Spanish Cuban American War And The Birth Of American Imperialism 1895 19:

The Spanish-Cuban-American War and the Birth of American Imperialism, 1895-1902 Philip S. Foner, 1972

The Spanish-Cuban-American War and the Birth of American Imperialism Vol. 1 Philip S. Foner, 1972 This major work by Philip Foner the well known historian has as its chief object the re definition of the conflict known in the U S historiography as the Spanish American war This very name in his view reflects the bias of two generations of historians who relegated Cuba to the passive position of a prize in a struggle between Spain and the United States It is his contention that the Cuban nation by virtue of its prolonged and successful rebellion of 1895 1898 treated in Vol 1 was a central protagonist of the conflict its role ending when it was subjected to neocolonial status by the United States In pursuing this new outlook Professor Foner studied the sources available in the United States the rich materials in the Archivo Nacional and the Library of the City Historian in Havana and enlisted help and documentary evidence furnished by the leading historians and historical institutes of Cuba These sources have enabled him to deal at length with the occupation and subjugation of Cuba by the United States and reconstruct the story in richer detail and in a more realistic interpretation than has ever been done before Volume II begins with the war in Cuba after U S intervention in 1898 and covers the imposition of U S domination of Cuba through the Platt Amendment which marked the beginning of American neocolonialism Back cover *The Spanish-Cuban-American War and the Birth of American Imperialism, 1895-1902* Philip Sheldon Foner, 1973-01-01

The Spanish-Cuban-American War and the Birth of American Imperialism, 1895-1902 P. Foner, 1972 *The Spanish-Cuban-American War and the Birth of American Imperialism Vol. 2* Philip S. Foner, 1972 This volume covers the imposition of U S domination over Cuba through the Platt Amendment which marks the beginning of U S neocolonialism **The Spanish-Cuban-American War and the Birth of American Imperialism, 1895-1902** Philip Sheldon Foner, 1972

The Spanish-Cuban-American War and the Birth of American Imperialism, 1895-1902: 1898-1902 Philip Sheldon Foner, 1972 This major work by Philip Foner the well known historian has as its chief object the re definition of the conflict known in the U S historiography as the Spanish American war This very name in his view reflects the bias of two generations of historians who relegated Cuba to the passive position of a prize in a struggle between Spain and the United States It is his contention that the Cuban nation by virtue of its prolonged and successful rebellion of 1895 1898 treated in Vol 1 was a central protagonist of the conflict its role ending when it was subjected to neocolonial status by the United States In pursuing this new outlook Professor Foner studied the sources available in the United States the rich materials in the Archivo Nacional and the Library of the City Historian in Havana and enlisted help and documentary evidence furnished by the leading historians and historical institutes of Cuba These sources have enabled him to deal at length with the occupation and subjugation of Cuba by the United States and reconstruct the story in richer detail and in a more realistic interpretation than has ever been done before Volume II begins with the war in Cuba after U S intervention in 1898 and covers the imposition of U S domination of Cuba through the Platt

Amendment which marked the beginning of American neocolonialism Back cover

The End of the Spanish Empire, 1898-1923 Sebastian Balfour, 1997 This is the first full account in any language of Spain's disastrous war with the United States in 1898 in which she lost the scattered remnants of her old empire It is also the first comprehensive analysis of the ensuing political and social crisis in Spain stretching from the loss of the Empire to the military coup of 1923 Sebastian Balfour weaves together political economic and social history in his study of the reaction to war and crisis by a wide range of participants from rioters to rulers He examines the rise of Catalan nationalism the fruitless efforts of politicians and intellectuals to regenerate Spain from above the disintegration of Spain's political system before 1923 and the creation of an imperial myth in the subsequent dictatorship of Primo de Rivera and Franco This is essential reading for anyone wishing to understand the roots of the Spanish crisis in the first half of the twentieth century

The War with Spain in 1898 David F. Trask, 1996-01-01 Remember the Maine The war cry spread throughout the United States after the American battleship was blown up in Havana harbor on February 15 1898 Americans already sympathetic with Cuba's struggle for independence from Spain demanded action Brief and decisive not too costly the Spanish American War made the United States a world power David F Trask's War with Spain in 1898 is a cogent political and military history of that splendid little war It describes the failure of diplomacy the state of preparedness of both sides the battles including those of Theodore Roosevelt and his Rough Riders the enlargement of conflict to rout the Spanish from Puerto Rico and the Philippines and the misconceptions surrounding the war

