Spanish Folk Architecture:

Spanish Folk Architecture: The northern plateau Luis M. Feduchi, 1977 **Spanish Folk Architecture** Luis Feduchi, 1977 American Architecture Cyril M. Harris, 1998 Defines and illustrates architectural terms relating to building style structural components and architectural ornaments **A Handbook of Philippine Folklore** Mellie Leandicho Lopez, 2006 The voluminous book provides a range of international theories and methodologies in analytical folklore investigations and a classification scheme based on genre is offered as the system of taxonomy for Philippine traditional materials Lopez counts on the regional folklorists to refine the classification according to the texts of their respective areas The different genres too are explained and examined in another part of Lopez's study The reader will definitely find interesting and useful the illustrative examples for each genre Digital Modernism Heritage Lexicon Cristiana Bartolomei, Alfonso Ippolito, Simone Helena Tanoue Vizioli, 2021-08-11 The book investigates the theme of Modernism 1920 1960 and its epigones as an integral part of tangible and intangible cultural heritage which contains the result of a whole range of disciplines whose aim is to identify document and preserve the memory of the past and the value of the future Including several chapters it contains research results relating to cultural heritage more specifically Modernism and current digital technologies This makes it possible to record and evaluate the changes that both undergo the first one from a material point of view the second one from the research point of view which integrates the traditional approach with an innovative one The purpose of the publication is to show the most recent studies on the modernist lexicon 100 years after its birth moving through different fields of cultural heritage from different forms of art to architecture from design to engineering from literature to history representation and restoration The book appeals to scholars and professionals who are involved in the process of understanding reading and comprehension the transformation that the places have undergone within the period under examination It will certainly foster the international exchange of knowledge that characterized Modernism

Encyclopedia of Historical Archaeology Charles E. Orser Jr, 2002-09-11 The Encyclopedia of Historical Archaeology is a ground breaking compendium of information about this ever growing field Concentrating on the post 1400 period as well as containing generic explanations of historical archaeology where needed the encyclopedia is compiled by over 120 experts from around the world and contains more than 370 entries covering important concepts and sites *Mexican-American Folklore* John O. West, 1988 Gathers riddles rhymes folk poetry stories ballads superstitions customs games foods and folk arts of the Mexican Americans **Vernacular Buildings** Allen Noble, 2013-11-27 Constancy permits the evolution of types and characteristics to be identified even in widely spread locations It helps trace the origins of structures despite later modifications And change allows one to trace the effects of difference in environment fashion cultural ideas and economic influences Change and constancy operate together although one may or other may dominate at a particular time and place In Vernacular Buildings Allen Noble extends the global survey contained in his earlier highly successful Traditional Buildings to

cover vernacular buildings and dwellings around the world In a truly comprehensive account he ranges from the fazenda of the pioneer Brazilian settlers the Masai dwellings of Tanzania and the gothic houses of Shanghai to Virginia Hall and Parlor houses the thatched dwellings of the Eifel region of Germany and the three decker houses of New York Acknowledging the value of archival research the author is also firmly convinced of the importance of field observation and the book is extensively illustrated with photographs from his own personal collection With a comprehensive bibliography and incorporating new material from cultural geographers historians folklorists and anthropologists Vernacular Buildings is a unique survey that will be welcomed by specialists and enthusiasts alike **Traditional Buildings** Allen Noble,2009-09-18

Based on a lifelong professional and personal interest Traditional Buildings presents a unique survey of vernacular architecture across the globe The reader is taken on a fascinating tour of traditional building around the world which includes the loess cave homes of central China the stilt houses on the shores of Dahomey the housebarns of Europe and North America the wind towers of Iran the Bohio houses of the Arawak Indians of the Caribbean and much more Professor s Noble s extensive travels have allowed him to examine many of the building at close quarters and the richly illustrated text includes photographs from his personal collection With its comprehensive and detailed bibliography the work will be welcomed by experts and non specialists alike **Library of Congress Subject Headings** Library of Congress,Library of Congress.
