Spanish Monarchy And Irish Mercenaries:

The Spanish Monarchy and Irish Mercenaries R. A. Stradling, 1994 This book studies the background and development in Spain Flanders England and Ireland of a traffic in fighting men It discusses the strategic and ideological features of civil wars in England and Ireland which took place within the greater European conflicts being fought out by Spain and its enemies New data from Spanish archives has permitted a stringent testing of numerical estimates of soldiers transported made by the contemporary observer Sir William Petty The core of this book traces the fortunes of the army created by Owen Roe O'Neill the victors of Benburb acclaimed by one poet as the Fianna Fail from its surrender at Cloughoughter to its disappearance over the horizon of history on the march across Spain The author vividly recreates the privations of war life and death undergone by these men during a twelve month journey to a distant eastern front The names of many of the Fianna Fail are now recorded and the extent of Spain's dependence on them and thousands of their fellows is revealed BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

The Irish in the Spanish Armies in the Seventeenth Century Eduardo de Mesa, 2014 Provides a wealth of detail on how the wild geese the Irish who refused to submit to the English played a significant role in the armies of Spain It is well known that many Irishmen who refused to submit to the English in the reigns of Elizabeth and the early Stuart kings including the famous earls of Tyrone and Tyrconnell went to fight for the king of Spain but what they did when they joined the Spanish armies is much less well known This book provides a wealth of detail on the activities of the Irish in the Spanish armies in the late sixteenth and seventeenth centuries It outlines who the Irish soldiers were how they were recruited and the terms under which they served It discusses their military roles both in the wars in Flanders between the Spanish and their former Dutch subjects and later in the Hispanic peninsula showing how the Irish were often employed as elite troops who made significant contributions to major military actions such as the siege of Breda in 1624 It examines military tactics explores the politics of the Spanish armies showing how the Irish fitted in and discusses how when the rebellion of 1641 broke out in Ireland many Irish soldiers returned to Ireland to resume the fight against the English Eduardo de Mesa completed his doctorate at University College Dublin He is the author of *La pacificación de Flandes española y las campañas de Frisia 1604-1609* 2009 and *Discurso Militar del Marqués de Aytona* 2008 co author of *La Monarquía de Felipe III* 2008 and author of numerous articles chapters in edited collections and encyclopedia entries

British and Irish Emigrants and Exiles in Europe, 1603-1688 David Worthington, 2010-01-15 This book comprises the first full length comparison of Scottish Irish English and Welsh migration within Europe in the early modern period Divided into four sections Immigrants and Civilian Life Diplomats and Travellers Protestants and Patrons and Catholics at Home and Abroad it offers a new perspective on several themes Contributors elucidate networks of traders soldiers as well as scholars and religious figures Material regarding patterns of residence sometimes of the nature of an enclave sometimes not places of worship choice of marital partners and cases of

return migration is presented the results demonstrating clearly the fruitfulness of pursuing a comparative approach to seventeenth century British and Irish history Contributors are Waldemar Kowalski Peter Davidson Douglas Catterall Steve Murdoch Ciaran O Scea amon Cios in Igor P rez Tostado Kathrin Zickermann Barry Robertson Siobhan Talbott Polona Vidmar David J B Trim Tom McNally Thomas O Connor and Caroline Bowden

The Irish and the Spanish Civil War, 1936-39 R. A. Stradling, 1999 The outbreak of the Spanish Civil War threw Irish politics north and south of the border into turmoil Ireland sent large organised bodies of men to fight on opposite sides in the Spanish Civil War essentially enemy crusades

Irish Voices from the Spanish Inquisition Thomas O'Connor, 2016-04-08 This book explores the activities of early modern Irish migrants in Spain particularly their rather surprising association with the Spanish Inquisition Pushed from home by political economic and religious instability and attracted to Spain by the wealth and opportunities of its burgeoning economy and empire the incoming Irish fell prey to the Spanish Inquisition For the inquisitors the Irish as vassals of Elizabeth I were initially viewed as a heretical threat and suffered prosecution for Protestant heresy However for most Irish migrants their dual status as English vassals and loyal Catholics permitted them to adapt quickly to provide brokerage and intermediary services to the Spanish state mediating informally between it and Protestant jurisdictions especially England The Irish were particularly successful in forging an association with the Inquisition to convert incoming Protestant soldiers merchants and operatives for useful service in Catholic Spain As both victims and agents of the Inquisition the Irish emerge as a versatile and complex migrant group Their activities complicate our view of early modern migration and raise questions about the role of migrant groups and their foreign networks in the core historical narratives of Ireland Spain and England and in the history of their connections Irish Voices from the Spanish Inquisition throws new light on how the Inquisition worked not only as an organ of doctrinal police but also in its unexpected role as a cross creedal instrument of conversion and assimilation