The Encyclopedia of the Spanish-American and Philippine-American Wars Spencer C. Tucker, 2009-05-20 A comprehensive overview of the wars that saw the United States emerge as a world power one that had immense implications for America especially in Latin America and Asia ABC CLIO acclaimed publisher of superior references on the United States at war revisits a pivotal moment in America's coming of age with *The Encyclopedia of the Spanish American and Philippine American Wars A Political Social and Military History* Again under the direction of renowned scholar Spencer Tucker the encyclopedia covers the conflict between the United States and Spain with a depth and breadth no other reference works can match The encyclopedia offers two complete volumes of alphabetically organized entries written by some of the world's foremost historians covering everything from the course of the wars to relevant economic social and cultural matters in the United States Spain and other nations Featuring a separate volume of primary source documents and a wealth of images and maps the encyclopedia portrays the day to day drama and lasting legacy of the war like never before guiding readers through a seminal event in America's transition from the Gilded Age to the Progressive Era

The Spanish-American War and President McKinley Lewis L. Gould, 1982 This lively thought provoking analysis is based on the author's highly acclaimed *Presidency of William McKinley* This is by all odds the best study of the coming of the war the war itself and the aftermath of the conflict Paul S Holbo University of Oregon According to the author McKinley's enhancement of presidential power and his personal leadership in war making and diplomacy made him the first truly

modern president This thesis is carefully developed and effectively argued The book s brevity readability and interpretive insights make it attractive for the classroom But this is no mere digest for undergraduates for more advanced scholars can learn from it too Pacific Historical Review In the Cause of Humanity Fabian Klose,2021-12-09 A major new history of the emergence of the theory and practice of humanitarian intervention during the nineteenth century *El Norte* Carrie Gibson,2022-03-30 A sweeping saga of the Spanish history and influence in North America over five centuries from the acclaimed author of *Empire s Crossroads* Because of our shared English language as well as the celebrated origin tales of the Mayflower and the rebellion of the British colonies the United States has prized its Anglo heritage above all others However as Carrie Gibson explains with great depth and clarity in *El Norte* the nation has much older Spanish roots ones that have long been unacknowledged or marginalized The Hispanic past of the United States predates the arrival of the Pilgrims by a century and has been every bit as important in shaping the nation as it exists today *El Norte* chronicles the dramatic history of Hispanic North America from the arrival of the Spanish in the early 16th century to the present from Ponce de Leon s initial landing in Florida in 1513 to Spanish control of the vast Louisiana territory in 1762 to the Mexican American War in 1846 and up to the more recent tragedy of post hurricane Puerto Rico and the ongoing border acrimony with Mexico Interwoven in this narrative of events and people are cultural issues that have been there from the start but which are unresolved to this day language belonging community race and nationality Seeing them play out over centuries provides vital perspective at a time when it is urgently needed In 1883 Walt Whitman meditated on his country s Spanish past We Americans have yet to really learn our own antecedents and sort them to unify them predicting that to that composite American identity of the future Spanish character will supply some of the most needed parts That future is here and *El Norte* a stirring and eventful history in its own right will make a powerful impact on our national understanding This history debunks the myth of American exceptionalism by revisiting a past that is not British and Protestant but Hispanic and Catholic Gibson begins with the arrival of Spaniards in La Florida in 1513 discusses Mexico s ceding of territory to the U S in 1848 and concludes with Trump s nativist fixations Along the way she explains how California came to be named after a fictional island in a book by a Castilian Renaissance writer and asks why we ignore a chapter of our history that began long before the Pilgrims arrived At a time when the building of walls occupies so much attention Gibson makes a case for the blurring of boundaries New Yorker A sweeping and accessible survey of the Hispanic history of the U S that illuminates the integral impact of the Spanish and their descendants on the U S s social and cultural development This unusual and insightful work provides a welcome and thought provoking angle on the country s history and should be widely appreciated Publishers Weekly starred review PW Pick Theodore Roosevelt and the Art of American Power William R. Nester,2019-02-28 Theodore Roosevelt is an American icon his face carved in granite alongside those of Washington Jefferson and Lincoln on Mt Rushmore He is the only American awarded both the Medal of Honor and Nobel Peace Prize As president he pushed through

a stubborn Congress to breakup corporate monopolies strangling the economy impose health standards on the food and drug industries and conserve America's natural heritage including the Grand Canyon and Redwood forest He was a brilliant diplomat who ended a war between Japan and Russia and prevented a war between Germany and France He engineered independence for the province of Panama from Columbia then signed a treaty with the new country that entitled the United States to build run and defend a Panama canal He crusaded for progressive reforms as a New York assemblyman U S civil service commissioner New York City police commissioner and New York governor He led scientific expeditions across East Africa's savanna and Brazil's rainforest During the war with Spain he raised a cavalry regiment and led his Rough Riders to a decisive victory at San Juan Heights As a Dakota rancher during the frontier's twilight he squared off with outlaws and renegade Indians He was a prolific writer authoring 38 books and hundreds of essays Roosevelt was among the most charismatic presidents Yet although most Americans adored him most Wall Street moguls and political bosses hated him for his reforms He was complex simultaneously peacemaker and warmonger progressive and conservative Machiavellian and Kantian avid hunter and nature lover Roosevelt accomplished all that he did because he mastered the art of American power His motto speak softly and carry a big stick exemplified how he asserted power to defend or enhance American interests Time after time he bested such titans as J P Morgan or Kaiser Wilhelm at the game of power Although he is the subject of dozens of books this is the first to comprehensively explore just how Roosevelt understood massed and wielded power to pursue his vision for an America as the world's most prosperous just and influential nation

