The Economics of Soviet Breakup Bert van Selm, 2012-10-12 This book analyzes the effects of the break up of the Soviet Union into fifteen independent states Topics discussed include past and present economic relations between the republics and forecasts for the future discussion of Customs Unions Monetary Union or Payments Union as possible ways forward for these states economic integration theory how the states of the Soviet Union functioned before the dissolution

Eurasian Cities Souleymane Coulibaly, Uwe Deichmann, William R. Dillinger, Marcel Ionescu-Heroiu, Ioannis N. Kessides, Charles Kunaka, Daniel Saslavsky, 2012-09-07 Eurasia has gone through tremendous changes over the past 20

years which are impacting the function and the form of its cities Looking ahead policy makers need to promote the changes that will make Eurasian cities the main drivers of Eurasia's growth via better planning connectivity greening and new financing

Geographic Perspectives on Soviet Central Asia Robert Lewis, 2003-10-04 In a unique survey based on new census data *Geographic Perspectives on Soviet Central Asia* highlights the region's geographic economic and ecological problems since 1945 Painting a grim picture this book investigates how the combination of rapid population growth and declining per capita investment is causing economic conditions to slide in rural areas and encouraging an ecological catastrophe The authors discuss the effects of low rural out migration and show that at current growth rates the rural working age population will double with each generation Unprecedented in a developed country this is causing the region to become more rather than less rural Soviet Central Asia is an area of low productivity and the book considers the lack of support from Soviet central government to the region Wishing to maximise their return to capital and labour the government is concentrating its investment in the European West and directing insufficient funds for a growing workforce in Central Asia Soviet Central Asia also faces grave ecological problems the declining level of the Aral Sea extensive soil salinization and water pollution all largely due to past attempts at irrigation The authors consider the effect of these disasters on the area and look to future possibilities in this very important region of the world

East Central Europe and the Former Soviet Union David Turnock, 2024-11-01 Since 1898 the former communist countries of Eastern Europe have gained international prominence The continuing socio economic transition and the instability evident in areas like the Caucasus and Former Yugoslavia have drawn the western world into uneasy interactions with the region At the same time closer commercial and cultural contacts are providing opportunities for rewarding relationships which have now resulted in many of these countries joining the EU This book provides detailed coverage of the transition from communism to a market economy Covering the whole range of East Central European and former Soviet Union countries it charts the diversity within the region offering in depth coverage of specific areas as well as a broad view of development across the region The book is organised into three comprehensive sections the historical socio economic and environmental The socio economic section considers the critical issues of restructuring to effect the transition from central planning to a market economy while the historical material provides an essential context for the constraints and opportunities affecting the region The environmental section places emphasis on results of environmental neglect inherited from communism as well as looking to the future implications of EU directives on the problems of biodiversity and pollution in the region

The Disintegration of the Soviet Economic System Michael Ellman, Vladimir Kontorovich, 2023-06-14 *The Disintegration of the Soviet Economic System* 1992 examines in detail the collapse of the Soviet economic system and is set in its political context both international and domestic The collapse is looked at from a macroeconomic point of view both real and financial as well as from a mesoeconomic viewpoint with chapters on such important sectors such as agriculture and the railways Because the USSR is such a large country it is also

looked at in a regional perspective with chapters on Central Asia and the allocation of investment between republics and attention is also paid to the welfare of the population their health and the development of their consumption and the environment and technical progress *The Territories of the Russian Federation 2009* Europa Publications,2009-06-02 Pt 1 Introduction part 2 Territorial surveys part 3 Select bibliography part 4 Indexes Russia's Provinces P. Kirkow,1998-01-12 This book focuses on the evolution of federalism and intragovernmental relations in Russia for the period 1992 95 following the dissolution of the Soviet Union Its main question is whether under conditions of democratisation and marketisation in Russia an authoritarian approach of transformation from above is more favourable to one of granting more autonomy to local governments The author suggests a scale of various reform implementation policies based on two pioneering case studies of Russian provinces The Soviet Union and the Threat from the East, 1933-41 Jonathan Haslam,2016-07-27 This is the third in a series of volumes detailing the history of Soviet foreign policy from the Great Depression to the Great Patriotic War It covers Soviet policy in the Far East from the Japanese rejection of a non aggression pact in January 1933 to the conclusion of a neutrality pact in April 1941 During the course of that period the Soviet Union moved from being the vulnerable and isolated suitor to a position of negotiation from strength *The Territories of the Russian Federation 2012* Europa Publications,2012-08-21 This excellent reference source brings together hard to find information on the eighty three constituent units of the Russian Federation The introduction examines the Russian Federation as a whole focusing on the evolution of the relationship between the central state and the regions followed by a chronology demographic and economic statistics and a review of the Federal Government The second section comprises territorial surveys with a chapter on each of Russia s federal subjects each of which includes a current map The third section comprises a select bibliography of books The fourth section features a series of indexes listing the territories alphabetically by Federal Okrug and Economic Area Users will also find a gazetteer of selected alternative and historic names and a list of the territories abolished created or reconstituted in the post Soviet period **The Forest Industrial Sector of Russia: Opportunity Awaiting** C.A. Backman,1999-02-15 This is one of the first public documents to present accurate reliable data describing the forest sector of Russian industry including data revealing behavior within the forest sector at a regional level and possibly the only one to include analyses that look far beyond the present to provide a glimpse of what the future might hold Following an introduction Chapter 2 reviews the forest sector in Russia including the deciduous resource and prices and costs Chapters 3 6 cover regional diversity in forest resources and utilization in European Russia West Siberia East Siberia and the Far East Chapter 7 deals with the trade patterns of Russia and former Soviet Union republics Chapters 8 and 9 cover analytical methods and scenarios focusing on accessibility capital requirements and product demand Chapter 10 examines policy implications and future avenues of research The book includes bibliographic references a glossary and an appendix with extensive statistical data Rediscovering Russia in Asia Stephen Kotkin,David Wolff,2015-03-04 This work presents a trans

Siberian expedition to rediscover the peoples cultures and riches of Russia s eastern frontiers It addresses such questions as who are the people of the region have they a distinct culture and does the area have a future as part of the Pacific Rim

Russian Peasants and Tsarist Legislation on the Eve of Reform David Moon,1992-06-18 This study examines the interaction of peasant and official Russia in the period prior to the reforms of 1861 In a series of case studies the issues of communication and understanding between the peasantry and officialdom peasant aims and behavioural patterns are explored

Stalinism: Its Nature and Aftermath Nick Lampert,Gabor T. Rittersporn,1992-01-20 This is a collection of essays with contributors from Britain Continental Europe and the USA dealing with the character and aftermath of Stalinism in the USSR The focus is on the interwar years and on the methodological problems of studying this period but the volume highlights also the links between Stalinism and the Tsarist past and the ways in which Stalinism in its very formation prepared the ground for its own demise In this way it contributes to a historical understanding of the current upheavals in the Soviet Union

From Submission To Rebellion Vladimir Shlapentokh,2018-02-20 This book addresses the relationship between the center and its provinces an important issue in any society using Russia as a case study It analyses the historical stages of Russia s past with special focus on the post Communist era

Russian Naval Construction, 1905-45 J.N. Westwood,1994-09-13 This book examines how the types numbers and designs of Russian warships were determined in the years preceding the two world wars with the three way interplay of naval staff naval designers and political leaders resulting in fleets that contained some outstanding units but were on the whole inappropriate to the tasks set by those wars It also considers how under both Nicholas II and Stalin foreign ideas were adopted with too little consideration of Russia s unique circumstances
