the Soviet Bloc is what passed for history in the German Democratic Republic. Now making use of newly opened archives in Russia and Germany Norman Naimark reveals what happened during the Soviet occupation of eastern Germany from 1945 through 1949. His book offers a comprehensive look at Soviet policies in the occupied zone and their practical consequences for Germans and Russians alike and ultimately for postwar Europe. In rich and lucid detail Naimark captures the mood and the daily reality of the occupation: the chaos and contradictions of a period marked by rape and repression, the plundering of factories, the exploitation of German science and the rise of the East German police state. Never have these practices and their place in the overall Soviet strategy, particularly the political development of the zone, received such thorough treatment. Here we have our first clear view of how the Russians regarded the postwar settlement and the German question: how they made policy on issues from reparations to technology transfer to the acquisition of uranium; how they justified their goals; how they met them or failed; and how they changed eastern Germany in the process. *The Russians in Germany* also takes us deep into the politics of culture as Naimark explores the ways in which Soviet officers used film, theater and education to foster the Bolshevization of the zone. Unique in its broad comparative approach to the Soviet military government in Germany, this book fills in a missing and ultimately fascinating chapter in the history of modern Europe.

Russia in the Twentieth Century David R. Marples, 2014-01-14. The history of Russia as the natural successor to the Soviet Union is of crucial importance to understanding why communism ultimately lost out to Western democracy and the free market system. David Marples presents a balanced overview of 20th century Russian history and shows that although contemporary Russia has retained many of the practices and memories of the Soviet period it is not about to revert back to the Soviet example.

Perils of Anarchy Michael E. Brown, Sean M. Lynn-Jones, Steven E. Miller, 1995-03-27. Current debates about the nature of international politics have centered on the clash between supporters and critics of realism. *The Perils of Anarchy* brings together a number of recent essays written in the realist tradition. It includes realist interpretations of the collapse of the Cold War order and of the emerging order that has replaced it: the sources of alignment and aggression and the causes of

peace A final section provides a counterpoint by raising criticisms of and alternatives to the realist approach Contributors Charles L Glaser Christopher Layne Peter Liberman Lisa L Martin John J Mearsheimer Paul Schroeder Randall Schweller Stephen M Walt Kenneth N Waltz William C Wohlforth Fareed Zakaria An International Security Reader *Drawing the Line* Carolyn Woods Eisenberg, 1996 In this fresh and challenging study of the origins of the Cold War Professor Eisenberg traces the American role in dividing post war Germany Drawing upon many original documentary sources she examines the Allied meeting on the Elbe follows the Great Powers through their confrontation in Berlin and culminates with the creation of the West German state in the fall of 1949 In contrast to many works in the field the book argues that the partition of Germany was fundamentally an American decision US policy makers chose partition mobilized reluctant West Europeans behind that approach and by excluding the Soviets from West Germany contributed to the isolation of East Germany and the emergence of the post World War II US Soviet rivalry The volume casts new light on the Berlin blockade demonstrating that the United States rejected United Nations mediation and relied on its nuclear monopoly as the means of protecting its German agenda **Handbook of Political Science Research on the USSR and Eastern Europe** Ray Taras, 1992-10-23 This critical history of and guide to Soviet studies aims to take stock of the achievements and shortcomings in Western research on the region s politics and to serve as a who s who of Western Sovietologists identifying many prominent political scientists from the former Communist states **Beyond the Wall** Elizabeth Pond, 2010-12-01 Beyond the Wall is the first book in either English or German to tell the whole story of the extraordinary revolution that demolished the Berlin Wall ended the Cold war and tore apart the Soviet regime Elizabeth Pond former Moscow and European correspondent for the Christian Science Monitor was an eyewitness to the dramatic events of 1989 92 and to the fifteen years of relations between Germany and Eastern Europe leading up to them Pond weaves together in riveting prose the strands of events that are usually recounted separately Rather than looking just at the East German revolt or the process of unification that created a new nation she traces the interaction of these events and their diplomatic consequences for Europe Pond shows the political economic and social forces at work leading up to the unification during the transition process and in the aftermath Looking at the European framework she explains how significantly the European Community and its move toward integration both affected and were affected by German unification The book contains a wealth of new information from hundreds of interviews with top German and American policymakers East German Politburo members and average German citizens It also incorporates up to date research on such topics as the Stasi secret police and the midlife crisis of the German left Pond concludes with an assessment of the roles of the United States and a unified Germany in the new Europe Calling for a continued partnership between the United States and Germany who have come through a common baptism of fire since the fall of the Berlin Wall Pond casts an optimistic eye toward the future

Yeah, reviewing a book **Soviet Policy Toward East Germany Reconsidered The Postwar Decade** could grow your near links listings. This is just one of the solutions for you to be successful. As understood, endowment does not suggest that you have fabulous points.

Comprehending as capably as concurrence even more than further will meet the expense of each success. neighboring to, the broadcast as with ease as sharpness of this Soviet Policy Toward East Germany Reconsidered The Postwar Decade can be taken as well as picked to act.

Soviet Policy Toward East Germany Reconsidered The Postwar Decade Introduction

In today's digital age, the availability of Soviet Policy Toward East Germany Reconsidered The Postwar Decade books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Soviet Policy Toward East Germany Reconsidered The Postwar Decade books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Soviet Policy Toward East Germany Reconsidered The Postwar Decade books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Soviet Policy Toward East Germany Reconsidered The Postwar Decade versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Soviet Policy Toward East Germany Reconsidered The Postwar Decade books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Soviet Policy Toward East Germany Reconsidered The Postwar Decade books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Soviet Policy Toward East Germany Reconsidered The Postwar Decade books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Soviet Policy Toward East Germany Reconsidered The Postwar Decade books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Soviet Policy Toward East Germany Reconsidered The Postwar Decade books and manuals for download and embark on your journey of knowledge?

FAQs About Soviet Policy Toward East Germany Reconsidered The Postwar Decade Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Soviet Policy Toward East Germany Reconsidered The Postwar Decade is one of the best book in our library for free trial. We provide copy of Soviet Policy Toward East Germany Reconsidered The Postwar Decade in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Soviet Policy Toward East Germany Reconsidered The Postwar Decade. Where to download Soviet Policy Toward East Germany Reconsidered The Postwar Decade online for free? Are you looking for Soviet
