Spencer C. Tucker

Soviet Tragedy A History Of Socialism In Russia 1917 1991:

Soviet Tragedy Martin Malia, 2008-06-30 The Soviet Tragedy is an essential coda to the literature of Soviet studies Insofar as he returns the power of ideology to its central place in Soviet history Malia has made an enormous contribution He has written the history of a utopian illusion and the tragic consequences it had for the people of the Soviet Union and the world David Remnick The New York Review of Books In Martin Malia the Soviet Union had one of its most acute observers With this book it may well have found the cornerstone of its history Francois Furet author of Interpreting the French Revolution The Soviet Tragedy offers the most thorough scholarly analysis of the Communist phenomenon that we are likely to get for a long while to come Malia states that his narrative is intended to substantiate the basic argument and this is certainly an argumentative book which drives its thesis home with hammer blows On this breathtaking journey Malia is a witty and often brilliantly penetrating guide He has much wisdom to impart The Times Literary Supplement This is history at the high level well deployed factually but particularly worthwhile in the philosophical and political context at once a view and an overview The Washington Post

Russia: A History, new edition Gregory Freeze, 2002-03-28 From the formation of the Russian state in the 14th century to the political power struggles of the 1990s and the uncertainties of the new millennium this new history offers a fresh and systematic account of Russian history across six tumultuous centuries With greater access to previously unobtainable material and with the gradual depoliticization of what was once an intellectual Cold War battleground historians are now able to tell the story of Russia more dispassionately and with greater precision than was formerly possible Drawing on the best contemporary scholarship and informed throughout by the latest archival research into previously classified sources thirteen international experts here reassess and reinterpret the history of one of the world's great powers What emerges is a powerful sense of national destiny of repeated themes unchanging conditions and cycles of circumstance Throughout Russian history all powerful autocrats like Ivan the Terrible or Stalin have maintained their authority through brutality but their omnipotence was always under threat circumscribed by geography compromised by bureaucratic incompetence pervasive corruption and resistance from below A curious combination a veneer of omnipotence a void of operational power has periodically dissolved into times of trouble as in 1598 1917 and 1991 when the impotence of the regime became transparent to all Russian rulers have also had to contend with the same immense physical challenges a hugely dispersed population a perennial dearth of means and men to govern a primitive infrastructure Plagued by natural disasters hamstrung by structural problems the Russian economy whether pre revolutionary capitalist Soviet socialist or post Soviet semi capitalist has had enormous and disruptive difficulties adapting to the competitive world of international markets Another immutable elemental fact has been Russia's multinational composition which continues to generate discontent and disorder Yet Russia is a great survivor as the years from 1995 show characterized by economic recovery institution building and a new mood of self assertion in world politics For too long Russian history has been

dominated by myths and counter myths concocted by those seeking either to legitimize the existing order or to destroy it This book containing many little known illustrations represents an important attempt to rethink Russian history and to provide a new understanding of Russia s complex but ever fascinating historical development A compelling story in its own right it is also essential reading for anyone with a private or professional interest in Russia and its place in the world **Mastering Twentieth-Century Russian History** Norman Lowe,2020-08-29 Mastering Twentieth Century Russian History presents a vivid and informative account of the events which befell the Russian people during the course of the twentieth century Explores the major developments of the last century from the revolution of 1905 to the First and Second World Wars to the Cold War and the rise and fall of the USSR Examines key figures and their actions from Nicholas II Lenin Trotsky Stalin Khrushchev Brezhnev Gorbachev and Yeltsin to Putin Deals with events right up to 2000 enabling the Soviet experiment to be placed in context a decade after its collapse Incorporates the latest research from British American and Russian historians examining key controversies and debates Includes primary source material maps photographs posters and a full chronology of events This text is the ideal companion for anyone seeking a clear yet detailed introduction to the fascinating events of twentieth century Russian history ***The Encyclopedia of the Cold War*** Spencer C. Tucker,2007-09-12 A comprehensive five volume reference on the defining conflict of the second half of the 20th century covering all aspects of the Cold War as it influenced events around the world The conflict that dominated world events for nearly five decades is now captured in a multivolume work of unprecedented magnitude from a publisher widely acclaimed for its authoritative military and historical references Under the direction of internationally known military historian Spencer Tucker ABC CLIO s The Encyclopedia of the Cold War A Political Social and Military History offers the most current and comprehensive treatment ever published of the ideological conflict that not so long ago enveloped the globe From the Second World War to the collapse of the Soviet Union The Encyclopedia of the Cold War provides authoritative information on all military conflicts battlefield and surveillance technologies diplomatic initiatives important individuals and organizations national histories economic developments societal and cultural events and more The nearly 1 300 entries plus topical essays and an extraordinarily rich documents volume draw heavily on recently opened Russian Eastern European and Chinese archives The work is a definitive cornerstone reference on one of the most important historical topics of our time **A HISTORY OF MODERN RUSSIA** Robert Service,2013-02-04 Russia had an extraordinary twentieth century undergoing upheaval and transformation Updating his acclaimed History of Modern Russia Robert Service provides a panoramic perspective on a country whose Soviet past encompassed revolution civil war mass terror and two world wars He shows how seven decades of communist rule which penetrated every aspect of Soviet life continue to influence Russia today This new edition takes the story from 2002 through the entire presidency of Vladimir Putin to the election of his successor Dmitri Medvedev **Russia's Unfinished Revolution** Michael A. McFaul,2015-05-15 For centuries dictators ruled Russia Tsars and Communist Party chiefs were in