An Irish Rebel in New Spain Andrea Martínez Baracs, 2021-11-19 An Irish Rebel in New Spain recounts the story of the so called Irish Zorro who in 1659 was burned at the stake for conspiring against the empire to make himself king of Mexico restore the privileges of the Indigenous people end the persecution of the Jews and free the African slaves William Lamport was an Irish rebel a soldier a poet and a thinker His Catholic family lost their land and their religious freedom after the English conquest of Ireland In 1640 Lamport emigrated to New Spain where he witnessed the abuses of the colonial system and later ran afoul of the Mexican Inquisition Imprisoned in 1642 Lamport argued his own defense as well as that of the Jews who were in prison with him Along with a concise biography this volume provides an anthology of Lamport s most representative writings his detailed project for a Spanish supported Irish insurrection a manifesto and plan for a Mexican uprising against Spain his self defense which he nailed to the doors of the cathedral when he managed to momentarily escape from prison a selection of his poetry and the court documents about the accusation that led him to the pyre This concise compelling and original reflection on the systems of justice in seventeenth century Mexico is designed

for classes on early modern Spain colonial Latin America and the Inquisition Those with an affinity for Irish history will also enjoy learning about the colorful life of William Lamport **Catholic Reformation in Ireland** Tadhg Ó

hAnnracháin,2002-06-20 The success of the Irish Counter Reformation was a crucial development in the history of the island and subsequently a vital component in the troubled relationship between Ireland and Britain For centuries the politics of the archipelago have been affected by conflicts whose deepest roots are located in the religious changes of the seventeenth century This book offers a scholarly and dramatic reappraisal of a central episode in the extension of Catholic reform to the island the papal nunciature of GianBattista Rinuccini Tadhg hAnnrach in situates Rinuccini s mission in its wider European context and provides an entirely new perspective not only on the man at the heart of events during the turbulent 1640s but also on the seventeenth century penetration of Catholic reform into Ireland and on the Irish theatre of the Wars of the Three Kingdoms **Making Ireland British 1580-1650** Nicholas Canny,2001-05-03 This is the first comprehensive study of all

the plantations that were attempted in Ireland during the years 1580 1650 It examines the arguments advanced by successive political figures for a plantation policy and the responses which this policy elicited from different segments of the population in Ireland The book opens with an analysis of the complete works of Edmund Spenser who was the most articulate ideologue for plantation The author argues that all subsequent advocates of plantation ranging from King James VI and I to Strafford to Oliver Cromwell were guided by Spenser s opinions and that discrepancies between plantation in theory and practice were measured against this yardstick The book culminates with a close analysis of the 1641 insurrection throughout Ireland which it is argued steeled Cromwell to engage in one last effort to make Ireland British **British and Irish**

diasporas Donald MacRaild,Tanja Bueltmann,J. C. D. Clark,2019-01-07 People from the British and Irish Isles have for centuries migrated to all corners of the globe Wherever they went the English Irish Scots Welsh and and even sub national supra regional groups like the Cornish co mingled blended and blurred Yet while they gradually integrated into new lives in far flung places British and Irish Isle emigrants often maintained elements of their distinctive national cultures which is an important foundation of diasporas Within this wider context this volume seeks to explore the nature and characteristics of the British and Irish diasporas stressing their varying origins and evolution the developing attachments to them and the differences in each nation s recognition of their own diaspora The volume thus offers the first integrated study of the formation of diasporas from the islands of Ireland and Britain with a particular view to scrutinizing the similarities differences tensions and possibilities of this approach *Exile, Diplomacy and Texts* Ana Sáez-Hidalgo,Berta Cano

Echevarría,2020-11-30 *Exile Diplomacy and Texts* offers an interdisciplinary narrative of religious political and diplomatic exchanges between early modern Iberia and the British Isles during a period uniquely marked by inconstant alliances and corresponding antagonisms Such conditions notwithstanding the essays in this volume challenge conventionally monolithic views of confrontation providing through fresh examination of exchanges of news movements and interactions of people

transactions of books and texts new evidence of trans national and trans cultural conversations between British and Irish communities in the Iberian Peninsula and of Spanish and Portuguese others travelling to Britain and Ireland Contributors Berta Cano Echevarra Rui Carvalho Homem Mark Hutchings Thomas O Connor Susana Oliveira Tamara P rez Fernandez Glyn Redworth Marta Revilla Rivas and Ana S ez Hidalgo **The Kingdom of Ireland, 1641-1760** Toby