The Monroe Doctrine in a Contemporary Perspective Denneth M. Modeste, 2020-02-05 This book surveys the impact of the Monroe Doctrine on United States relations with Latin America with a particular focus on the Caribbean Basin since its proclamation in 1823 It explores the historical role of the Monroe Doctrine as the instrument to foreclose future European colonial adventures in the American hemisphere and to exclude from it any political system's deemed to be incompatible with the American political tradition Modeste examines the elastic interpretations of the Monroe Doctrine to justify American territorial expansion and imperial ambitions premised on a strategic question the power controlling the Latin American Caribbean trade routes and Sea Lines of Communication Fundamental to the narrative is the linkage of the tenets of the Monroe Doctrine to contemporary local regional crises where governments have applied extraordinary extra constitutional measures to exercise control or achieve political ends mechanisms of peaceful conflict resolution failures and subversive elements that use unorthodox methods to threaten the integrity of the state Modeste also traces the transformation of the Monroe Doctrine from a unilateral policy declaration to a multilateral compact for the collective defence of the hemisphere

Occupational Hazards David M. Edelstein, 2011-07-20 Few would contest that the U S occupation of Iraq is a clear example of just how fraught a military occupation can become In *Occupational Hazards* David M Edelstein elucidates the occasional successes of military occupations and their more frequent failures Edelstein has identified twenty six cases since 1815 in which an outside

power seized control of a territory where the occupying party had no long term claim on sovereignty In a book that has implications for present day policy he draws evidence from such historical cases as well as from four current occupations Bosnia Kosovo Afghanistan and Iraq where the outcome is not yet known Occupation is difficult in Edelstein s view because ambitious goals require considerable time and resources yet both the occupied population and the occupying power want occupation to end quickly and inexpensively in drawn out occupations impatience grows and resources dwindle This combination sabotages the occupying power s ability to accomplish two tasks convince an occupied population to suppress its nationalist desires and sustain its own commitment to the occupation Structural conditions and strategic choices play crucial roles in the success or failure of an occupation In describing those factors Edelstein prescribes a course of action for the future

Cinema's Military Industrial Complex Haidee Wasson, Lee Grieveson, 2018-01-23 The vast and vastly influential American military machine has been aided and abetted by cinema since the earliest days of the medium The US military realized very quickly that film could be used in myriad ways training testing surveying and mapping surveillance medical and psychological management of soldiers and of course propaganda Bringing together a collection of new essays based on archival research Wasson and Grieveson seek to cover the complex history of how the military deployed cinema for varied purposes across the the long twentieth century from the incipient wars of US imperialism in the late nineteenth century to the ongoing War on Terror This engagement includes cinema created and used by and for the military itself such as training films the codevelopment of technologies chemical mechanical and digital and the use of film and related mass media as a key aspect of American soft power at home and around the world A rich and timely set of essays this volume will become a go to for scholars interested in all aspects of how the military creates and uses moving image media

American Foreign Relations Reconsidered Gordon Martel, 2002-11 Brings together 12 scholars of US foreign relations Each contributor provides a concise summary of an important theme in US affairs since the Spanish American War US policy process economic interests relations with the Third World and the nuclear arms race have been highlighted

China's Influence and the Center-periphery Tug of War in Hong Kong, Taiwan and Indo-Pacific Brian C. H. Fong, Jieh-min Wu, Andrew J. Nathan, 2020-12-30 Bringing together a team of cutting edge researchers based in Hong Kong Taiwan and Indo Pacific countries this book focuses on the tug of war between China s influence and forces of resistance in Hong Kong Taiwan and selected countries in its surrounding jurisdictions China s influence has met growing defiance from citizens in Hong Kong and Taiwan who fear the extinction of their valued local identities However the book shows that resistance to China s influence is a global phenomenon varying in motivation and intensity from region to region and country to country depending on the forms of China s influence and the balances of forces in each society The book also advances a concentric center periphery framework for comparing different forms of extra jurisdictional Chinese influence mechanisms ranging from economic military and diplomatic influences to united front operations This book will be of key interest to scholars and

students of comparative politics international relations geopolitics Chinese politics Hong Kong China relations Taiwan and Asian politics **John Ireland and the American Catholic Church** Marvin R. O'Connell, 1988 O'Connell presents an excellent biography of the first archbishop of St Paul Minnesota who rose from poverty to become an internationally known clerical figure and friend of presidents Well written and well researched this biography brings to life an important figure in American religious history Recommended Library Journal
