Soviet Politics And Political Science

Minjie Lin

Soviet Politics And Political Science:

Soviet Politics and Political Science Archie Brown, 1974

Soviet Politics and Political Science Archie Brown, 1974

Soviet Politics, Political Science, and Reform Ronald J. Hill, 1980 This text demonstrates that there is a politics model that unifies the discipline and structures its relationship to the other social sciences It shows how this model underlies important works of applied research in all the main political science subfields

Soviet Politics in Perspective Richard Sakwa, 1998 Thoroughly revised and updated this text offers a comprehensive and accessible exploration of the Soviet system from its rise in 1919 to the 1991 collapse

Soviet Politics Richard Sakwa, 1989 The first major new textbook to cover the rise of Mikhail Gorbachev Sawka's *Soviet Politics* is both a comprehensive academic text and a guide for the inquiring layperson

Post-communist Studies And Political Science Jr. Fleron, Erik P Hoffmann, 2019-08-15 Serious stock taking is in progress now among practitioners of what has been called Sovietology meaning studies of the Union of Soviet Socialist Republics The reason is that the field for the most part had not been expecting what happened in 1991 The USSR collapsed and went out of existence as a unified state system governing a sixth of the world's territory having allowed its East European empire to free itself from Soviet dominance somewhat earlier It might be said in defense of Sovietology that by the beginning of the 1980s it understood that economic and political crises were brewing in the Soviet Union and its outer empire But the field as a whole failed to grasp the full depth of the systemic crisis in Soviet Russia and the destructive or self-destructive potentialities inherent in it As the editors of this valuable volume write in the Introduction Sovietology was not prepared for perestroika and postcommunism

The Evolution of Soviet Politics Robert J. Osborn, 1974

Soviet Politics

2nd Political Science, 1974* **Soviet Scientists and the State** Peter Kneen, 1985-06-30 *Soviet Scientists and the State* examines the constraints placed upon the natural scientist in the Soviet Union The book brings into sharp relief the social and economic consequences arising from the highly centralized character of Communist Party rule Because conditions regarded as essential for effective scientific research conflict with the form of political control prevailing in the Soviet Union the Soviet scientists working environment provides a fruitful context for assessing the methods adopted by the Communist Party This study is an excellent base from which to explore some important sources of change in contemporary Soviet politics The book is also a survey of the present state of natural science in the U S S R Topics of concern range from the scientists' background and social characteristics institutions status and leadership to their social relations and effectiveness The relationship of the Communist Party to the scientists is examined in detail

Political Culture and Soviet Politics Stephen White, 1979

Political Culture and Communist Studies Archie Brown, 1985-01-01

Politics and the Soviet System Thomas F.

Remington, 1989-06-18 This collection of essays focuses on topics pertaining to Soviet propaganda and policy making Among the essays there is a study of the view of international relations presented by Soviet TV news a survey of development in comparative communist studies and an analysis of recent changes