Barnard,2017-03-10 How did the Protestants gain a monopoly over the running of Ireland and replace the Catholics as rulers and landowners To answer this question Toby Barnard Examines the Catholics attempt to regain control over their own affairs first in the 1640s and then between 1689 and 1691 Outlines how military defeats doomed the Catholics to subjection allowing Protestants to tighten their grip over the government Studies in detail the mechanisms both national and local through which Protestant control was exercised Focusing on the provinces as well as Dublin and on the subjects as well as the rulers Barnard draws on an abundance of unfamiliar evidence to offer unparalleled insights into Irish lives during a troubled period Irish Soldiers in Europe, 17th-19th Century George B. Clark,2010 Distributor from label on p 4 of cover

Strange Kin Kieran Quinlan,2005-01-01 The ties between Ireland and the American South span four centuries and include shared ancestries cultures and sympathies The striking parallels between the two regions are all the more fascinating because studded with contrasts they are so complex Kieran Quinlan a native of Ireland who now resides in Alabama is ideally suited to offer the first in depth exploration of this neglected subject which he does to a brilliant degree in Strange Kin The Irish relationship to the American South is unique Quinlan explains in that it involves both kin and kinship He shows how a significant component of the southern population has Irish origins that are far more tangled than the simplistic distinction between Protestant Scotch Irish and plain Catholic Irish African and Native Americans too have identified with the Irish through comparable experiences of subjugation displacement and starvation The civil rights movement in the South and the peace initiative in Northern Ireland illustrate the tense intertwining that Quinlan addresses He offers a detailed look at the connections between Irish nationalists and the Confederate cause revealing remarkably similar historical trajectories in Ireland and the South Both suffered defeat both have long been seen as problematic if also highly romanticized areas of otherwise progressive nations both have been identified with religious prejudices and both have witnessed bitter disputes as to the interpretation of their respective lost causes Quinlan also examines the unexpected twentieth century literary flowering in Ireland and the South as exemplified by Irish writers W B Yeats James Joyce and Elizabeth Bowen and southern authors William Faulkner Eudora Welty and Flannery O Connor Sophisticated as well as entertaining Strange Kin represents a benchmark in Irish American cultural studies Its close consideration of the familial and circumstantial resemblances between Ireland and the South will foster an enhanced understanding of each place separately as well as of the larger British and American polities **Emigrant homecomings** Marjory Harper,2017-03-01 Emigrant Homecomings addresses the significant but neglected issue of return migration to Britain and Europe since 1600 While emigration studies have become

prominent in both scholarly and popular circles in recent years return migration has remained comparatively under researched despite evidence that in the nineteenth and twentieth centuries between a quarter and a third of all emigrants from many parts of Britain and Europe ultimately returned to their countries of origin *Emigrant Homecomings* analyses the motives experiences and impact of these returning migrants in a wide range of locations over four hundred years as well as examining the mechanisms and technologies which enabled their return The book examines the multiple identities that migrants adopted and the huge range and complexity of homecomers motives and experiences It also dissects migrants perception of home and the social economic cultural and political change that their return engendered

The Army of Flanders and the Spanish Road, 1567-1659 Geoffrey Parker, 2004-10-14 The publication of *The Army of Flanders and the Spanish Road* in 1972 marked the birth of the new military history which emphasized military organization mobilization pay supply morale and above all logistics rather than military events such as sieges and battles Geoffrey Parker studied one of the great logistical feats of early modern Europe how Habsburg Spain managed to maintain and mobilize the largest army in Europe in an 80 year effort to suppress the Dutch Revolt at 700 miles distance Using a unique combination of surviving records he presented strikingly the logistical problems of fighting wars in early modern Europe and demonstrated why Spain failed to suppress the Dutch Revolt The book has been constantly cited since its first publication in English with translations into Spanish and Dutch This revised second edition includes some new sources and updates some references but otherwise remains faithful to the original version

