Soviet Studies of Premodern China Gilbert Rozman,1984 The first complete survey of Soviet work on premodern Chinese literature and history **Soviet Studies of Premodern China** Gilbert Rozman,1984 The first complete survey of Soviet work on premodern Chinese literature and history **Chinese History** Endymion Porter Wilkinson,2000 Endymion Wilkinson s bestselling manual of Chinese history has long been an indispensable guide to all those interested in the civilization and history of China In this latest edition now in a bigger format its scope has been dramatically enlarged by the addition of one million words of new text Twelve years in the making the new manual introduces students to different types of transmitted excavated and artifactual sources from prehistory to the twentieth century It also examines the context in which the sources were produced preserved and received the problems of research and interpretation associated with them and the best most up to date secondary works Because the writing of history has always played a central role in Chinese politics and culture special attention is devoted to the strengths and weaknesses of Chinese historiography *Twentieth Century China: An Annotated Bibliography of Reference Works in Chinese, Japanese and Western Languages* James H. Cole,2019-07-23 This bibliography of reference works from Chinese Japanese and Western language sources covers the 1911 Revolution the Republic of China 1912 1949 the People s Republic of China 1949 onwards post 1911 Hong Kong and Macau and post 1911 overseas Chinese Filled with helpful checklists charts and suggestions for further reading this practical comprehensive and multidisciplinary guide takes readers through the entire case writing process including skills for writing both teaching cases and research cases This edition includes new discussions of students as case writers and how to interpret and respond to reviews as well as updated and expanded material on video multimedia and Internet cases

Career Patterns in the Ch'ing Dynasty Raymond Chu,William Saywell,2020-08-06 The office of governor general tsung tu was the highest provincial post throughout the Ch ing dynasty As such it was a vital link in the control of a vast empire by a very small and alien ruling elite This is primarily a biographical and statistical analysis of the incumbents of that office By analyzing the biographical data of those who held the position of governor general much may be learned about the nature of the office itself However the main objective of the study is to provide information on career patterns that is the variety of different posts held from the first official appointment to that of governor general of an important cross section of successful Ch ing bureaucrats By plotting and analyzing the different patterns their official careers took we should be able to determine what kind of men reached the top of China s provincial and national administration during the final centuries of China s imperial history the qualifications that were required the factors which prompted rapid promotion or sudden disgrace We should also be able to determine the extent to which these and other factors varied markedly among Manchu Mongol Chinese Bannerman and Han incumbents and whether changes throughout the dynasty can be detected in policies concerning the office or in the career patterns of its personnel If such detection is possible this study may lend support to the view that late

imperial China was not static but a society undergoing significant changes xi **Twentieth Century China** James H. Cole,2004 Emphasizing reference works published since 1964 these volumes cover books periodicals and inclusions i e chapters in edited volumes on the 1911 Revolution the Republic of China 1949 post 1911 Taiwan post 1911 Hong Kong and Macao and post 1911 overseas Chinese **A Mirror for Socialism** Gilbert Rozman,2014-07-14 Gilbert Rozman examines the Soviet debate on Chinese socialism revealing striking similarities between what Soviet scholars write about China and what they criticize as anticommunist in Western writing on the Soviet Union Originally published in 1985 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Commodity and Exchange in the Mongol Empire** Thomas T. Allsen,1997-07-13 In the thirteenth century the Mongols created a vast transcontinental empire that intensified commercial and cultural contact throughout Eurasia From the outset of their expansion the Mongols identified and mobilized artisans of diverse backgrounds frequently transporting them from one cultural zone to another Prominent among those transported were Muslim textile workers resettled in China where they made clothes for the imperial court In a meticulous and fascinating account the author investigates the significance of cloth and colour in the political and cultural life of the Mongols Situated within the broader context of the history of the Silk Road the primary line in East West cultural communication during the pre Muslim era the study promises to be of interest not only to historians of the Middle East and Asia but also to art historians and textile specialists *Chinese Ideas About Nature and Society* Charles Le Blanc,Susan Blader,1987-05-01 The universe in Chinese eyes is a harmonious organism its pattern of movement is inherent and not imposed from without and the world of man being a part of the universe follows a similar pattern Derk Bodde *Harmony and Conflict in Chinese Philosophy* The main theme that pervades this Festschrift written by fellow scholars and students of Bodde for his seventy fifth birthday is that of the proper ordering of the universe as it obtains in the Chinese tradition CCP Research Newsletter ,1989 **Ideology and the Formation of Early States** ,2023-09-20 Eighteen authors from 10 countries offer an assessment of the role of ideology in the emergence and development of early states In a comparative perspective the significance of ideology in the processes that led to formation of states in Europe Africa Meso America and Polynesia is discussed by specialists in the fields of anthropology history and archaeology Special attention is given to subjects such as the concept of ideology regional comparison the reconstruction of ideologies on the basis of archaeological data gender relationships coercion legitimacy sacred kingship and ideology and change in an introductory chapter and a concluding discussion The findings of this volume will not only be of interest to anthropologists historians and archaeologists but to all those interested in the complex
