DePedro, 1996 **The Great Filipino Dream** 2000 Ed. , 2000 Dream Trekker Gabriella Louise Sheldon, 2012-08-14 Not everybody gets to go home Not everybody wants to go back home I however had always wanted to see the land where my grandparents had been born All my life I had been curious about life on the other side of the pond where my ancestors had walked and talked I too wanted to walk the streets and see the scenery at fifty five degrees latitude but I never thought in my wildest dreams that I would go to Poland as a clown So begins a series of seven journeys that would take Gabriella Sheldon around the world as a volunteer In Poland she helped in a wheelchair distribution but later she would witness the atrocities of Auschwitz She lived and taught at a school in rural China and she also got to see such famous sites as the Great Wall She was a clown a teacher an orphan caretaker and a traveler Her roles varied and so did the cultures she visited She studied Polish Russian Mandarin Spanish and Lithuanian never gaining fluency yet always learning Each journey was a step of faith as she bought her plane tickets and made her plans often joining strangers in an outreach As you read Dream Trekker you will find yourself immersed in the daily life of a volunteer **Doors and Mirrors** Janet Brof, Hortense Carpentier, 1973-04-06 44 writers from 14 countries a wide range of themes and styles what is most striking is the spirit which animates each work if spirit seems too vague a word then let us say conviction or energy or even attitude It races through the stories and poems uniting the literary entities so that they seem to complete each other This spirit however is not ephemeral for these writers in digging out their roots have touched what is essential in themselves from the preface Donated by Wendy Larsen 8 2011 Ring bound photocopy *The Works of Francis Beaumont and John Fletcher: The Spanish curate. lieutenant. The faithful shepherdess. The mad lover. The loyal subject Francis Beaumont,1711 Wright's Official History of the Spanish-American War ,1900 **Christian Register and Boston Observer...** ,1917 **A Cuban Refugee's Journey to the American Dream** Gerardo M. González,2018-08-01 A touching memoir recounting the journey of a young Cuban immigrant to the US who went on to become a professor and university dean In February 1962 three years into Fidel Castro's rule of their Cuban homeland the González family an auto mechanic his wife and two young children landed in Miami with a few personal possessions and two bottles of Cuban rum As his parents struggled to find work eleven year old Gerardo struggled to fit in at school where a teacher intimidated him and school authorities placed him on a vocational track Inspired by a close friend Gerardo decided to go to college He not only graduated but with hard work and determination placed himself on a path through higher education that brought him to a deanship at the Indiana University School of Education In this deeply moving memoir González recounts his remarkable personal and professional journey The memoir begins with Gerardo's childhood in Cuba and recounts the family's emigration to the United States and struggles to find work and assimilate and González's upward track through higher education It demonstrates the transformative power that access to education can have on one person's life Gerardo's journey came full circle when he returned to Cuba fifty years after he left no longer the scared disheartened refugee but rather proud educated and determined to speak out against those who wished to silence others It includes treasured photographs and documents from González's life in Cuba and the US His is the story of one immigrant attaining the American Dream told at a time when the fate of millions of refugees throughout the world and Hispanics in the United States especially his fellow Cubans has never been more uncertain Author and educator Gerardo M González brilliantly illustrates the joys and struggles of the refugee experience and the inarguable role of education as an open door to opportunity This is a delightful read and one that will inspire you to achieve greatness regardless of the odds Dr Eduardo J Padrón President Miami Dade College There can be no more persuasive testimony to the power of intelligence commitment and inspiration than Gerardo M González's memoir The contribution of immigrants to America's prosperity and national achievements is undeniably impressive Yet this transformational story of challenge and achievement while individually exceptional is nonetheless emblematic of the experience of countless immigrants who have made America better than it could otherwise have been No finer antidote to the simplistic sloganeering of the immigration debate exists John V Lombardi President Emeritus University of Florida and author of *How Universities Work* Building The Dream Gwendolyn Wright,2012-05-09 For Gwendolyn Wright the houses of America are the diaries of the American people They create a fascinating chronicle of the way we have lived and a reflection of every political economic or social issue we have been concerned with Why did plantation owners build uniform cabins for their slaves Why were all the walls in nineteenth century tenements painted white Why did the parlor suddenly disappear from middle class houses at the turn of the century How did the federal highway system change the way millions of Americans raised their families Building the Dream introduces the