The Origins of Sectarianism in Early Modern Ireland Alan Ford, John McCafferty, John David McCafferty, 2005-12-08 Ireland is riven by sectarian hatred This simple assumption provides a powerful explanation for the bitterness and violence which has so dominated Irish history Most notably the troubles in Northern Ireland have provided fertile ground for scholars from all disciplines to argue about and explore ways in which religious division fueled the descent into hostility and disorder In much of this literature however sectarianism is seen as somehow a given in Irish history an inevitable product of the clash of the Reformation and Counter Reformation something which sprang fully formed into existence in the sixteenth century In this book leading historians provide a detailed analysis of the ways in which rival confessions were developed in early modern Ireland the extent to which the Irish people were indeed divided into two religious camps by the mid seventeenth century and also their surprising ability to transcend such stark divisions

Ireland: 1641 Micheál Ó Siochrú, Jane Ohlmeyer, 2016-05-16 The 1641 rebellion is one of the seminal events in early modern Irish and British history Its divisive legacy based primarily on the sharply contested allegation that the rebellion began with a general massacre of Protestant settlers is still evident in Ireland today Indeed the 1641 massacres like the battles at the Boyne 1690 and Somme 1916 played a key role in creating and sustaining a collective Protestant British identity in Ulster in much the same way that the subsequent Cromwellian conquest in the 1650s helped forge a new Irish Catholic national identity Following a successful hardback edition *Siochrú and Ohlmeyer's* popular title is now available in

paperback The original and wide ranging themes chosen by leading international scholars for this volume will ensure that this edited collection becomes required reading for all those interested in the history of early modern Europe It will also appeal to those engaged in early colonial studies in the Atlantic world and beyond as the volume adopts a genuinely comparative approach throughout examining developments in a broad global context Migration in Irish History 1607-2007 Patrick Fitzgerald, Brian Lambkin, 2008-10-27 Migration people moving in as immigrants around as migrants and out as emigrants is a major theme of Irish history This is the first book to offer both a survey of the last four centuries and an integrated analysis of migration reflecting a more inclusive definition of the people of Ireland **The Cambridge History of Ireland: Volume 2, 1550-1730** Jane Ohlmeyer, Thomas Bartlett, 2018-04-26 This volume offers fresh perspectives on the political military religious social cultural intellectual economic and environmental history of early modern Ireland and situates these discussions in global and comparative contexts The opening chapters focus on Politics and Religion and War and offer a chronological narrative informed by the re interpretation of new archives The remaining chapters are more thematic with chapters on Society Culture and Economy and Environment and often respond to wider methodologies and historiographical debates Interdisciplinary cross pollination between on the one hand history and on the other disciplines like anthropology archaeology geography computer science literature and gender and environmental studies informs many of the chapters The volume offers a range of new departures by a generation of scholars who explain in a refreshing and accessible manner how and why people acted as they did in the transformative and tumultuous years between 1550 and 1730

Women, Writing, and Language in Early Modern Ireland Marie-Louise Coolahan, 2010-01-28 This book examines writing in English Irish and Spanish by women living in Ireland and by Irish women living on the continent between the years 1574 and 1676 This was a tumultuous period of political religious and linguistic contestation that encompassed the key power struggles of early modern Ireland This study brings to light the ways in which women contributed they strove to be heard and to make sense of their situations forging space for their voices in complex ways and engaging with native and new language traditions The book investigates the genres in which women wrote poetry nuns writing petition letters depositions biography and autobiography It argues for a complex understanding of authorial agency that centres of the act of creating or composing a text which does not necessarily equate with the physical act of writing The Irish English and European contexts for women's production of texts are identified and assessed The literary traditions and languages of the different communities living on the island are juxtaposed in order to show how identities were shaped and defined in relation to each other Marie Louise Coolahan elucidates the social political and economic imperatives for women's writing examines the ways in which women characterized female composition and describes an extensive range of cross cultural multilingual activity

Spanish Monarchy And Irish Mercenaries Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has become much more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is actually remarkable. Finding specific Spanish Monarchy And Irish Mercenaries, especially related to Spanish Monarchy And Irish Mercenaries, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Spanish Monarchy And Irish Mercenaries, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Spanish Monarchy And Irish Mercenaries books or magazines might include. Look for these in online stores or libraries. Remember that while Spanish Monarchy And Irish Mercenaries, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Spanish Monarchy And Irish Mercenaries eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Spanish Monarchy And Irish Mercenaries full book , it can give you a taste of the authors writing

style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Spanish Monarchy And Irish Mercenaries eBooks, including some popular titles.

FAQs About Spanish Monarchy And Irish Mercenaries Books

What is a Spanish Monarchy And Irish Mercenaries PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Spanish Monarchy And Irish Mercenaries PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Spanish Monarchy And Irish Mercenaries PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Spanish Monarchy And Irish Mercenaries PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Spanish Monarchy And Irish Mercenaries PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
