

The background of the book cover is a black and white photograph. In the foreground, there is a dense cluster of small, makeshift buildings, likely a slum or informal settlement. These buildings are constructed from various materials, including brick, concrete, and corrugated metal. Some have flat roofs, while others have more complex, layered structures. In the background, a city skyline is visible, featuring several tall, modern skyscrapers. A tall, curved street lamp stands in the middle ground, its arm reaching over the slum. The overall scene suggests a contrast between urban development and informal housing.
