

Spanish Crossing

N Noddings

Spanish Crossing:

Spanish Crossing John Simmons, 2021-05-20 The Spanish Civil War casts a shadow over a London woman's life as she grows increasingly attached to a young Basque refugee. After Lorna, a legal secretary, meets and falls in love with Harry, a member of the International Brigade, he is tragically killed in the fighting in Spain. Lorna fears she might have lost her best chance of happiness. To fill the void in her life, she focuses on helping the child refugees of the conflict newly arrived in England on a boat from Bilbao. As Lorna discovers a connection to one boy, Pepe, their lives become increasingly intertwined in the postwar rebuilding of London after the bombing raids of World War II. But Pepe remains deeply pulled towards the homeland and family that have been placed beyond his reach, and their relationship will be tested by the tragic history they share. From the author of *The Good Messenger*, *Spanish Crossings* is an epic tale of love, politics, the human connection that crosses all borders, and the yearning but elusive possibility of redemption. [Spanish Expeditions into Texas, 1689-1768](#)

William C. Foster, 2010-01-01 Based on official Spanish expedition diaries, a fascinating account of the daily routes taken and the Indigenous tribes, terrain, and wildlife encountered. Mapping old trails has a romantic allure at least as great as the difficulty involved in doing it. In this book, William Foster produces the first highly accurate maps of the eleven Spanish expeditions from northeastern Mexico into what is now East Texas during the years 1689 to 1768. Foster draws upon the detailed diaries that each expedition kept of its route, cross-checking the journals among themselves and against previously unused eighteenth-century Spanish maps, modern detailed topographic maps, aerial photographs, and on-site inspections. From these sources emerges a clear picture of where the Spanish explorers actually passed through Texas. This information, which corrects many previous misinterpretations, will be widely valuable. Old names of rivers and landforms will be of interest to geographers. Anthropologists and archaeologists will find new information on encounters with some 139 named Indigenous tribes. Botanists and zoologists will see changes in the distribution of flora and fauna with increasing European habitation, and climatologists will learn more about the Little Ice Age along the Rio Grande. Foster offers readers as accurate an estimate as could ever be hoped for for the eleven routes as a whole. *The Journal of American History*. Foster does an excellent job of sorting out his predecessors' fallacious interpretations of the significance and location of certain routes. *Colonial Latin American Historical Review*. To have a single authoritative source of these early expeditions is enormously useful. Foster's work is the most authoritative on the subject. David J. Weber, Southern Methodist University. [Africa in the Contemporary Spanish Novel, 1990-2010](#)

Mahan L. Ellison, 2021-08-19 The time period of 1990-2010 marks a significant moment in Spanish literary publishing that emphasized a new focus on Africa and African voices and signaled the beginning of a publishing boom of Hispano-African authors and themes. *Africa in the Contemporary Spanish Novel, 1990-2010* analyzes the strategies that Spanish and Hispano-African authors employ when writing about Africa in the contemporary Spanish novel. Focusing on the former Spanish colonial territories of Morocco, Western Sahara, and Equatorial Guinea, Mahan L. Ellison analyzes the post

colonial literary discourse about these regions at the turn of the twenty first century Heexamines the new ways of conceptualizing Africa that depart from an Orientalist framework as advanced by novelists such as Lorenzo Silva Concha Lopez Saras a Ram n Mayrata and others Throughout Ellison also places the novels within their historical context specifically engaging with the theoretical ideas of Edward Said s Orientalism 1978 to determine to what extent his analysis of Orientalist discourse still holds value for a study of the Spanish novel of thirty years later

The Community Heritage in the Spanish Americas Howard Benoist,1999 Persons of Spanish Origin in the United States, March 1975 Marian Jane Fuller,United States. Bureau of the Census,1969 **Life, Death, and In-Between on the U.S.-Mexico Border** Martha Oehmke Loustaunau,Mary Sánchez-Bane,1999-10-30 Loustaunau and S nchez Bane combine their many years of association and collaboration dealing with health issues in the U S Mexico border area to bring together a series of chapters illustrating that as es la vida that s life need not indicate a fatalistic acceptance that poverty sickness misery and misfortune must be taken in stride The authors of the chapters have researched studied worked with or have been borderlanders themselves The chapters focus on the impact of the social structure and on the power and determination of people to change their conditions for the better increasing their choices and enlarging their worlds They look beyond political and economic barriers to find the spark in the human spirit that must be identified and nurtured to produce a better life for the benefit of peoples and nations on both sides of the border and to nourish the third culture as a bridge between nations The authors note the dangers and pitfalls along the way and the need for more realistic policies and programs to empower people to define their own problems and to participate in fashioning the solutions

US 6 from I-15 in Spanish Fork to I-70 in Green River in Utah, Wasatch, Carbon, and Emery Counties ,2005 *Oklahoma Treasures and Treasure Tales* Steve Wilson,1989-05-01 Contains stories some true some legendary about caches of lost treasure Gravitation and cosmology. Proceedings of the Spanish Relativity Meeting Alberto Lobo,2003 When Creole and Spanish Collide ,2021-05-25 Generations of West Indian migrants have long called Central America home The descendants of these Creole English speakers live in communal enclaves along the Caribbean coast of Central America where their Creole heritage and language are in contact zones with Spanish language and culture When Creoles and Spanish Collide Language and Culture in the Caribbean presents contemporary insight into these intra Caribbean diasporic communities on how they grapple with evolving Creole identity and representation language contact language endangerment and linguistic discrimination Communal resilience oftentimes manifests itself via linguistic innovation and creativity Editors Glenda Alicia Leung and Miki Loschky showcase the scholarship of emerging and established regional and transatlantic scholars in When Creoles and Spanish Collide which serves as a decolonizing research space

Construyendo Puentes (Building Bridges) Josef Hellebrandt,Lucia T. Varona,2023-07-03 Thirteenth in the Service Learning in Disciplines series this book provides a sound approach to the many conceptual and methodological changes that have taken place in the teaching of languages and cultures By reviewing the

accomplishments of Spanish teachers and what theory informs us the editors have compiled a series of suggestions to help students and teachers connect with communities in order to facilitate learning with each other rather than about each other

Language across Difference Django Paris, 2011-07-28 Once a predominantly African American city South Vista opened the twenty first century with a large Latino a majority and a significant population of Pacific Islanders Using an innovative blend of critical ethnography and social language methodologies Paris offers the voices and experiences of South Vista youth as a window into how today s young people challenge and reinforce ethnic and linguistic difference in demographically changing urban schools and communities The ways African American language Spanish and Samoan are used within and across ethnicity in social and academic interactions text messages and youth authored rap lyrics show urban young people enacting both new and old visions of pluralist cultural spaces Paris illustrates how understanding youth communication ethnicity and identities in changing urban landscapes like South Vista offers crucial avenues for researchers and educators to push for more equitable schools and a more equitable society

Spanish Yearbook of International Law Asociacin Es Paola de Profesores de Dere, 1998-07-08 The Spanish Yearbook of International Law brings together information concerning Spanish legal practice and a bibliography over the period of one year and makes it available to an international readership It serves as a vehicle for furthering knowledge of Spanish practice in the field of international law among an audience with no knowledge of Spanish It deals with both private and public international law taken in a broad sense to include summary treatment of international organizations of which Spain is a member