charge for so long some analysts claimed Russians had a cultural predisposition for authoritarian leaders Yet as a result of reforms initiated by Mikhail Gorbachev new political institutions have emerged that now require election of political leaders and rule by constitutional procedures Michael McFaul traces Russia's tumultuous political history from Gorbachev's rise to power in 1985 through the 1999 resignation of Boris Yeltsin in favor of Vladimir Putin McFaul divides his account of the post Soviet country into three periods the Gorbachev era 1985 1991 the First Russian Republic 1991 1993 and the Second Russian Republic 1993 present The first two were he believes failures failed institutional emergence or failed transitions to democracy By contrast new democratic institutions did emerge in the third era though not the institutions of a liberal democracy McFaul contends that any explanation for Russia's successes in shifting to democracy must also account for its failures The Russian Soviet case he says reveals the importance of forging social pacts the efforts of Russian elites to form alliances failed leading to two violent confrontations and a protracted transition from communism to democracy McFaul spent a great deal of time in Moscow in the 1990s and witnessed firsthand many of the events he describes This experience combined with frequent visits since and unparalleled access to senior Russian policymakers and politicians has resulted in an astonishingly well informed account Russia's Unfinished Revolution is a comprehensive history of Russia during this crucial period

Dictatorship of the Air Scott W. Palmer, 2006-07-31 Focusing on one of the last untold chapters in the history of human flight this book explains the true story behind twentieth century Russia's quest for aviation prominence *Russia and China* Carl A. Linden, 1997-01-01 A collection of thoughtful and far ranging essays by two senior scholars The book hangs together better than most edited volumes American Journal of Chinese Studies

States of Memory Jeffrey K. Olick, 2003-07-21 A journal into book collection on national memory focusing on commemorations collective apologies and historical revisions now enhanced by the addition of 6 essays by senior historical sociologists *The A to Z of Marxism* David Walker, Daniel Gray, 2009-08-13 Marxism one of the few philosophies that turned into an effective movement was not so long ago the official ideology in one form or another of much of humanity It was initially promulgated by the Soviet Union then imposed on Central and Eastern Europe later emerged in the People's Republic of China and gradually spread to other parts of Asia Africa and Latin America Although declining in popularity the movement still remains in power in several countries and is supported by numerous parties and countless individuals around the world The A to Z of Marxism covers in a comprehensive manner the history of Marxism and its philosophers and schools of thought It contains a chronology a list of acronyms and abbreviations an introductory essay a bibliography and hundreds of cross referenced dictionary entries on basic terms and concepts as well as significant people parties and countries Book Jacket

Power and the Sacred in Revolutionary Russia Glennys Young, 2010-11 After the 1917 Revolution in Russia the Bolsheviks launched a massive assault on religion Although we know a great deal about how the Bolsheviks went about doing this propaganda persecution of clergy and laity seizing church property scholars have not devoted much attention to the other side of the story the people who

were being persecuted and how they responded to their persecutors Glennys Young shows how ordinary Russian peasants devised ways of asserting their religious faith during the difficult period of New Economic Policy 1921-28 when the Party state was ideologically obsessed with eradicating religion Faced with persecution torture and the creation of antireligious organizations such as the League of the Godless Orthodox clergy and laity organized themselves against the Bolsheviks They revived factional politics even using the village soviets the intended cornerstone of Soviet power in the countryside to defend their religious interests When they achieved some degree of success in their resistance the Bolsheviks were forced to respond and adapt their strategies a conclusion that scholars have not put forward previously Based on extensive research in archives and published sources Young's book will force historians of Soviet Russia to confront religious issues as central to rural politics Her work also draws upon cultural anthropology and theories of peasant politics making it of great interest to any scholars studying the processes of secularization and desacralization in other cultures

