Frontier Scots Jenni

Calder,2020-05-15 Today there are up to 25 million Americans who claim to have Scottish heritage Many of these people are the descendants of Scots who journeyed to America in the 19th Century and became true pioneers in the West These men and women were real cowboys and homesteaders they were sheriffs and outlaws they mined gold and built railroads and they were among the first to conquer the frontier making lives for themselves in the wild west Most importantly they became the Scots who helped to shape the United States of America From the commended to the condemned the Scots who braved America s frontier territories have made a lasting impact on what is now the world s most powerful country This is an accurate and fascinating depiction of these people and their stories giving real insight into the lives of the frontier Scots
