Soviet Strategic Initiatives Challenge And Response:

Soviet Strategic Initiatives Carl G. Jacobsen, 1979 *Soviet Posture in the Western Hemisphere* United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Western Hemisphere Affairs, 1985 **Strategic Power** Carl G. Jacobsen, 1990-02-23 This book highlights the impact and relevance of strategic culture Each section contains essays contrasting United States and Soviet perceptions on specific topics Each section closes with a synthesizing commentary to help readers to get a better sense of differences and similarities Transformation in Russian and Soviet military history ,

Ibss Poli Sci 29 1980 "International Committee For Social Sciences Documentation", 2013-10-15 The International Bibliography of the Social Sciences IBSS is an essential tool for librarians academics and researchers wishing to be kept up to date with the published literature in the social sciences IBSS is compiled in four divisions Anthropology Sociology Economics and Political Science This is Volume XXIX of the International bibliography of political science as of 1980

Bulletin of the Atomic Scientists , 1980-03 The Strategic Defense Initiative United States. President (1981-1989 : Reagan), 1985 *The Foreign Policy of the Russian Federation* Alexander V. Kozhemiakin, Roger E. Kanet, 2016-07-27 Providing a current assessment of the major developments in Russian foreign policy since the collapse of the Soviet Union at the end of 1991 the book begins with an examination of the emerging trends in Russian policy and the impact of domestic political and economic factors on Russian policy Succeeding chapters outline the development of Russian policy in the major geographic regions of the world the new states of the near abroad Central Europe and the Balkans the West Asia the Middle East and the developing countries The Soviet Union 1917-1991 Martin McCauley, 2014-02-04 A second edition of this famous survey has been eagerly awaited When the first edition appeared Brezhnev was still in power Gorbachev did not make it to the index and the USSR was a superpower Today the Soviet experiment is over and the USSR no longer exists How Why Martin McCauley has reworked and greatly expanded his book to answer these questions and to provide a complete account of the Soviet years Essential reading to an appreciation of recent history and to a better understanding of whatever happens next **Economics And Politics In The USSR** Hans-Hermann Hohmann, 2019-03-05 Soviet scholars have apparently stayed clear of meaningful analysis of such touchy subjects as interdependence and conflict in the relationship between economics and politics Very little has been published on this issue no surprise in a system that controls centrally both politics and the economy with an emphasis on rapid economic development The absence of meaningful Soviet research led the Federal Institute for East European and International Studies in Cologne to sponsor an international interdisciplinary conference on the subject Contributions to the resulting book cover three main areas The first includes the impact of traditional Russian political culture on contemporary Soviet economic thinking and behavior the rank of economic aims in the priority system of Soviet politics and the function of economic institutions in the implementation of political aims The second concerns the role of political lobbies in the economy and repercussions of economic change for Soviet politics

Foreign economic relations and the USSR's foreign policy make up the third area. The concluding discussion reviews the state of international research and identifies areas for future study.

Nuclear Disengagement in Europe Stockholm International Peace Research Institute, 2020-11-19. In the early 1980s there had been an upsurge of public concern over the nuclear threat to Europe. Already saturated with nuclear weapons, Europe faced controversial new deployments and there was alarm over military strategies for nuclear war in the region. It is in this context that the idea of nuclear weapon free zones had captured the popular imagination and became a political issue in Europe. Not only would such zones build confidence and raise the nuclear threshold but they would be first steps towards a more comprehensive elimination of nuclear weapons. Originally published in 1983, *Nuclear Disengagement in Europe* probes the question of nuclear weapon free zones in the region. Pugwash and SIPRI arranged a meeting at which an international team of lawyers, scientists, politicians and military experts gave background information and provided an appraisal of problems regarding the zone initiatives as well as benefits that would accrue. Possible elements in a European zone arrangement were elaborated on and procedures towards the establishment of such a zone were suggested.

Report to the Congress on the Strategic Defense Initiative Strategic Defense Initiative Organization (U.S.), 1991. *Small-State Security in the Balkans* Aurel Braun, 1983-06-18.

Communist Nations' Military Assistance John F. Copper, 2019-03-01. This book looks at the military aid given by communist bloc countries to other bloc countries and to Third World nations. The authors analyze the military aid capabilities of communist donor nations, their specific motivations for offering military aid and the policies and guidelines that govern arms assistance. They also discuss competition.

U.S. Military Power And Rapid Deployment Requirements In The 1980s Sherwood S. Cordier, 2019-06-04. This book assesses U.S. military needs in the coming decade, focusing on the role of rapid deployment forces in protecting U.S. interests abroad. Dr. Cordier begins by discussing two general developments crucial to future military requirements: first, increasing U.S. dependence on the global sea lanes as links to key markets; and second, improved S.

NATO and the Strategic Defence Initiative Luc-André Brunet, 2022-08-19. This book explores the largely neglected issue of responses to the US Strategic Defence Initiative (SDI) or the Star Wars missile defence programme across NATO. The chapters here explore the reactions of different Western allies to the announcement of the SDI in 1983 and especially the 1985 invitation to participate. While existing studies have explored the origins of the American programme and the role it may have played in ending the Cold War, this volume breaks new ground by considering the impact of the SDI on transatlantic relations in the 1980s. Based on newly available archival sources, this volume re-evaluates the responses of eight NATO member state governments as well as the Soviet leadership to the SDI. In addition to looking at top-down governmental reactions, the volume also explores the bottom-up response to the SDI of civil society and peace activists on both sides of the Atlantic. The volume examines how the American initiative, derisively named Star Wars by its detractors, provoked a crisis in relations with its allies during the final decade of the Cold War and how those tensions within NATO were ultimately resolved.

This book will be of much interest to students of Cold War history strategic studies foreign policy and international history