Russia's International Relations in the Twentieth Century Alastair Kocho-Williams, 2013 Russia has long been a major player in the international relations arena but only by examining the whole century can Russian foreign policy be properly understood and the key questions as to the impact of war of revolution of collapse the emergence of the Cold War and Russia's post Soviet development be addressed Surveying the whole of the twentieth century in an accessible and clear manner Russia's International Relations in the Twentieth Century provides an overview and narrative with analysis that will serve as an introduction and resource for students of Russian foreign policy in the period and those who seek to understand the development of modern Russia in an international context The volume includes an analysis of the major themes which surrounded Russia's position in world affairs as one of the European Great Powers before the First World War the impact of Revolution and the emergence of Soviet foreign policy with its dual aims of normalization and world revolution the changes wrought to the international order by the rise of Nazi Germany and by the Second World War the origins and development of the Cold War the end of the Cold War and the Soviet collapse how Russia has rebuilt itself as an international power in the post Soviet era An essential resource for students of Russian history and International policy

Unparalleled Reforms Christopher Marsh, 2005-01-01 The reforms of the Soviet and Chinese communist regimes were unparalleled both in the radical precedent setting reforms attempted by the two countries and in the outcomes of these attempts While the Soviet Union collapsed quickly in the midst of its reforms more than a decade later China the world's most populous country still stands as a testament to the resilience of Communist rule It is this phenomenon that Christopher Marsh explores in *Unparalleled Reforms* Marsh goes beyond simply discussing the differing initial conditions the sequencing of reform and cultural differences to also consider the objectives and intentions of the policy makers and leaders that directed the reform processes and the interdependent nature of politics on the world stage *Unparalleled Reforms* offers the reader a sophisticated understanding of the nature of political reform and develops a theoretical model that can account for commonly overlooked factors that affect political processes in

all types of political systems In a class all its own this is an important work for scholars interested in comparative politics international relations economics Asian studies and Russian studies

The Political Thought of Joseph Stalin Erik van Ree, 2003-08-27 This book presents a comprehensive analysis of the political thought of Joseph Stalin Making full use of the documentation that has recently become available including Stalin's private library with his handwritten margin notes the book provides many insights on Stalin and also on western and Russian Marxist intellectual traditions Overall the book argues that Stalin's political thought is not primarily indebted to the Russian autocratic tradition but belongs to a tradition of revolutionary patriotism that stretches back through revolutionary Marxism to Jacobin thought in the French Revolution It makes interesting comparisons between Stalin Lenin Bukharin and Trotsky and explains a great deal about the mindset of those brought up in the Stalinist era and about the era's many key problems including the industrial revolution from above socialist cultural policy Soviet treatment of nationalities pre war and Cold War foreign policy and the purges

From Vladimir Lenin to Vladimir Putin Vladimir N. Brovkin, 2023-10-13 This book integrates Soviet and post Soviet Russian history into a coherent whole by focusing on the culture role models habits and behavior patterns that provide continuity between various political regimes systems and rulers from Vladimir Lenin to Vladimir Putin The unifying theme of all these periods is the central question of identity how the Russians have defined themselves their country and their values Why did the Bolsheviks try to erase any trace of Old Russia and with what did they try to replace it Why did Stalin wipe out the kulaks and the old Bolsheviks What were the political consequences of the Great Patriotic War on the Russians as people When post Stalin Russia slowly weakened and gave way to the humanism and Westernization that led to the collapse of the Soviet system why did the 1990s generate a resurgence of anti western nationalism And how to explain the slow and steady break with the West under President Putin This will be a core textbook for undergraduate and graduate students of Russian and European history and a valuable text for all those interested in how the Russian past influenced and shaped current politics and in the international East West divide in particular For YouTube discussions of the book see https://www.youtube.com/watch?v=lvG1G1cax_k https://www.youtube.com/watch?v=0W3V6nb3h18_t3s

Politics Russia Catherine Danks, 2014-01-14 Politics Russia provides the most comprehensive accessible and up to date introduction to all aspects of the political development of Russia in the post communist era Writing with the undergraduate student specifically in mind Danks' fluent style and masterly grasp of complex material will make this an indispensable guide for many years to come Divided into five sections Politics Russia maps a clear path towards an understanding of Russia and its politics in the twenty first century In Part One the emergence of contemporary Russia is put into context by a consideration of the end of the USSR and the move towards democratization under Gorbachev Part Two provides a clear sighted and stimulating overview of the nature of the executive and the legislature in contemporary Russia Part Three examines civil society the role of the media and the representative process Part Four is focussed on the policy process from foreign and defence policies to the development of

domestic social policies from the provision of healthcare to education Part Five the final provides an overall consideration the contemporary state of Russia examining the development from Yeltsin to Putin to Medvedev and considers the possible futures of the region The book is supported by a host of pedagogical features including Annotated further reading lists Definitions of key political terms Short biographies of key figures