Political Science William J. Crotty, 1991 In this volume

the study of legislatures has traditionally been a central preoccupation of political scientists Legislatures provide good laboratories for testing theories and methodologies of significance in the discipline and more broadly for contributing to an understanding of how representative government works *Ideology and Soviet Politics* Alex Pravda, Stephen White, 1988-07-26 The official ideology of Marxism Leninism is central to Soviet politics and yet its development in recent years has received very little scholarly attention In this book a group of leading specialists drawn from both sides of the Atlantic advance decisively upon all earlier discussions of this subject to provide both an authoritative and detailed picture of the development of official ideology from the early years up to Gorbachev's 1986 Party Programme as well as a consideration of the changing role of ideology in Soviet foreign and domestic policy making The book will be required reading for all students of Soviet and communist politics it should also be of interest to a wider non specialist audience **Communist Political Systems** Stephen White, 1982-09-01 The third edition of this text provides a background to the politics of China Eastern Europe and what was the Soviet Union The book has been rewritten throughout to reflect the emergence of pluralist multi party systems and non Communist governments are marked *Political Culture of the Russian 'Democrats'* Alexander Lukin, 2000-03-23 The Political Culture of Russian Democrats examines the origins and development of the world view of those who call themselves democrats in Russian in the last years of the USSR The book develops a distinct approach to the study of political culture and applies it to a specific social group members of the democratic movement in Soviet Russia The author examines the emergence of the ideas of Russian democrats during the Gorbachev era in Soviet politics and traces the development of those beliefs in the post Soviet era The book argues that the liberal and democratic terminology of western politics were assimilated by Russian political culture with the terms acquiring a different meaning **Russian Studies, Political Science, and the Philosophy of Technology** Guoli Liu, Joanna Drzewieniecki, 2022-04-18 This volume presents state of the art creative scholarship in political science and area studies with an emphasis on Russia The contributors all well known in their specialties share the conviction that advancement in the social sciences can only be achieved through plural methodological approaches and interaction with various disciplines Their work in this collection provides critical analyses of key issues in Russian and post Soviet studies It explores the most fruitful ways of studying Russia with particular emphasis on the federal system politics in the era of Putin challenges of Russian foreign policy and Russian attitudes toward democracy The vagaries of democracy are also explored in articles on Georgia and Turkey Additionally this book examines the philosophy of technology with an emphasis on critical theory eco domination and engineering ethics Industrial Power and the Soviet State Stephen Whitefield, 1993 This book analyses the relationship between economic power and political authority in the Soviet system In it Stephen Whitefield takes issue with those who think that communist politicians successfully dominated the economy and society He argues on the contrary that politicians efforts to build authority in the industrial sector were a key source of political instability and that perestroika was the last in a series of failed attempts by Soviet

leaders to gain control of the behaviour of the institutions they themselves had created In an administered economy industrial organization is vitally important in structuring the interests and behaviour of social groups The dilemma for Soviet politicians was that their attempts to build authority over industrial actors destabilized society and ultimately resulted in the collapse of the Soviet state itself But industrial power has outlived the Soviet Union and this book concludes by showing how industry continues to exert a crucial influence on Russian government and society

The State in Socialist Society Neil Harding, 1984-01-01 The focus of all the essays in this collection is the problem of state power in Communist regimes The problematic nature of the relationship between state and society has troubled the marxist tradition since its inception and continues to be an unresolved issue for its contemporary theorists Western attempts to characterise the state formations of Communist regimes are equally notoriously debatable and fraught with methodological problems Both indigenous and Western attempts to theorise these formations are thoroughly reviewed in the early chapters of this book Later chapters each written by an expert in the field go on to explore particular issues the problem of nationalism within a multi national state for instance or the recent experience of selected Communist regimes in attempting to adapt their institutions to meet new problems Special attention is paid to the USSR in view of the enormous significance of the Soviet State and the extent to which it has served as a model Other case studies have been included on the basis that these state formations display unique features Yugoslavia that size and importance commends them China or that failure in the process of institutional adaptation is instructive for their pathology Poland What this book sets out to do is to bring a variety of approaches and a varied expertise to bear upon a very large but relatively neglected issue in contemporary politics the nature of the state formations of Communist regimes

Interest Groups in Soviet Politics Harold Gordon Skilling, Franklyn Griffiths, 2019-03-12 It is now generally agreed that since Stalin's death there has been a definite broadening of group participation in policy formation and implementation The contributors to this volume analyze seven elite political interest groups at the upper and middle levels of the Soviet social structure Originally published in 1971 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

When people should go to the ebook stores, search commencement by shop, shelf by shelf, it is in reality problematic. This is why we present the book compilations in this website. It will no question ease you to look guide **Soviet Politics And Political Science** as you such as.

Soviet Politics And Political Science Introduction

In today's digital age, the availability of Soviet Politics And Political Science books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Soviet Politics And Political Science books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Soviet Politics And Political Science books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Soviet Politics And Political Science versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Soviet Politics And Political Science books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Soviet Politics And Political Science books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Soviet Politics And Political Science books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and

making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Soviet Politics And Political Science books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Soviet Politics And Political Science books and manuals for download and embark on your journey of knowledge?

FAQs About Soviet Politics And Political Science Books

1. Where can I buy Soviet Politics And Political Science books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Soviet Politics And Political Science book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Soviet Politics And Political Science books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Soviet Politics And Political Science audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
