Thieblin,2024-03-16 Reprint of the original first published in 1875 **Creating Spaniards** Sandie Eleanor Holguin,2002
Creating Spaniards is a cultural and intellectual history that explains the intersection of politics and culture and the formation of a national identity during Spain's Second Republic and Civil War It counters recent scholarship claiming that leaders of the Second Republic had no programs for inventing traditions to encourage a Spanish national identity Focusing on the Second Republic 1931-1936 Sandie Holguin illustrates how various intellectuals and politicians of the Republican Socialist coalition used theater literature and film to aid the construction of a unified Spanish culture and history She uses memoirs journals newspapers parliamentary debates and archival sources in her examination of the impact that cultural reforms had on the transformation of one of Europe's oldest states *Spain and the Spaniards* Nicolas Leon