Redefining Stalinism Harold Shukman, 2004-11-23 Born in 1879 in Georgia Stalin joined the Bolsheviks under Lenin in 1903 and became General Secretary of the Communist Party in 1922 These edited papers reassess the deeds policies and legacy of a man who was responsible for innumerable deaths and untold human misery

Euro-orientalism Ezequiel Adamovsky, 2006 Drawing from a range of critical perspectives in particular postcolonial this book examines the relationship between perceptions of Russia and of Eastern Europe and the making of a Western identity It explores the ways in which the perception of certain characteristics of Russia and Eastern Europe whether real or attributed was shaped by and used for the construction of a liberal narrative of the West which eventually became dominant The focus of this inquiry is French culture from the beginning of the debate about Russia among the philosophes c 1740 to the consolidation of a professional field of Slavic studies c 1880 A wide range of writing literature travel accounts histories political tracts scientific journals and parliamentary debates is examined through the work of major authors from Montesquieu Diderot and Rousseau to Tocqueville de Maistre and Guizot from Mme de Sta l Hugo and Balzac to Dumas Michelet and Comte as well as that of many less well known figures The book also explores possible continuities between those first academic accounts of Russia and Eastern Europe and present day scholarship in Europe and the USA to show that the liberal ideological accounts constructed in the nineteenth century still to a great extent inform contemporary academic studies

A Companion to the Russian Revolution Daniel Orlovsky, 2020-08-17 A compendium of original essays and contemporary viewpoints on the 1917 Revolution The Russian revolution of 1917 reverberated throughout an empire that covered one sixth of the world It altered the geo political landscape of not only Eurasia but of the entire globe The impact of this immense event is still felt in the present day The historiography of the last two decades has challenged conceptions of the 1917 revolution as a monolithic entity the causes and meanings of revolution are many as is reflected in contemporary scholarship on the subject A Companion to the Russian Revolution offers more than thirty original essays written by a team of respected scholars and historians of 20th century Russian history Presenting a wide range of contemporary perspectives the Companion discusses topics including the dynamics of violence in war and revolution Russian political parties the transformation of the Orthodox church Bolshevism Liberalism and more Although primarily focused on 1917 itself and the singular Revolutionary experience in that year this book also explores time periods such as the First Russian Revolution early Soviet government the Civil War period and even into the 1920 s Presents a wide range of original essays that discuss Brings together in depth coverage of political history party history cultural history and new social approaches Explores the long range causes influence on early Soviet culture and global after life of the Russian

Revolution Offers broadly conceived contemporary views of the revolution largely based on the author's original research Links Russian revolutions to Russian Civil Wars as concepts A Companion to the Russian Revolution is an important addition to modern scholarship on the subject and a valuable resource for those interested in Russian Late Imperial or Soviet history as well as anyone interested in Revolution as a global phenomenon Revisioning Stalin and Stalinism James Ryan, Susan Grant, 2020-11-12 This thought provoking collection of essays analyses the complex multi faceted and even contradictory nature of Stalinism and its representations Stalinism was an extraordinarily repressive and violent political model and yet it was led by ideologues committed to a vision of socialism and international harmony The essays in this volume stress the complex multi faceted and often contradictory nature of Stalin Stalinism and Stalinist style leadership and explore the complex picture that emerges Broadly speaking three important areas of debate are examined united by a focus on political leadership The key controversies surrounding Stalin's leadership role A reconsideration of Stalin and the Cold War New perspectives on the cult of personality Revisioning Stalin and Stalinism is a crucial volume for all students and scholars of Stalin's Russia and Cold War Europe

Enjoying the Song of Expression: An Mental Symphony within **Soviet Tragedy A History Of Socialism In Russia 1917 1991**

Soviet Tragedy A History Of Socialism In Russia 1917 1991 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Soviet Tragedy A History Of Socialism In Russia 1917 1991 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Soviet Tragedy A History Of Socialism In Russia 1917 1991 has opened up a world of possibilities. Downloading Soviet Tragedy A History Of Socialism In Russia 1917 1991 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Soviet Tragedy A History Of Socialism In Russia 1917 1991 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Soviet Tragedy A History Of Socialism In Russia 1917 1991. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Soviet Tragedy A History Of Socialism In Russia 1917 1991. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites

that prioritize the legal distribution of content. When downloading Soviet Tragedy A History Of Socialism In Russia 1917 1991, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Soviet Tragedy A History Of Socialism In Russia 1917 1991 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