parade of people policies and ideologies that have shaped the course of our daily lives by shaping the rooms we have grown up in In the row houses of colonial Philadelphia the luxury apartments of New York City the prefab houses of Levittown and the public housing towers of Chicago Wright discovers revealing clues to our past and a new way of looking at such contemporary issues as integration sustainable energy the needs of the elderly and how we define family *Spanish Suicide* T. Edwin Robertson, 2017-04-13 A man after his love life falls apart and finding out that he may be dying of brain cancer takes a trip to Spain to uncover the truth behind an old suicide realizing he has already met the girl who supposedly killed herself and he may still be in love with her ghost **Henri Lefebvre and the Spanish Urban Experience** Benjamin Fraser, 2011-08-11 Henri Lefebvre and the Spanish Urban Experience is the first book to thoroughly apply the French urban philosopher's thought on cities to the culture and literature of Spain Fraser shows how Lefebvre's complex view of the city as a mobile phenomenon is relevant to understanding a variety of Spanish cultural products from urban plans and short writing on the urban experience during the nineteenth century to urban theories cultural practices and literary fiction of the twentieth century pushing on to interrogate even the appearance of Mediterranean space and Barcelona in recent video games Spirit of Hispania (Spanish Version) Jules Tasca, 1991 The American Kitchen Magazine, 1898 **Golden Hours**, 1875 **Latin Style**, 2002 The dream Owen Jones, 2023-02-28 The Dream takes up the story of Lek her family and friends from two years further down the line In the past it has always been Lek who issued the ultimata but this story opens with her having received one and it throws her She is offered the fulfilment of her oldest dream but can she take it The fulfilment of any dream requires sacrifices but is Lek prepared to make them now that her goal is within her grasp It is a tough one which means a hard time for her although her family and friends are behind her as always Which way will she go The instinct to follow her dream and the inertia of a comfortable life in the village as she gets older vie for supremacy in her mind As is usual in this series nothing is hidden from the reader we are privy to all of Lek's agonizing thoughts The Behind The Smile Series is the story of Lek a bar girl in Pattaya Thailand Lek was born the eldest child of four in a typical rice farming family in the northern rice belt of Thailand A catastrophe occurred out of the blue one day her father died young with huge debts that the family knew nothing about Lek was just twenty years of age and the only one who could prevent the foreclosure of the family farm and allow her younger sister and two brothers to continue their education However the only way she knew how was to go to work in her cousin's bar in Pattaya Can a Pattaya bar girl ever go back to being a regular girlfriend or wife Behind The Smile is a look into one part of Thailand a country known around the world as The Land of Smiles The Dream takes up the story of Lek her family and friends from two years further down the line In the past it has always been Lek who issued the ultimata but this story opens with her having received one and it throws her She is offered the fulfilment of her oldest dream but can she take it The fulfilment of any dream requires sacrifices but is Lek prepared to make them now that her goal is within her grasp It is a tough one which means a hard time for her although her family and

friends are behind her as always Which way will she go The instinct to follow her dream and the inertia of a comfortable life in the village as she gets older vie for supremacy in her mind As is usual in this series nothing is hidden from the reader we are privy to all of Lek s agonizing thoughts Translator Owen Jones PUBLISHER TEKTIME **Conversations Across Our America** Louis G. Mendoza, 2012-06-01 In the summer of 2007 Louis G Mendoza set off on a bicycle trip across the United States with the intention of conducting a series of interviews along the way Wanting to move beyond the media s limited portrayal of immigration as a conflict between newcomers and citizens he began speaking with people from all walks of life about their views on Latino immigration From the tremendous number of oral histories Mendoza amassed the resulting collection offers conversations with forty three different people who speak of how they came to be here and why they made the journey They touch upon how Latino immigration is changing in this country and how this country is being changed by Latinoization Interviewees reflect upon the concerns and fears they ve encountered about the transformation of the national culture and they relate their own experiences of living and working as other in the United States Mendoza s collection is unique in its vastness His subjects are from big cities and small towns They are male and female young and old affluent and impoverished Many are political striving to change the situation of Latinos in this country but others are everyday people reflecting upon their lives in this country and on the lives they left behind Mendoza s inclusion of this broad swath of voices begins to reflect the diverse nature of Latino immigration in the United States today
