Bible, 1985-2002 Andy Slaven,2002 With nearly three years of research utilized to compile game lists and thousands of hours
 used to play and review the games listed within Video Game Bible is the most comprehensive source of information on video
 games released in the U S since 1985 ever created Prices are based on realistic figures compiled by interviewing hundreds of
 large collectors and game store owners and offer a realistic guideline to be followed by both collectors and video gamers
 looking to complete their collections While numerous guides have been compiled on the subject of classic video games this
 book offers coverage of video game consoles releases after 1985 known as the neo classics With 39 systems in total Video
 Game Bible offers the largest guide to date With the recent proliferation of video game collecting into the mainstream it is
 necessary to have a standard by which games are valued This is the first installment in a series of guides intended to offer
 full coverage of every video game ever made worldwide Video game consoles are grouped together by the company that
 made them for easy reference In addition to the table of contents which lists each section separately there are corner tabs to
 make browsing the guide even more convenient Thousands of new facts are offered within the pages of this book as are
 thousands of reviews and overviews Written in a lighthearted manner chapters of this guide that may not pertain to a
 particular collector will still be enjoyable for intelligent readers An easy to use reference guide suitable for any age this guide
